

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Topic I — Introduction to Islam and the Islamic Beliefs

The Question Answers · Every past-paper question of Topic 1, 2015–2026,
answered as a model

Ten questions answered in nine model answers (2022 Q5 and 2024 Q4 are the same question). Each begins with an answer map, decodes the question, builds its headings from the question's own words, and proves every heading from the Quran, the Sunnah and the scholars.

Edition of September 2026 · covers the papers of 2015–2026 · written for CSS 2027 and after

Contents

HOW TO BUILD THE CONTENTS

The Contents below is left empty on purpose. In Microsoft Word, **right-click anywhere on the grey line below** and choose **Update Field** → **Update entire table** → **OK**. The full table of contents with page numbers will appear.

On a Mac: right-click (or Control-click) the line → **Update Field**. If you edit the notes later, repeat this step to refresh the page numbers. You can also press **Ctrl + A** then **F9** (Windows) to update every field in the document at once.

What is in this document	6
How every answer is built	6
Answer 1 · Din and Religion; the Importance of Din (CSS 2016)	7
Decoding the question	7
The model answer	8
(1) Introduction	8
(2) The meaning of Deen	8
(3) The meaning of religion	9
(4) The difference between Deen and religion	10
(5) The importance of Deen for the individual	11
(6) The importance of Deen for society	13
(7) The importance of Deen for humanity today	13
(8) Conclusion	14
Why this answer scores	14
Answer 2 · The Importance of Deen as the Doctrine of Life (CSS 2022)	15
Decoding the question	15
The model answer	16
(1) Introduction	16
(2) Deen as a doctrine of life	16
(3) Importance in the spiritual life	16
(4) Importance in the moral life	17
(5) Importance in family and social life	17
(6) Importance in economic and political life	18
(7) The difference between Deen and religions	19
(8) Conclusion	20
Why this answer scores	20
Answer 3 · The Supremacy of Wahi (CSS 2015)	21
Decoding the question	21

The model answer	22
(1) Introduction	22
(2) The meaning and kinds of Wahi.....	22
(3) The other sources of knowledge and their limits	23
(4) The supremacy of Wahi — its nature.....	24
(5) The supremacy of Wahi — its scope	24
(6) The supremacy of Wahi — its proof.....	25
(7) Wahi and reason: supremacy, not hostility.....	25
(8) Conclusion	26
Why this answer scores	26
Answer 4 · Tauheed and Its Impact on the Individual and Society (CSS 2019).....	27
Decoding the question.....	27
The model answer	28
(1) Introduction	28
(2) Definition of Tauheed	28
(3) Tauheed in the Quran and Sunnah.....	28
(4) Kinds of Tauheed.....	29
(5) Impact of Tauheed on individual life.....	29
(6) Impact of Tauheed on society	31
(7) Shirk and the modern idols	33
(8) Conclusion	33
Why this answer scores	33
Answer 5 · Rational Arguments for the Existence of Allah; the Impact of Monotheism (CSS 2026)	34
Decoding the question.....	34
The model answer	35
(1) Introduction	35
(2) Why rational arguments matter in Islam	35
(3) The argument from creation (cosmological).....	36
(4) The argument from design and fine-tuning (teleological)	37
(5) The argument from the unity of order — for one God.....	37
(6) The argument from the fitrah.....	37
(7) The moral argument and the argument from the self.....	38
(8) The impact of belief in monotheism on human life.....	38
(9) Conclusion	39
Why this answer scores	39
Answer 6 · The Doctrine of Prophethood and Its Importance in Human Life (CSS 2022 and 2024).....	40
Decoding the question.....	40
The model answer	41

(1) Introduction	41
(2) The meaning of Nubuwwah and Risalah	41
(3) The doctrine: what a Muslim believes about the Prophets	42
(4) The need for Prophethood	43
(5) The functions of the Prophets	44
(6) The importance of Prophethood in human life	44
(7) The completion of the doctrine: the Finality of Prophethood	46
(8) Conclusion	46
Why this answer scores	47
Answer 7 · Faith in Prophethood Requires Faith in Its Finality (CSS 2015)	48
Decoding the question	48
The model answer	49
(1) Introduction	49
(2) The meaning of Khatm-e-Nubuwwat	49
(3) The evidence of the Quran	49
(4) The evidence of the Sunnah	50
(5) The consensus (Ijma) of the Ummah	52
(6) The wisdom of finality	52
(7) Why faith in Prophethood is unacceptable without faith in its finality	52
(8) Conclusion	53
Why this answer scores	53
Answer 8 · Belief in the Day of Judgment and Its Effects (CSS 2021)	54
Decoding the question	54
The model answer	55
(1) Introduction	55
(2) What belief in the Day of Judgment is	55
(3) The stages of the Hereafter	56
(4) Why the belief is true — in brief	56
(5) Effects on the individual life	56
(6) Effects on the collective life	58
(7) The effects of denying the Day	59
(8) Conclusion	59
Why this answer scores	59
Answer 9 · The Quranic Argument on the Hereafter and Its Impacts (CSS 2023)	60
Decoding the question	60
The model answer	61
(1) Introduction	61
(2) Belief in the Hereafter	61

(3) The argument from the first creation	61
(4) The argument from the revival of nature	62
(5) The argument from justice.....	63
(6) The argument from purpose and the conscience	63
(7) Impacts on individual life	64
(8) Impacts on collective life	64
(9) Conclusion	65
Why this answer scores	65

How to Use These Answers

What is in this document

#	Paper	Question (short)	Answer
1	2016 Q3	Difference between Deen and religion; importance of Deen in human life	Answer 1
2	2022 Q8	Importance of Deen (doctrine of life); Deen vs religions	Answer 2
3	2015 Q7	Supremacy of Wahi over other sources of knowledge	Answer 3
4	2019 Q2	Define Tauheed; its impact on individual and society	Answer 4
5	2026 Q5	Rational arguments for the existence of Allah; impact of monotheism	Answer 5
6	2022 Q5 · 2024 Q4	The doctrine of Prophethood and its importance in human life	Answer 6
7	2015 Q4	Faith in Prophethood unacceptable without faith in its finality	Answer 7
8	2021 Q2	Belief in the Day of Judgment; effects on individual and collective life	Answer 8
9	2023 Q2	The Quranic argument on the Hereafter; impact on individual and collective life	Answer 9

The answers follow the order of the **Knowledge Base** (Din → Wahi → Tawhid → Risalat → Finality → Akhirah), not the order of years, so they can be revised straight through.

How every answer is built

1. **The question**, exactly as set.
2. **The answer map** — the mind map you draw in the first ninety seconds. Every box is one heading of the answer.
3. **Decoding the question** — the command words and the limbs, and what each demands.
4. **The model answer** — numbered headings **(1)**, **(2)** ... taken from the question's own words, sub-headings **(i)**, **(ii)** ... and **(a)**, **(b)** ..., evidence inside every heading, one or two figures, the contemporary and Pakistan angle, and a conclusion with a verse or hadith.
5. **Why this answer scores** — what the examiner rewards in it.

TRAP · USE THE ANSWERS AS MODELS, NOT SCRIPTS

The examiner changes the angle each time a family returns (Master Anatomy, Part 3.4). Learn the **structure** and the **evidence**; build your headings from the words of the question you are actually given. A model answer is longer than you can write in 33 minutes — select the headings and evidence you can reproduce well.

Answer 1 · Din and Religion; the Importance of Din (CSS 2016)

THE QUESTION · CSS 2016 · Q3 · 20 marks

What is the difference between Deen and Religion? Describe the importance of Deen in human life with arguments.

Draw this in 90 seconds; every box is a heading.

Figure 1 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- **Two limbs:** (a) *the difference* between Deen and religion — a comparison; (b) *the importance of Deen in human life* — a list of reasons '**with arguments**', i.e. with evidence.
- **Command words:** 'What is the difference' = define both, then compare point by point; 'Describe ... with arguments' = headed points, each proved.
- **Weight:** roughly 40% to the difference, 60% to the importance.

The model answer

(1) Introduction

★ QURAN

﴿إِنَّ الدِّينَ عِنْدَ اللَّهِ الْإِسْلَامُ وَمَا اخْتَلَفَ الَّذِينَ أُوتُوا الْكِتَابَ إِلَّا مِنْ بَعْدِ مَا جَاءَهُمُ الْعِلْمُ بَغْيًا بَيْنَهُمْ وَمَنْ يَكْفُرْ بِآيَاتِ اللَّهِ فَإِنَّ اللَّهَ سَرِيعُ الْحِسَابِ﴾

"Indeed, the religion in the sight of Allah is Islam. And those who were given the Scripture did not differ except after knowledge had come to them - out of jealous animosity between themselves. And whoever disbelieves in the verses of Allah, then indeed, Allah is swift in [taking] account." (Aal-e-Imran, Quran)

→ 'Indeed, the Din in the sight of Allah is Islam' — the Quran calls Islam a **Din**, not a religion in the narrow sense.

Every human society has had some form of religion. But the Quran uses a larger word for Islam: **Din**. The difference between the two words is not a matter of vocabulary; it is the difference between **a corner of life** and **the whole of life**. Religion, in its modern sense, is a private relationship between man and God; Din is a complete system that governs belief, worship, morality, family, economy, politics and law. This answer first explains the two concepts and their differences, and then argues why Din is necessary for the individual, for society and for humanity.

(2) The meaning of Deen

(i) Literal meaning

In Arabic, **Din** means authority, obedience, law and recompense.

(ii) The four meanings in the Quran

- **(a) Sovereignty** — 'Call upon Him, sincere to Him in Din' (Al-Mu'min).
- **(b) Obedience** — 'They were commanded only to worship Allah, sincere to Him in Din' (Al-Bayyinah).
- **(c) Law and system** — 'He could not take his brother within the din of the king' (Yusuf): din = the king's law.
- **(d) Recompense** — 'Master of the Day of Din' (Al-Fatihah).

Figure 2 · The four meanings of Din in the Quran.

(iii) Technical meaning

Din is **the complete system of life revealed by Allah: His sovereignty, man's obedience, His law, and recompense in the Hereafter.**

(3) The meaning of religion

(i) The word

'Religion' comes from the Latin *religare*, 'to bind'. In modern Western usage, it means a set of beliefs, rituals and moral teachings about God or the sacred.

(ii) Its modern secular sense

After the conflicts between Church and state in Europe, religion came to be treated as a **private matter**, separate from politics, economics and law. The Arabic word nearest to this narrow sense is *madhhab*, not *Din*.

(4) The difference between Deen and religion

'Religion' in the modern secular sense

'Din' in the Quranic sense

Figure 3 · Religion as one corner of life; Din as guidance for the whole of life.

(i) Scope

Religion covers belief and worship; **Din covers the whole of life.**

✦ QURAN

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا ادْخُلُوا فِي السِّلْمِ كَافَّةً وَلَا تَتَّبِعُوا خُطُوَاتِ الشَّيْطَانِ إِنَّهُ لَكُمْ عَدُوٌّ مُبِينٌ﴾

"O you who have believed, enter into Islam completely [and perfectly] and do not follow the footsteps of Satan. Indeed, he is to you a clear enemy." (Al-Baqarah, Quran)

→ 'Enter into Islam **completely**' — a religion may be partial; a Din cannot.

(ii) Source

Religion may be built on custom, tradition or philosophy; **Din rests on revelation.**

(iii) Sovereignty

In secular religion, God reigns in the heart but the people or the state rule the world; in Din, **sovereignty belongs to Allah** and man is His vicegerent.

(iv) Relation with the state and law

Religion is separate from the state; **Din guides the state** and has its own law, the Shariah.

✦ QURAN

﴿شَرَعَ لَكُمْ مِنَ الدِّينِ مَا وَصَّى بِهِ نُوحًا وَالَّذِي أَوْحَيْنَا إِلَيْكَ وَمَا وَصَّيْنَا بِهِ إِبْرَاهِيمَ وَمُوسَى وَعِيسَى أَنْ أَقِيمُوا الدِّينَ وَلَا تَتَفَرَّقُوا فِيهِ...﴾

"He has ordained for you of the Din what He enjoined upon Nuh, what We have revealed to you, and what We enjoined upon Ibrahim, Musa and Isa: 'Establish the Din and do not be divided in it.'" (Ash-Shura, Quran)

→ Allah ordained the same Din for Nuh, Ibrahim, Musa and Isa: '**establish the Din** and do not be divided in it' — a Din is *established* in society, not only believed in the heart.

(v) Individual and society

Religion addresses the individual; **Din addresses both the individual and the society.**

(vi) This world and the next

Religion often concerns only the next world; **Din balances this world and the Hereafter.**

Point	Deen	Religion (modern sense)
Scope	Whole of life	Belief and ritual only
Source	Revelation	Tradition, custom, philosophy
Sovereignty	Allah	People or state
State and law	Guides both; has Shariah	Separate; no public law
Addressee	Individual and society	Individual
Worlds	This world and Hereafter	Mostly the other world

(vii) The practical proof: the life of the Prophet ﷺ

The Prophet ﷺ built the mosque and the state of Madinah in the same year. He led the prayer and the army, judged disputes, signed treaties and collected Zakat. His life is the living definition of Din.

♦ SCHOLARLY VIEW

Dr Muhammad Hamidullah · Introduction to Islam (FPSC reading list)

Dr Hamidullah points out that Islam does not divide life into the spiritual and the temporal; the Quran regulates both the relation of man with God and the relations of men with one another.

→ A standard authority for the **comprehensiveness** of Din.

(5) The importance of Deen for the individual**(i) Din answers the call of human nature**

♦ QURAN

﴿فَأَقِمْ وَجْهَكَ لِلدِّينِ حَنِيفاً فِطْرَتَ اللَّهِ الَّتِي فَطَرَ النَّاسَ عَلَيْهَا لَا تَبْدِيلَ لِخَلْقِ اللَّهِ ذَلِكَ الدِّينُ الْقَيِّمُ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾

“So direct your face toward the religion, inclining to truth. [Adhere to] the fitrah of Allah upon which He has created [all] people. No change should there be in the creation of Allah. That is the correct religion, but most of the people do not know.” (Ar-Rum, Quran)

→ Din is **the fitrah of Allah** upon which He created mankind.

♦ HADITH

مَا مِنْ مَوْلُودٍ إِلَّا يُولَدُ عَلَى الْفِطْرَةِ

“Every child is born upon the fitrah.” (Al-Bukhari and Muslim)

→ Belief in the Creator is **natural**; Din completes human nature.

(ii) Din gives life its purpose

✦ QURAN

﴿وَمَا خَلَقْتُ الْجِنَّ وَالْإِنسَ إِلَّا لِيَعْبُدُونِ﴾

“And I did not create the jinn and mankind except to worship Me.” (Adh-Dhariyat, Quran)

→ Man was created **to worship Allah** — to live his whole life in His obedience.

(iii) Din gives peace of heart

✦ QURAN

﴿الَّذِينَ ءَامَنُوا وَتَطْمَئِنُّ قُلُوبُهُمْ بِذِكْرِ اللَّهِ أَلَا بِذِكْرِ اللَّهِ تَطْمَئِنُّ الْقُلُوبُ﴾

“Those who have believed and whose hearts are assured by the remembrance of Allah. Unquestionably, by the remembrance of Allah hearts are assured.” (Ar-Ra'd, Quran)

→ 'In the remembrance of Allah do hearts find rest.'

✦ QURAN

﴿وَمَنْ أَغْرَضَ عَنْ ذِكْرِي فَإِنَّ لَهُ مَعِيشَةً ضَنْكًا وَنَحْشُرُهُ يَوْمَ الْقِيَمَةِ أَعْمَى﴾

“And whoever turns away from My remembrance - indeed, he will have a depressed life, and We will gather him on the Day of Resurrection blind.” (Taha, Quran)

→ Whoever turns away from Allah's reminder will have **a life of hardship** — the inner emptiness of the modern age.

(iv) Din gives a fixed moral standard

Without Din, morality changes with fashion and majority vote. Din gives values that do not change.

✦ HADITH

إِنَّمَا بُعِثْتُ لِأَتَمِّمَ مَكَارِمَ الْأَخْلَاقِ

“I was sent only to perfect noble character.” (Al-Bayhaqi)

→ The purpose of Din is to **make good human beings**.

(v) Din gives an inner check

Belief in Allah and the Hereafter makes a person honest when no one is watching — something no police force can achieve.

(6) The importance of Deen for society

(i) Justice

✦ QURAN

﴿لَقَدْ أَرْسَلْنَا رُسُلَنَا بِالْبَيِّنَاتِ وَأَنْزَلْنَا مَعَهُمُ الْكِتَابَ وَالْمِيزَانَ لِيَقُومَ النَّاسُ بِالْقِسْطِ وَأَنْزَلْنَا الْحَدِيدَ فِيهِ بَأْسٌ شَدِيدٌ وَمَنْفَعٌ لِلنَّاسِ وَلِيَعْلَمَ اللَّهُ مَنْ يَنْصُرُهُ وَرُسُلَهُ بِالْغَيْبِ إِنَّ اللَّهَ قَوِيٌّ عَزِيزٌ﴾

"We have already sent Our messengers with clear evidences and sent down with them the Scripture and the balance that the people may maintain [their affairs] in justice. And We sent down iron, wherein is great military might and benefits for the people, and so that Allah may make evident those who support Him and His messengers unseen. Indeed, Allah is Powerful and Exalted in Might." (Al-Hadid, Quran)

→ Messengers were sent with the Book and the Balance **so that people may uphold justice** — Din is the foundation of a just social order.

(ii) Unity and brotherhood

✦ QURAN

﴿وَأَعْتَصِمُوا بِحَبْلِ اللَّهِ جَمِيعًا وَلَا تَفَرَّقُوا وَاذْكُرُوا نِعْمَتَ اللَّهِ عَلَيْكُمْ إِذْ كُنْتُمْ أَعْدَاءً فَأَلَّفَ بَيْنَ قُلُوبِكُمْ فَأَصْبَحْتُمْ بِنِعْمَتِهِ إِخْوَانًا...﴾

"And hold firmly to the rope of Allah all together and do not become divided. Remember Allah's favour upon you: you were enemies, and He brought your hearts together, and by His favour you became brothers." (Aal-e-Imran, Quran)

→ 'Hold fast, all together, **to the rope of Allah**, and do not be divided' — Din made the warring tribes of Arabia brothers.

(iii) Rights and duties

Din fixes the rights of parents, spouses, children, neighbours, workers, the poor and even animals, and makes their fulfilment worship.

(iv) Law obeyed from within

A law obeyed out of faith is obeyed even where there is no policeman — this is why the society of Madinah needed so few punishments.

(7) The importance of Deen for humanity today

(i) The failure of life without Din

Materialism has produced wealth but also loneliness, family breakdown, depression and inequality.

(ii) The balance Din offers

★ QURAN

﴿وَابْتَغِ فِيمَا ءَاتَاكَ اللَّهُ الدَّارَ الْآخِرَةَ وَلَا تَنْسَ نَصِيبَكَ مِنَ الدُّنْيَا وَأَحْسِنَ كَمَا أَحْسَنَ اللَّهُ إِلَيْكَ وَلَا تَبْغِ
الْفُسَادَ فِي الْأَرْضِ إِنَّ اللَّهَ لَا يُحِبُّ الْمُفْسِدِينَ﴾

"But seek, through that which Allah has given you, the home of the Hereafter; and [yet], do not forget your share of the world. And do good as Allah has done good to you. And desire not corruption in the land. Indeed, Allah does not like corrupters." (Al-Qasas, Quran)

→ Seek the Hereafter, **but do not forget your share of this world** — Din rejects both monasticism and materialism.

★ SCHOLARLY VIEW

Allama Muhammad Iqbal · The Reconstruction of Religious Thought in Islam

Iqbal argues that humanity needs a spiritual interpretation of the universe, the spiritual emancipation of the individual, and basic principles of universal import to direct the evolution of society on a spiritual basis — and only a Din can provide them.

→ The modern case for Din in one sentence.

PAKISTAN ANGLE

Pakistan was founded on the concept of **Din**: Article 2 makes Islam the State religion; Article 2A (the Objectives Resolution) declares that sovereignty belongs to Allah alone and that authority is a sacred trust exercised within the limits He has prescribed.

(8) Conclusion

Religion, in the modern sense, is a room in the house of life; **Din is the house itself**. Islam includes everything that religion means — faith, prayer and love of God — but it does not stop there: it goes on into the family, the market, the court and the state. That is why Din is essential: it completes human nature, gives life purpose and peace, supplies fixed moral values, builds a just and united society, and offers humanity a balance that materialism cannot. The Quran's command sums up the whole answer:

★ QURAN

﴿يَا أَيُّهَا الَّذِينَ ءَامَنُوا ادْخُلُوا فِي السِّلْمِ كَافَّةً وَلَا تَتَّبِعُوا خُطُوَاتِ الشَّيْطَانِ إِنَّهُ لَكُمْ عَدُوٌّ مُبِينٌ﴾

"O you who have believed, enter into Islam completely [and perfectly] and do not follow the footsteps of Satan. Indeed, he is to you a clear enemy." (Al-Baqarah, Quran)

→ 'O you who believe, enter into Islam **completely**, and do not follow the footsteps of Satan.'

Why this answer scores

- **Both limbs** are answered, in proportion, under headings that repeat the question's words.
- The difference is shown **three ways**: point-by-point headings, a figure, and a table.
- Every point of 'importance' carries a **verse or hadith** — the examiner asked for 'arguments'.
- The **Pakistan angle** and **Iqbal** give depth without leaving the question.

Answer 2 · The Importance of Deen as the Doctrine of Life (CSS 2022)

THE QUESTION · CSS 2022 · Q8 · 20 marks

Describe the importance of Deen (Doctrine of life) in human life. Differentiate between Deen and Religions.

This time the importance comes first, as the question orders it.

Figure 4 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- The 2022 question **reverses** the order of 2016: importance first, difference second. Follow the order the examiner gives.
- The phrase '**doctrine of life**' is the examiner's own translation of Din. Build the answer around it: Din is a doctrine that governs **every department of life** — so organise the importance **by departments of life** (spiritual, moral, family, social, economic, political).
- '**Religions**' (plural): compare Din with religion as it is commonly understood in the world's traditions and in secular thought — without disrespecting any faith.

The model answer

(1) Introduction

✦ QURAN

﴿ثُمَّ جَعَلْنَاكَ عَلَىٰ شَرِيعَةٍ مِّنَ الْأَمْرِ فَاتَّبِعْهَا وَلَا تَتَّبِعْ أَهْوَاءَ الَّذِينَ لَا يَعْلَمُونَ﴾

"Then We put you, [O Muhammad], on an ordained way concerning the matter [of religion]; so follow it and do not follow the inclinations of those who do not know." (Al-Jathiyah, Quran)

→ 'Then We put you on a **clear way (Shariah) of the matter**; so follow it, and do not follow the desires of those who do not know.'

The examiner's phrase is exact: Din is a **doctrine of life**. It is not a set of rituals added to life, but a doctrine that shapes all of life — how a person believes, prays, thinks, trades, marries, governs and dies. In the Hadith of Jibril, the Prophet ﷺ called belief (Iman), practice (Islam) and excellence (Ihsan) together '**your Din**'. This answer shows its importance in each department of human life, and then distinguishes Din from religion as the world commonly understands it.

(2) Deen as a doctrine of life

(i) The four meanings make a system

Din in the Quran means **sovereignty** (of Allah), **obedience** (of man), **law** (the Shariah) and **recompense** (the Hereafter). Together they form a complete doctrine: an authority, a subject, a law and a sanction.

(ii) The three levels of Din

✦ HADITH

فَإِنَّهُ جِبْرِيلُ أَتَاكُمْ يَعْلَمُكُمْ دِينَكُمْ

"That was Jibril; he came to teach you your Din." (Muslim)

→ Iman, Islam and Ihsan **together** are the Din.

(3) Importance in the spiritual life

(i) Satisfying the fitrah

✦ QURAN

﴿فَأَقِمْ وَجْهَكَ لِلدِّينِ حَنِيفًا فِطْرَتَ اللَّهِ الَّتِي فَطَرَ النَّاسَ عَلَيْهَا لَا تَبْدِيلَ لِخَلْقِ اللَّهِ ذَلِكَ الدِّينُ الْقَيِّمُ وَلَكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾

"So direct your face toward the religion, inclining to truth. [Adhere to] the fitrah of Allah upon which He has created [all] people. No change should there be in the creation of Allah. That is the correct religion, but most of the people do not know." (Ar-Rum, Quran)

→ Din is the fitrah of Allah upon which He created mankind.

(ii) Peace of the heart

✦ QURAN

﴿الَّذِينَ ءَامَنُوا وَتَطْمَئِنُّ قُلُوبُهُم بِذِكْرِ اللَّهِ أَلَا بِذِكْرِ اللَّهِ تَطْمَئِنُّ الْقُلُوبُ﴾

“Those who have believed and whose hearts are assured by the remembrance of Allah. Unquestionably, by the remembrance of Allah hearts are assured.” (Ar-Ra'd, Quran)

→ In the remembrance of Allah **hearts find rest**.

(iii) Meaning and purpose

✦ QURAN

﴿الَّذِي خَلَقَ الْمَوْتَ وَالْحَيَاةَ لِيَبْلُوَكُمْ أَيُّكُمْ أَحْسَنُ عَمَلًا وَهُوَ الْعَزِيزُ الرَّحِيمُ﴾

“[He] who created death and life to test you [as to] which of you is best in deed - and He is the Exalted in Might, the Forgiving.” (Al-Mulk, Quran)

→ He created death and life **to test which of you is best in deeds**.

(4) Importance in the moral life**(i) Fixed and universal values**

Din gives values that are true for all people at all times: truth, justice, chastity, mercy, trust.

✦ QURAN

﴿إِنَّ اللَّهَ يَأْمُرُ بِالْعَدْلِ وَالْإِحْسَنِ وَإِيتَايَ ذِي الْقُرْبَىٰ وَيَنْهَىٰ عَنِ الْفَحْشَاءِ وَالْمُنْكَرِ وَالْبَغْيِ يَعِظُكُمْ لَعَلَّكُمْ تَذَكَّرُونَ﴾

“Indeed, Allah orders justice and good conduct and giving to relatives and forbids immorality and bad conduct and oppression. He admonishes you that perhaps you will be reminded.” (An-Nahl, Quran)

→ Allah commands **justice, excellence and giving to relatives**, and forbids indecency, evil and oppression — the moral charter of Din.

(ii) The motive to be good

✦ HADITH

أَكْمَلُ الْمُؤْمِنِينَ إِيمَانًا أَحْسَنُهُمْ خُلُقًا

“The most complete of the believers in faith is the one with the best character.” (Abu Dawud and Al-Tirmidhi)

→ Din makes **character the measure of faith**.

(5) Importance in family and social life**(i) A stable family**

Din defines marriage as a covenant of love and mercy, and fixes the rights of spouses, parents and children.

✦ QURAN

﴿وَمِنْ آيَاتِهِ أَنْ خَلَقَ لَكُمْ مِنْ أَنْفُسِكُمْ أَزْوَاجًا لِتَسْكُنُوا إِلَيْهَا وَجَعَلَ بَيْنَكُمْ مَوَدَّةً وَرَحْمَةً إِنَّ فِي ذَلِكَ لَآيَاتٍ لِقَوْمٍ يَتَفَكَّرُونَ﴾

"And of His signs is that He created for you from yourselves mates that you may find tranquillity in them; and He placed between you affection and mercy. Indeed in that are signs for a people who give thought." (Ar-Rum, Quran)

→ He created for you mates that you may find tranquillity in them, and placed **love and mercy** between you.

(ii) Rights of people

✦ HADITH

لَا يُؤْمِنُ أَحَدُكُمْ حَتَّى يُحِبَّ لِأَخِيهِ مَا يُحِبُّ لِنَفْسِهِ

"None of you truly believes until he loves for his brother what he loves for himself." (Al-Bukhari and Muslim)

→ Din turns social ethics into **faith**.

(iii) Equality and brotherhood

✦ QURAN

﴿يَا أَيُّهَا النَّاسُ إِنَّا خَلَقْنَاكُمْ مِنْ ذَكَرٍ وَأُنْثَى وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا إِنَّ أَكْرَمَكُمْ عِنْدَ اللَّهِ أَتَقَى اللَّهَ إِنَّ اللَّهَ عَلِيمٌ خَبِيرٌ﴾

"O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted." (Al-Hujurat, Quran)

→ No superiority of race or tribe; **the most honoured is the most righteous**.

(6) Importance in economic and political life

(i) Lawful earning and fair distribution

Din forbids riba, hoarding and cheating, and makes Zakat a pillar of faith, so that wealth circulates.

✦ QURAN

﴿... كَيْ لَا يَكُونَ دُولَةً بَيْنَ الْأَغْنِيَاءِ مِنْكُمْ ...﴾

"... so that it does not circulate only among the rich among you." (Al-Hashr, Quran)

→ So that wealth **does not circulate only among the rich** among you.

(ii) Just government

Din makes power a trust, consultation a duty and justice the purpose of the state.

✦ QURAN

﴿وَالَّذِينَ اسْتَجَابُوا لِرَبِّهِمْ وَأَقَامُوا الصَّلَاةَ وَأَمْرُهُمْ شُورَى بَيْنَهُمْ وَمِمَّا رَزَقْنَاهُمْ يُنْفِقُونَ﴾

“And those who have responded to their lord and established prayer and whose affair is [determined by] consultation among themselves, and from what We have provided them, they spend.” (Ash-Shura, Quran)

→ Believers conduct their affairs **by consultation among themselves**.

✦ QURAN

﴿إِنَّ اللَّهَ يَأْمُرُكُمْ أَنْ تُؤَدُّوا الْأَمَانَاتِ إِلَىٰ أَهْلِهَا وَإِذَا حَكَمْتُمْ بَيْنَ النَّاسِ أَنْ تَحْكُمُوا بِالْعَدْلِ إِنَّ اللَّهَ نِعِمَّا يَعِظُكُمْ بِهِ إِنَّ اللَّهَ كَانَ سَمِيعًا بَصِيرًا﴾

“Indeed, Allah commands you to render trusts to whom they are due and when you judge between people to judge with justice. Excellent is that which Allah instructs you. Indeed, Allah is ever Hearing and Seeing.” (An-Nisa, Quran)

→ Render **trusts** to those to whom they are due, and judge **with justice**.

(7) The difference between Deen and religions

(i) A complete doctrine, not a department

Most religious traditions today, and all secular thought, treat religion as one department of life. Din is the doctrine that governs all departments.

(ii) Revealed, not constructed

Din is revealed by Allah; many religious traditions have grown by human addition over centuries.

(iii) Preserved sources

The Quran is preserved word for word (Al-Hijr: 'We will guard it'); Din therefore has a fixed and knowable standard.

(iv) A law and a state

Din has a public law (Shariah) and principles of government; secular religion has neither.

(v) Balance

Din balances this world and the Hereafter, the individual and the society, rights and duties.

Point	Deen (doctrine of life)	Religion (common and secular sense)
Coverage	All departments of life	Belief, worship, personal morality
Origin	Revelation, preserved	Tradition, often changed by human hands
Law	Shariah: public and private	Personal ethics only
Politics	Sovereignty of Allah; Shura; justice	Separated from politics
World-view	This world and the Hereafter	Mostly the hereafter or inner comfort
Freedom of others	'No compulsion in religion' (Al-Baqarah)	Varies

(vi) A fair word

Din does not reject what is good in religion — faith, prayer, love of God; it **completes** it. And because the Quran commands 'no compulsion in religion', a Din-based society protects the faith of others.

(8) Conclusion

Din is the doctrine of life because it answers every question life asks — spiritual, moral, social, economic and political — from one source and with one purpose. That is its importance; and that is its difference from religion, which answers only some of them. It was completed on the Day of Arafah:

✦ QURAN

﴿...الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَأَتَمَمْتُ وَعْدِي وَرَضِيتُ لَكُمُ الْإِسْلَامَ دِينًا...﴾

"This day I have perfected for you your religion, completed My favour upon you, and approved for you Islam as your way of life." (Al-Ma'idah, Quran)

→ A **perfected doctrine of life** — the final proof of Din's importance.

Why this answer scores

- It follows the **examiner's order** and **his own phrase** ('doctrine of life') — the importance is organised by departments of life.
- It avoids repeating the 2016 answer mechanically: same evidence bank, **new structure** for the new wording.
- It is **respectful** of other religions while making the distinction clear.

Answer 3 · The Supremacy of Wahi (CSS 2015)

THE QUESTION · CSS 2015 · Q7 · 16 marks (old scheme)

Argue for supremacy of 'Wahi' as the solution of human problems against other sources of knowledge.

'Argue' = a thesis defended point by point.

Figure 5 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- '**Argue for**' = take a clear side and defend it. The thesis: **Wahi is supreme because it is the only source that is certain, complete, unchanging and free from desire.**
- '**As the solution of human problems**' = show Wahi solving real problems (moral confusion, injustice, economic crises), not only theory.
- '**Against other sources of knowledge**' = name the other sources (senses, reason, intuition, science, experience) and show their limits — fairly.

The model answer

(1) Introduction

✦ QURAN

﴿وَمَا يَنْطِقُ عَنِ الْهَوَىٰ ۖ إِنْ هُوَ إِلَّا وَحْيٌ يُوحَىٰ﴾

“Nor does he speak from [his own] inclination. It is not but a revelation revealed.” (An-Najm, Quran)

→ The Prophet ﷺ does not speak from his own desire; **it is only a revelation revealed.**

Man has always sought knowledge through his senses, his reason and his experience. These are gifts of Allah, and Islam honours them. But they are limited, and they disagree; they tell us *how* things work but not *why* we exist or *what we ought to do*. **Wahi** — knowledge revealed by the Creator — is the only source that answers these questions with certainty. This answer argues that Wahi is supreme as the solution of human problems, while showing that it guides reason rather than abolishing it.

(2) The meaning and kinds of Wahi

(i) Literal and technical meaning

Literally, Wahi is a **quick, hidden communication**. Technically, it is **the message of Allah conveyed to His Prophets to guide mankind**.

(ii) The two kinds

- **Wahi Matluww** — the Quran, recited, its words and meanings from Allah.
- **Wahi Ghayr Matluww** — the Sunnah, its meaning from Allah, its words from the Prophet ﷺ.

(iii) The modes

✦ QURAN

﴿وَمَا كَانَ لِبَشَرٍ أَنْ يُكَلِّمَهُ اللَّهُ إِلَّا وَحْيًا أَوْ مِنْ وَرَآئِ حِجَابٍ أَوْ يُرْسِلَ رَسُولًا فَيُوحِيَ بِإِذْنِهِ ۚ مَا يَشَاءُ إِنَّهُ عَلِيُّ حَكِيمٌ﴾

“And it is not for any human being that Allah should speak to him except by revelation or from behind a partition or that He sends a messenger to reveal, by His permission, what He wills. Indeed, He is Most High and Wise.” (Ash-Shura, Quran)

→ Allah speaks to man **by inspiration, or from behind a veil, or by sending a messenger** — the three modes of revelation.

(3) The other sources of knowledge and their limits

Figure 6 · The sources of human knowledge, their reach and their limits.

(i) The senses

They reach only the physical world and can be deceived (the mirage, the stick that looks bent in water).

(ii) Reason

- It depends on the data of the senses.
- It **differs** from mind to mind and age to age.
- It is **led by desire and interest**.
- It **cannot reach the unseen** or fix final values.

✦ QURAN

﴿وَيَسْأَلُونَكَ عَنِ الرُّوحِ قُلِ الرُّوحُ مِنْ أَمْرِ رَبِّي وَمَا أُوتِيتُمْ مِنَ الْعِلْمِ إِلَّا قَلِيلًا﴾

"And they ask you, [O Muhammad], about the soul. Say, "The soul is of the affair of my Lord. And mankind have not been given of knowledge except a little." (Al-Isra, Quran)

→ 'You have been given of knowledge **only a little**.'

(iii) Intuition and experience

Personal and uncertain; they cannot be tested or imposed on others.

(iv) Science

Science is organised observation and reason. It is powerful in its field, but its conclusions are **provisional** and it cannot answer questions of meaning and value.

(4) The supremacy of Wahi — its nature

(i) Certainty against conjecture

✦ QURAN

﴿وَمَا يَتَّبِعْ أَكْثَرُهُمْ إِلَّا ظَنًّا إِنَّ الظَّنَّ لَا يُغْنِي مِنَ الْحَقِّ شَيْئًا إِنَّ اللَّهَ عَلِيمٌ بِمَا يَفْعَلُونَ﴾

“And most of them follow not except assumption. Indeed, assumption avails not against the truth at all. Indeed, Allah is Knowing of what they do.” (Yunus, Quran)

→ Most of them follow nothing but **assumption**; assumption is of no use against the truth.

(ii) Freedom from contradiction

✦ QURAN

﴿أَفَلَا يَتَذَكَّرُونَ الْقُرْآنَ وَلَوْ كَانَ مِنْ عِنْدِ غَيْرِ اللَّهِ لَوَجَدُوا فِيهِ اخْتِلَافًا كَثِيرًا﴾

“Then do they not reflect upon the Qur'an? If it had been from [any] other than Allah, they would have found within it much contradiction.” (An-Nisa, Quran)

→ Had it been from other than Allah, they would have found in it **much contradiction**.

(iii) Freedom from desire and interest

Human legislators — kings, classes, parties, corporations — legislate in their own interest. Wahi comes from the Lord of all, who needs nothing from anyone.

(iv) Permanence of values

Human morality has reversed itself many times; Wahi's values do not bend.

- **Alcohol:** the United States prohibited it by constitutional amendment in 1920 and repealed the prohibition in 1933; the Quran's prohibition stands.
- **Interest:** the global financial crisis of 2008 showed the danger of the debt economy that the Quran forbade (Al-Baqarah: 'Allah has permitted trade and forbidden riba').
- **Racism:** 'scientific' racism was respectable in the early twentieth century; the Quran had declared equality in the seventh (Al-Hujurat).

(5) The supremacy of Wahi — its scope

(i) It answers the ultimate questions

Where did I come from (Tawhid)? Why am I here (Risalat)? Where am I going (Akhirah)? No other source can answer these with certainty.

(ii) It gives a complete and balanced system

Capitalism solved production and created inequality; socialism promised equality and destroyed freedom. Wahi balances the individual and society, the body and the soul, rights and duties.

✦ QURAN

﴿وَيَوْمَ نَبْعَثُ فِي كُلِّ أُمَّةٍ شَهِيدًا عَلَيْهِمْ مِّنْ أَنفُسِهِمْ وَجِئْنَا بِكَ شَهِيدًا عَلَىٰ هَٰؤُلَاءِ وَنَزَّلْنَا عَلَيْكَ الْكِتَابَ تِبْيَانًا لِّكُلِّ شَيْءٍ وَهُدًى وَرَحْمَةً وَبُشْرَىٰ لِلْمُسْلِمِينَ﴾

“And [mention] the Day when We will resurrect among every nation a witness over them from themselves. And We will bring you, [O Muhammad], as a witness over your nation. And We have sent down to you the Book as clarification for all things and as guidance and mercy and good tidings for the Muslims.” (An-Nahl, Quran)

→ The Book was revealed as **a clarification of all things**, and as guidance, mercy and good news.

(6) The supremacy of Wahi — its proof

(i) The proof of history

In twenty-three years Wahi turned the scattered tribes of Arabia — without state, law or learning — into the most just society of their time and the teachers of the world.

(ii) The Quran's challenge

✦ QURAN

﴿قُلْ لِّئِنِ اجْتَمَعَتِ الْإِنسُ وَالْجِنُّ عَلَىٰ أَن يَأْتُوا بِمِثْلِ هَٰذَا الْقُرْآنِ لَا يَأْتُونَ بِمِثْلِهِ ۚ وَلَوْ كَانَ بَعْضُهُمْ لِبَعْضٍ ظَهِيرًا﴾

“Say, “If mankind and the jinn gathered in order to produce the like of this Qur'an, they could not produce the like of it, even if they were to each other assistants.” (Al-Isra, Quran)

→ If mankind and jinn gathered to produce the like of this Quran, **they could not**.

(iii) The testimony of a master of reason

✦ SCHOLARLY VIEW

Imam Al-Ghazali · Al-Munqidh min al-Dalal

Ghazali, the greatest philosopher-theologian of his age, describes how doubt about the senses and reason left him unable to teach or speak, and how he was restored not by a proof but by 'a light that Allah cast into the heart'. He concluded that prophecy is a level of knowledge above reason.

→ A master of reason **testifies to its limits**.

(7) Wahi and reason: supremacy, not hostility

(i) Islam honours reason

The Quran asks again and again, 'Do you not reason? Do you not reflect?'

(ii) The division of labour

★ HADITH

أَنْتُمْ أَعْلَمُ بِأَمْرِ دُنْيَاكُمْ

“You know better the affairs of your world.” (Muslim)

→ In technical worldly matters, experience decides; in belief, worship and moral law, **Wahi decides**.

(iii) The rule of priority

Where Wahi speaks clearly, reason follows; where it is silent, reason works within its principles — the method of **Ijtihad**.

★ QURAN

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا أَطِيعُوا اللَّهَ وَأَطِيعُوا الرَّسُولَ وَأُولِي الْأَمْرِ مِنْكُمْ فَإِنْ تَنَازَعْتُمْ فِي شَيْءٍ فَرُدُّوهُ إِلَى اللَّهِ وَالرَّسُولِ إِنْ كُنْتُمْ تُؤْمِنُونَ بِاللَّهِ وَالْيَوْمِ الْآخِرِ ذَلِكَ خَيْرٌ وَأَحْسَنُ تَأْوِيلًا﴾

“O you who have believed, obey Allah and obey the Messenger and those in authority among you. And if you disagree over anything, refer it to Allah and the Messenger, if you should believe in Allah and the Last Day. That is the best [way] and best in result.” (An-Nisa, Quran)

→ If you disagree over anything, **refer it to Allah and the Messenger**.

PAKISTAN ANGLE

Article 227 of the Constitution: no law shall be enacted which is repugnant to the Injunctions of Islam as laid down in the **Holy Quran and Sunnah**. The state itself accepts Wahi as the supreme standard of law.

(8) Conclusion

The senses see, reason connects, experience remembers — but only Wahi **knows**. It is supreme because it comes from the Creator of man; because it is certain, consistent, unchanging and free from interest; because it answers the questions that matter most; and because history has proved its power to transform human life. Reason is not dismissed; it is given a guide.

★ HADITH

تَرَكْتُ فِيكُمْ أَمْرَيْنِ لَنْ تَضِلُّوا مَا تَمَسَّكْتُمْ بِهِمَا: كِتَابَ اللَّهِ وَسُنَّةَ نَبِيِّهِ

“I have left among you two things; you will never go astray as long as you hold fast to them: the Book of Allah and the Sunnah of His Prophet.” (Muwatta Imam Malik)

→ Wahi is **the guarantee against going astray**.

Why this answer scores

- It **argues**, as commanded: a thesis in the introduction, three groups of proofs (nature, scope, history), and an answer to the objection that Islam rejects reason.
- It is **fair** to the other sources — which makes the case for Wahi more convincing.
- Its examples (alcohol, the 2008 crisis, racism) make the argument **concrete and modern**.

Answer 4 · Tauheed and Its Impact on the Individual and Society (CSS 2019)

THE QUESTION · CSS 2019 · Q2 · 20 marks

Define Tauheed. What is its impact on individual life and the society? Elaborate.

Three limbs: define · individual · society.

Figure 7 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- **'Define'** — literal meaning, technical meaning, and the evidence; add the kinds, because a definition of Tauheed is incomplete without them.
- **'Impact on individual life'** and **'the society'** — two separate headed sections of roughly equal weight, each with 6–8 sub-headings.
- **'Elaborate'** — each impact must be explained and proved, not listed.

The model answer

(1) Introduction

✦ QURAN

﴿قُلْ هُوَ اللَّهُ أَحَدٌ ۝ اللَّهُ الصَّمَدُ ۝ لَمْ يَلِدْ وَلَمْ يُولَدْ ۝ وَلَمْ يَكُنْ لَهُ كُفُوًا أَحَدٌ﴾

"Say, 'He is Allah, [who is] One. Allah, the Eternal Refuge. He neither begets nor is born. Nor is there to Him any equivalent.'" (Al-Ikhlās, Quran)

→ 'Say: He is Allah, the One; Allah, the Eternal Refuge; He neither begets nor is born; nor is there to Him any equivalent.'

Tauheed is the first article of faith, the first words a Muslim hears at birth and the last he hopes to say at death. It is the message of every Prophet and the foundation of the whole Din. But Tauheed is not only a belief about God; it is a belief about **man** and **society**. When a person accepts that there is no god but Allah, he is freed from every false master, and when a society accepts it, no human being can claim to be its god. This answer defines Tauheed and then shows its impact on the individual and on society.

(2) Definition of Tauheed

(i) Literal meaning

Tauheed comes from *wahhada* — **to make one, to declare one**.

(ii) Technical meaning

Tauheed is **the belief that Allah is One in His essence, His attributes, His lordship and His right to worship, without partner, equal or rival** — and living according to that belief.

(iii) The Kalimah: negation and affirmation

'La ilaha illallah' first **negates** every false god (*la ilaha*) and then **affirms** Allah alone (*illallah*). Tauheed begins with freedom from everything else.

(3) Tauheed in the Quran and Sunnah

✦ QURAN

﴿وَمَا أَرْسَلْنَا مِنْ قَبْلِكَ مِنْ رَسُولٍ إِلَّا نُوحِي إِلَيْهِ أَنَّهُ لَا إِلَهَ إِلَّا أَنَا فَاعْبُدُونِ﴾

"And We sent not before you any messenger except that We revealed to him that, 'There is no deity except Me, so worship Me.'" (Al-Anbiya, Quran)

→ Every messenger was told: **there is no god but Me, so worship Me** — Tauheed is the common message of all Prophets.

✦ HADITH

حَقُّ اللَّهِ عَلَى الْعِبَادِ أَنْ يَعْبُدُوهُ وَلَا يُشْرِكُوا بِهِ شَيْئًا

"The right of Allah upon His servants is that they worship Him and associate nothing with Him." (Al-Bukhari and Muslim)

→ Tauheed is **the first right of Allah** over mankind.

(4) Kinds of Tauheed

Figure 8 · The three kinds of Tauheed.

(i) Tauheed al-Rububiyyah — Oneness of Lordship

Allah alone creates, owns, sustains and controls everything (Az-Zumar: 'Allah is the Creator of all things').

(ii) Tauheed al-Uluhiyyah — Oneness of Worship

Allah alone deserves worship, obedience, trust and love (Al-Fatihah: 'You alone we worship').

(iii) Tauheed al-Asma wal-Sifat — Oneness of Names and Attributes

His names and attributes are unique; nothing resembles Him (Ash-Shura: 'There is nothing like unto Him').

(5) Impact of Tauheed on individual life

(i) Dignity and self-respect

A believer bows to no king, no rich man, no idol — only to Allah.

✦ SCHOLARLY VIEW

Allama Muhammad Iqbal · Zarb-e-Kalim

In the couplet *'Yeh ek sajda jise tu giran samajhta hai, hazar sajdon se deta hai admi ko najat'*, Iqbal says that the one prostration to Allah which man finds heavy frees him from a thousand prostrations to others.

→ **Tauheed is liberation** of the human spirit.

- **(a) Example:** Hazrat Bilal (RA), a tortured slave, answered his master with 'Ahad, Ahad' — One, One.

(ii) Courage and fearlessness

★ HADITH

وَأَعْلَمَ أَنَّ الْأُمَّةَ لَوِ اجْتَمَعَتْ عَلَى أَنْ يَنْفَعُوكَ بِشَيْءٍ لَمْ يَنْفَعُوكَ إِلَّا بِشَيْءٍ قَدْ كَتَبَهُ اللَّهُ لَكَ، وَلَوْ اجْتَمَعُوا عَلَى أَنْ يَضُرُّوكَ بِشَيْءٍ لَمْ يَضُرُّوكَ إِلَّا بِشَيْءٍ قَدْ كَتَبَهُ اللَّهُ عَلَيْكَ

"If the whole world gathered to benefit you, they could benefit you only with what Allah has written for you; and if they gathered to harm you, they could harm you only with what Allah has written against you." (Al-Tirmidhi)

→ The believer in Tauheed **fears no one but Allah**.

(iii) Peace of heart and contentment

★ QURAN

﴿الَّذِينَ ءَامَنُوا وَلَمْ يَلْبِسُوا إِيمَانَهُمْ بِظُلْمٍ أُولَٰئِكَ لَهُمُ الْأَمْنُ وَهُمْ مُهْتَدُونَ﴾

"They who believe and do not mix their belief with injustice - those will have security, and they are [rightly] guided." (Al-An'am, Quran)

→ Those who believe and do not mix their belief with injustice — **theirs is security**, and they are rightly guided.

(iv) Humility without servility

He knows everything he has is a gift; so he is humble with people, but never servile before power (Al-Isra: 'do not walk on the earth exultantly').

(v) Accountability and moral discipline

★ QURAN

﴿... وَهُوَ مَعَكُمْ أَيْنَ مَا كُنْتُمْ وَاللَّهُ بِمَا تَعْمَلُونَ بَصِيرٌ﴾

"And He is with you wherever you are; and Allah sees what you do." (Al-Hadid, Quran)

→ **He is with you wherever you are** — the belief that keeps a person honest in private.

(vi) A broad and universal outlook

Allah is 'Lord of all the worlds' (Al-Fatihah), not of one race; the believer's sympathy is universal.

(vii) Hope and freedom from despair

★ QURAN

﴿قُلْ يُعْبَادِي الَّذِينَ أَسْرَفُوا عَلَىٰ أَنْفُسِهِمْ لَا تَقْنَطُوا مِنْ رَحْمَةِ اللَّهِ إِنَّ اللَّهَ يَغْفِرُ الذُّنُوبَ جَمِيعًا إِنَّهُ هُوَ الْغَفُورُ الرَّحِيمُ﴾

"Say, "O My servants who have transgressed against themselves [by sinning], do not despair of the mercy of Allah. Indeed, Allah forgives all sins. Indeed, it is He who is the Forgiving, the Merciful." (Az-Zumar, Quran)

→ **'Do not despair of the mercy of Allah'** — Tauheed closes the door to hopelessness.

(viii) Effort with trust

✦ HADITH

اعْقِلْهَا وَتَوَكَّلْ

“Tie it, and then trust [in Allah].” (Al-Tirmidhi)

→ Tauheed produces **hard work with trust**, not passive fatalism.

(6) Impact of Tauheed on society

Figure 9 · The impact of Tauheed on the individual and on society.

(i) Equality and brotherhood

✦ QURAN

﴿يَا أَيُّهَا النَّاسُ اتَّقُوا رَبَّكُمُ الَّذِي خَلَقَكُمْ مِنْ نَفْسٍ وَاحِدَةٍ وَخَلَقَ مِنْهَا زَوْجَهَا وَبَثَّ مِنْهُمَا رِجَالًا كَثِيرًا وَنِسَاءً
وَاتَّقُوا اللَّهَ الَّذِي تَسَاءَلُونَ بِهِ وَالْأَرْحَامَ إِنَّ اللَّهَ كَانَ عَلَيْكُمْ رَقِيبًا﴾

“O mankind, fear your Lord, who created you from one soul and created from it its mate and dispersed from both of them many men and women. And fear Allah, through whom you ask one another, and the wombs. Indeed Allah is ever, over you, an Observer.” (An-Nisa, Quran)

→ All mankind was created **from one soul** — one Lord, one origin, one family.

✦ SCHOLARLY VIEW

Allama Muhammad Iqbal · The Reconstruction of Religious Thought in Islam

“The essence of Tawhid as a working idea is equality, solidarity, and freedom.”

→ Tauheed is a **social principle**.

(ii) Justice and the rule of law

✦ HADITH

وَأَيْمُ اللَّهِ لَوْ أَنَّ فَاطِمَةَ بِنْتَ مُحَمَّدٍ سَرَقَتْ لَقَطَعْتُ يَدَهَا

“By Allah, if Fatimah the daughter of Muhammad were to steal, I would cut off her hand.” (Al-Bukhari and Muslim)

→ Under Tauheed **no one is above the law**.

(iii) Freedom from tyranny and exploitation

✦ QURAN

﴿قُلْ يَا أَهْلَ الْكِتَابِ تَعَالَوْا إِلَى كَلِمَةٍ سَوَاءٍ بَيْنَنَا وَبَيْنَكُمْ أَلَّا نَعْبُدَ إِلَّا اللَّهَ وَلَا نُشْرِكَ بِهِ شَيْئًا وَلَا يَتَّخِذَ بَعْضُنَا بَعْضًا أَرْبَابًا مِّنْ دُونِ اللَّهِ...﴾

“Say: O People of the Scripture, come to a word common between us and you: that we worship none but Allah, associate nothing with Him, and that none of us take others as lords besides Allah.” (Aal-e-Imran, Quran)

→ ‘... that **none of us take others as lords besides Allah**’ — no human being may claim absolute obedience.

- **(a) Example:** Rib'i ibn Amir (RA) told the Persian commander Rustam that Muslims had come to bring people 'from the worship of servants to the worship of the Lord of servants'.

(iv) Unity of the Ummah

✦ QURAN

﴿إِنَّ هَذِهِ أُمَّتُكُمْ أُمَّةً وَاحِدَةً وَأَنَا رَبُّكُمْ فَاعْبُدُونِ﴾

“Indeed this, your religion, is one religion, and I am your Lord, so worship Me.” (Al-Anbiya, Quran)

→ 'This, your Ummah, is **one Ummah**, and I am your Lord.'

(v) Cooperation and welfare

✦ QURAN

﴿... وَتَعَاوَنُوا عَلَى الْبِرِّ وَالتَّقْوَىٰ وَلَا تَعَاوَنُوا عَلَى الْإِثْمِ وَالْعُدْوَانِ...﴾

“Cooperate in righteousness and piety, and do not cooperate in sin and aggression.” (Al-Ma'idah, Quran)

→ Cooperate **in righteousness and piety**, not in sin and aggression.

(vi) Moral order and peace

A society that believes Allah sees every act needs fewer police and prisons; honesty and trust become social habits.

(7) Shirk and the modern idols

✦ QURAN

﴿وَإِذْ قَالَ لُقْمَنُ لِبَنِيهِ ۖ وَهُوَ يَعِظُهُ يَبْنِي لَا تُشْرِكْ بِاللَّهِ إِنَّ الشِّرْكَ لَظُلْمٌ عَظِيمٌ﴾

“And [mention, O Muhammad], when Luqman said to his son while he was instructing him, “O my son, do not associate [anything] with Allah. Indeed, association [with him] is great injustice.” (Luqman, Quran)

→ ‘Shirk is a great injustice’ — to Allah’s right and to man’s dignity.

Today’s idols are wealth, power, the ego and desire; the Quran warns of the one who ‘takes his desire as his god’ (Al-Furqan). A materialist society that worships consumption is suffering from a modern form of shirk — and Tauheed is its cure.

PAKISTAN ANGLE

The **Objectives Resolution (Article 2A)** begins: ‘Sovereignty over the entire Universe belongs to Allah Almighty alone’ — Tauheed of sovereignty as the foundation of Pakistan’s constitution.

(8) Conclusion

Tauheed is the root from which the whole tree of Islam grows. In the individual it produces dignity, courage, peace, accountability and hope; in society it produces equality, justice, freedom and unity. It is the charter of human liberation: one prostration to Allah that frees man from all others.

✦ HADITH

قُلْ آمَنْتُ بِاللَّهِ، ثُمَّ اسْتَقِمَّ

“Say: ‘I believe in Allah’, and then stand firm.” (Muslim)

→ Tauheed is **belief followed by steadfast living** — the whole answer in four words.

Why this answer scores

- The **definition** is complete (literal, technical, Kalimah, kinds).
- **Eight individual and six social impacts**, each with a heading and evidence — ‘elaborate’ is fulfilled.
- **Two figures**, Iqbal twice, and the constitutional link show depth and application.

Answer 5 · Rational Arguments for the Existence of Allah; the Impact of Monotheism (CSS 2026)

THE QUESTION · CSS 2026 · Q5 · 20 marks

What are the rational arguments for the existence of Allah? Explain the impacts of the belief in monotheism on human life.

Two limbs: arguments (reason) · impact (life).

Figure 10 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- '**Rational arguments**' — the examiner wants **reason**, not only scripture. Present each argument logically (premises → conclusion), then show that the Quran makes the same argument.
- '**Existence of Allah**' — include the argument for **oneness** as well: the question later says 'monotheism'.
- '**Impacts ... on human life**' — broader than 'individual and society': cover the inner life, conduct and social life.

The model answer

(1) Introduction

★ QURAN

﴿إِنَّ فِي خَلْقِ السَّمُوتِ وَالْأَرْضِ وَاخْتِلَافِ اللَّيْلِ وَالنَّهَارِ لَآيَاتٍ لِّأُولِي الْأَلْبَابِ ۚ الَّذِينَ يَذْكُرُونَ اللَّهَ قِيَمًا وَفَعُودًا وَعَلَىٰ جُنُوبِهِمْ وَيَتَفَكَّرُونَ فِي خَلْقِ السَّمُوتِ وَالْأَرْضِ رَبَّنَا مَا خَلَقْتَ هَذَا بَطْلًا سُبْحَنَكَ فَقِنَا عَذَابَ النَّارِ﴾

"Indeed, in the creation of the heavens and the earth and the alternation of the night and the day are signs for those of understanding. Who remember Allah while standing or sitting or [lying] on their sides and give thought to the creation of the heavens and the earth, [saying], 'Our Lord, You did not create this aimlessly; exalted are You [above such a thing]; then protect us from the punishment of the Fire.'" (Aal-e-Imran, Quran)

→ In the creation of the heavens and the earth and the alternation of night and day are **signs for people of understanding**, who remember Allah and **reflect** on the creation.

The Quran does not ask man to believe in God blindly. It invites him to look, think and reason — and it gives him arguments that philosophers still discuss. The question of God's existence is the most important question a human being can ask, because everything else — morality, purpose, hope — depends on the answer. This answer sets out the main rational arguments for the existence and oneness of Allah, and then explains how belief in monotheism transforms human life.

(2) Why rational arguments matter in Islam

(i) The Quran argues

The Quran repeatedly asks: 'Do you not reason?', 'Do you not reflect?', 'Do they not look?'

(ii) The scholars argued

★ SCHOLARLY VIEW

Imam Abu Hanifa · a well-known story told of the Imam

Challenged by atheists, the Imam asked what they would say of a ship that loaded its cargo, crossed stormy seas and reached port with no captain. When they called it impossible, he replied that if a ship cannot run itself, the universe cannot run itself without a Creator.

→ The founder of the Hanafi school used **reason** to defend faith.

Figure 11 · The six rational arguments for the existence and oneness of Allah.

(3) The argument from creation (cosmological)

(i) The argument

Premise 1: Everything that begins to exist has a cause. Premise 2: The universe began to exist.

Conclusion: The universe has a cause — an uncreated Creator.

✦ QURAN

﴿أَمْ خُلِقُوا مِنْ غَيْرِ شَيْءٍ أَمْ هُمُ الْخَالِقُونَ ۖ أَمْ خَلَقُوا السَّمَوَاتِ وَالْأَرْضَ بَلْ لَا يُقِينُونَ﴾

"Or were they created by nothing, or were they the creators [of themselves]. Or did they create the heavens and the earth? Rather, they are not certain." (At-Tur, Quran)

→ Were they created **by nothing**, or were they the creators of themselves? Or did they create the heavens and the earth?

(ii) Its history and support

✦ SCHOLARLY VIEW

Imam Al-Ghazali · Al-Iqtisad fi al-I'tiqad

Ghazali set out the argument in its classic form — whatever comes into being has a cause; the world came into being; so it has a cause — and it is still known in Western philosophy as the '**Kalam cosmological argument**'.

→ A Muslim argument still taught in universities worldwide.

Modern cosmology agrees that the universe had a **beginning**; a universe with a beginning cannot be its own cause.

(4) The argument from design and fine-tuning (teleological)

(i) The argument

The universe shows precise order and fine-tuning: the constants of nature, the position of the earth, the balance of the atmosphere, the information coded in DNA. Order of this kind points to a wise Designer, not to chance.

✦ QURAN

﴿الَّذِي خَلَقَ سَبْعَ سَمَوَاتٍ طِبَاقًا مَّا تَرَىٰ فِي خَلْقِ الرَّحْمَنِ مِن تَفَوُّتٍ فَارْجِعِ الْبَصَرَ هَلْ تَرَىٰ مِن فُطُورٍ
ثُمَّ ارْجِعِ الْبَصَرَ كَرَّتَيْنِ يَنقَلِبْ إِلَيْكَ الْبَصَرُ خَاسِئًا وَهُوَ حَسِيرٌ﴾

“[And] who created seven heavens in layers. You do not see in the creation of the Most Merciful any inconsistency. So return [your] vision [to the sky]; do you see any breaks. Then return [your] vision twice again. [Your] vision will return to you humbled while it is fatigued.” (Al-Mulk, Quran)

→ You do not see **any flaw** in the creation of the Most Merciful. Look again: do you see any rift?

✦ QURAN

﴿الَّذِي لَهُ مُلْكُ السَّمَوَاتِ وَالْأَرْضِ وَلَمْ يَتَّخِذْ وَلَدًا وَلَمْ يَكُن لَّهُ شَرِيكٌ فِي الْمُلْكِ وَخَلَقَ كُلَّ شَيْءٍ فَقَدَرَهُ
تَقْدِيرًا﴾

“He to whom belongs the dominion of the heavens and the earth and who has not taken a son and has not had a partner in dominion and has created each thing and determined it with [precise] determination.” (Al-Furqan, Quran)

→ He created everything and **determined it with precise measure**.

(ii) A modern witness

The British philosopher **Antony Flew**, a leading atheist for fifty years, announced in 2004 that the complexity of DNA and the fine-tuning of the universe had led him to accept an intelligent Creator (*There Is a God*, 2007).

(5) The argument from the unity of order — for one God

One consistent law runs through the whole universe. **One order implies one Lord**: two independent gods would mean two wills and chaos.

✦ QURAN

﴿لَوْ كَانَ فِيهِمَا آلِهَةٌ إِلَّا اللَّهُ لَفَسَدَتَا فَسُبْحَانَ اللَّهِ رَبِّ الْعَرْشِ عَمَّا يَصِفُونَ﴾

“Had there been within the heavens and earth gods besides Allah, they both would have been ruined. So exalted is Allah, Lord of the Throne, above what they describe.” (Al-Anbiya, Quran)

→ Had there been gods besides Allah in the heavens and earth, **both would have been ruined**.

(6) The argument from the fitrah

Belief in a Creator is found in every culture and rises to the surface in danger, even in those who deny Him.

✦ QURAN

﴿وَإِذْ أَخَذَ رَبُّكَ مِنْ بَنِي آدَمَ مِنْ ظُهُورِهِمْ ذُرِّيَّتَهُمْ وَأَشْهَدَهُمْ عَلَى أَنْفُسِهِمْ أَلَسْتُ بِرَبِّكُمْ قَالُوا بَلَى شَهِدْنَا أَنْ تَقُولُوا يَوْمَ الْقِيَمَةِ إِنَّا كُنَّا عَنْ هَذَا غَافِلِينَ﴾

"And [mention] when your Lord took from the children of Adam - from their loins - their descendants and made them testify of themselves, [saying to them], "Am I not your Lord?" They said, "Yes, we have testified." [This] - lest you should say on the day of Resurrection, "Indeed, we were of this unaware." (Al-A'raf, Quran)

→ The covenant of the souls: 'Am I not your Lord?' They said: 'Yes.'

✦ QURAN

﴿فَإِذَا رَكِبُوا فِي الْفُلِكِ دَعَوْا اللَّهَ مُخْلِصِينَ لَهُ الدِّينَ فَلَمَّا نَجَّيَهُمْ إِلَى الْبَرِّ إِذَا هُمْ يُشْرِكُونَ﴾

"And when they board a ship, they supplicate Allah, sincere to Him in religion. But when He delivers them to the land, at once they associate others with Him." (Al-Ankabut, Quran)

→ In a storm at sea, they call upon Allah **sincerely** — the fitrah speaks.

(7) The moral argument and the argument from the self

(i) Objective morality needs a Law-giver

All people know that some acts — torturing the innocent — are **truly** evil. If morality were only custom or evolution, nothing would be truly evil. Objective moral law points to a Moral Law-giver.

✦ QURAN

﴿وَنَفْسٍ وَمَا سَوَّاهَا ۖ فَأَلْهَمَهَا فُجُورَهَا وَتَقْوَاهَا ۖ﴾

"And [by] the soul and He who proportioned it. And inspired it [with discernment of] its wickedness and its righteousness." (Ash-Shams, Quran)

→ By the soul and Him who proportioned it, and **inspired it with its wickedness and its righteousness**.

(ii) Life and consciousness

Thought, love and conscience cannot be explained as products of blind matter.

✦ QURAN

﴿وَفِي الْأَرْضِ آيَاتٌ لِلْمُوقِنِينَ ۖ وَفِي أَنْفُسِكُمْ أَفَلَا تُبْصِرُونَ﴾

"And on the earth are signs for the certain [in faith]. And in yourselves. Then will you not see." (Adh-Dhariyat, Quran)

→ On the earth are signs, **and in yourselves** — do you not see?

(8) The impact of belief in monotheism on human life

(i) On the inner life

- **(a) Dignity:** the believer bows to no creature (Iqbal: 'one prostration frees from a thousand').
- **(b) Peace:** 'in the remembrance of Allah hearts find rest' (Ar-Ra'd).
- **(c) Hope:** 'do not despair of the mercy of Allah' (Az-Zumar).

- **(d) Courage:** 'Allah is sufficient for us' (Aal-e-Imran).

(ii) On conduct

- **(a) Accountability:** 'He is with you wherever you are' (Al-Hadid).
- **(b) Sincerity:** actions done for Allah, not for show — *riya* is 'minor shirk' (Musnad Ahmad).
- **(c) Balance:** effort with trust — 'tie your camel, then trust' (Al-Tirmidhi).

(iii) On society

- **(a) Equality:** 'the most honoured of you is the most righteous' (Al-Hujurat).
- **(b) Justice:** no one above the law — the Fatimah hadith (Al-Bukhari and Muslim).
- **(c) Freedom:** 'none of us take others as lords besides Allah' (Aal-e-Imran).
- **(d) Unity:** 'this, your Ummah, is one Ummah' (Al-Anbiya).

★ SCHOLARLY VIEW

Allama Muhammad Iqbal · The Reconstruction of Religious Thought in Islam

"The essence of Tawhid as a working idea is equality, solidarity, and freedom."

→ Monotheism's impact on **human life** in one line.

HOT DEBATE · THE 'PROBLEM OF EVIL'

A modern examiner may expect you to address the commonest objection: *why does a good God allow suffering?* Answer briefly: life is a **test** (Al-Mulk); much suffering is **man-made** through free will (Ar-Rum: 'corruption has appeared ... because of what men's hands have earned'); and the **Hereafter** completes justice.

(9) Conclusion

Reason, rightly used, leads to Allah: a universe that began needs a Creator; a universe of precise order needs a Designer; a single law needs a single Lawgiver; the fitrah, the conscience and the mind all point beyond matter. Belief in this One God then remakes human life — giving it dignity, peace, accountability, equality and freedom. The Quran's summary remains the best:

★ QURAN

﴿قُلْ هُوَ اللَّهُ أَحَدٌ ۝ اللَّهُ الصَّمَدُ ۝ لَمْ يَلِدْ وَلَمْ يُولَدْ ۝ وَلَمْ يَكُنْ لَهُ كُفُوًا أَحَدٌ﴾

"Say, 'He is Allah, [who is] One. Allah, the Eternal Refuge. He neither begets nor is born. Nor is there to Him any equivalent.'" (Al-Ikhlās, Quran)

→ 'Say: He is Allah, the One ...' — the conclusion of reason and the beginning of faith.

Why this answer scores

- Each argument is stated **rationally** (premise → conclusion) and **then** matched with the Quran — exactly what 'rational arguments' demands.
- It includes **oneness**, anticipating 'monotheism' in the second limb.
- Modern witnesses (**Flew**, cosmology) and a classical one (**Ghazali, Abu Hanifa**) balance the answer; the problem of evil is answered briefly.

Answer 6 · The Doctrine of Prophethood and Its Importance in Human Life (CSS 2022 and 2024)

THE QUESTION · CSS 2022 · Q5 and CSS 2024 · Q4 (repeated word for word) · 20 marks

Explain the doctrine of Prophethood and its importance in human life.

Doctrine (what we believe) · importance (why it matters).

Figure 12 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- **'Explain the doctrine'** — what a Muslim believes about Prophethood: its meaning, the nature of Prophets, their functions and qualities, and the finality.

- **'Its importance in human life'** — why humanity needs Prophethood: in belief, worship, morality, law, society, civilization and the Hereafter.
- Asked **twice in three years** — a certain favourite. Give both limbs full weight.

The model answer

(1) Introduction

✦ QURAN

﴿لَقَدْ كَانَ لَكُمْ فِي رَسُولِ اللَّهِ أُسْوَةٌ حَسَنَةٌ لِّمَن كَانَ يَرْجُوا اللَّهَ وَالْيَوْمَ الْآخِرَ وَذَكَرَ اللَّهَ كَثِيرًا﴾

"There has certainly been for you in the Messenger of Allah an excellent pattern for anyone whose hope is in Allah and the Last Day and [who] remembers Allah often." (Al-Ahzab, Quran)

→ 'There has certainly been for you in the Messenger of Allah **an excellent pattern** for anyone whose hope is in Allah and the Last Day.'

Allah did not leave mankind to find its way by guesswork. From Adam to Muhammad ﷺ, He chose human beings to receive His guidance, live it and teach it. This is **Risalat** — Prophethood — the second article of faith after Tawhid. Without it, we would know that God exists but not what He wants; we would have values without a model and laws without authority. This answer explains the Islamic doctrine of Prophethood and then shows its importance in every department of human life.

(2) The meaning of Nubuwwah and Risalah

(i) Nabi

From **naba'** ('great news'): one who receives and conveys news from Allah.

(ii) Rasul

From **irsal** ('sending'): one sent with a message, usually a new Shariah or Book.

(iii) The difference and the number

Every Rasul is a Nabi, but not every Nabi is a Rasul. Twenty-five Prophets are named in the Quran; a narration in Musnad Ahmad speaks of about 124,000.

✦ QURAN

﴿إِنَّا أَرْسَلْنَاكَ بِالْحَقِّ بَشِيرًا وَنَذِيرًا وَإِن مِّنْ أُمَّةٍ إِلَّا خَلَا فِيهَا نَذِيرٌ﴾

"Indeed, We have sent you with the truth as a bringer of good tidings and a warner. And there was no nation but that there had passed within it a warner." (Fatir, Quran)

→ There was **no nation but that a warner had passed among them**.

(3) The doctrine: what a Muslim believes about the Prophets

(i) Prophethood is chosen by Allah, not earned

✦ QURAN

﴿... اللَّهُ أَعْلَمُ حَيْثُ يَجْعَلُ رِسَالَتَهُ...﴾

"Allah knows best where to place His message." (Al-An'am, Quran)

→ 'Allah knows best where to place His message.'

(ii) The Prophets are human beings

✦ QURAN

﴿قُلْ إِنَّمَا أَنَا بَشَرٌ مِّثْلُكُمْ يُوحَىٰ إِلَيَّ أَنَّمَا إِلَهُكُمُ إِلَهٌ وَحِدٌ ۖ فَمَن كَانَ يَرْجُوا لِقَاءَ رَبِّهِ ۖ فَلْيَعْمَلْ عَمَلًا صَالِحًا وَلَا يُشْرِكْ بِعِبَادَةِ رَبِّهِ ۚ أَحَدًا﴾

"Say, "I am only a man like you, to whom has been revealed that your god is one God. So whoever would hope for the meeting with his Lord - let him do righteous work and not associate in the worship of his Lord anyone." (Al-Kahf, Quran)

→ 'Say: I am only a man like you, to whom it has been revealed that your God is one God.'

(iii) The Prophets are protected from sin (ismah)

So that their example can be followed without fear of error.

(iv) They convey the message completely

✦ QURAN

﴿يَا أَيُّهَا الرَّسُولُ بَلِّغْ مَا أُنْزِلَ إِلَيْكَ مِنْ رَبِّكَ ۚ وَإِنْ لَّمْ تَفْعَلْ فَمَا بَلَّغْتَ رِسَالَتَهُ ۚ وَاللَّهُ يَعْصِمُكَ مِنَ النَّاسِ ۚ إِنَّ اللَّهَ لَا يَهْدِي الْقَوْمَ الْكَافِرِينَ﴾

"O Messenger, announce that which has been revealed to you from your Lord, and if you do not, then you have not conveyed His message. And Allah will protect you from the people. Indeed, Allah does not guide the disbelieving people." (Al-Ma'idah, Quran)

→ 'O Messenger, convey what has been revealed to you.'

(v) Belief in all of them is required

✦ QURAN

﴿ءَاَمَنَ الرَّسُولُ بِمَا أُنْزِلَ إِلَيْهِ مِنْ رَبِّهِ ۚ وَالْمُؤْمِنُونَ كُلٌّ ءَاَمَنَ بِاللَّهِ وَمَلَائِكَتِهِ ۚ وَكُتُبِهِ ۚ وَرُسُلِهِ ۚ لَا نُفَرِّقُ بَيْنَ أَحَدٍ مِّنْ رُّسُلِهِ ۚ وَقَالُوا سَمِعْنَا وَأَطَعْنَا ۚ غُفْرَانِكَ رَبَّنَا وَإِلَيْكَ الْمَصِيرُ﴾

"The Messenger has believed in what was revealed to him from his Lord, and [so have] the believers. All of them have believed in Allah and His angels and His books and His messengers, [saying], "We make no distinction between any of His messengers." And they say, "We hear and we obey. [We seek] Your forgiveness, our Lord, and to You is the [final] destination." (Al-Baqarah, Quran)

→ 'We make no distinction between any of His messengers.'

(vi) They are supported by miracles

The staff of Musa (AS), the healing of Isa (AS) — and the **Quran**, the lasting miracle of the last Prophet ﷺ.

(vii) Their qualities

Sidq (truthfulness), **amanah** (trustworthiness), **tabligh** (conveying), **fatanah** (wisdom). The Prophet ﷺ was called **al-Sadiq al-Amin** by his opponents.

(4) The need for Prophethood

Figure 13 · Why mankind needs Prophets.

(i) Reason cannot find Allah's will

Reason may reach the existence of God, but not how He is to be worshipped or what He has made lawful.

(ii) Man needs a living model

✦ SCHOLARLY VIEW

Syed Sulaiman Nadvi · Khutbat-e-Madras (1925)

Nadvi argues that a universal model must be historical, comprehensive, complete and practical — and that only the life of the Prophet Muhammad ﷺ meets all four conditions.

→ Why guidance needed a **human model**, not only a book.

(iii) Justice needs a revealed standard

✦ QURAN

﴿لَقَدْ أَرْسَلْنَا رُسُلَنَا بِالْبَيِّنَاتِ وَأَنْزَلْنَا مَعَهُمُ الْكِتَابَ وَالْمِيزَانَ لِيَقُومَ النَّاسُ بِالْقِسْطِ وَأَنْزَلْنَا الْحَدِيدَ فِيهِ بَأْسٌ شَدِيدٌ وَمَنْفَعٌ لِلنَّاسِ وَلِيَعْلَمَ اللَّهُ مَنْ يَنْصُرُهُ وَرُسُلَهُ بِالْغَيْبِ إِنَّ اللَّهَ قَوِيٌّ عَزِيزٌ﴾

"We have already sent Our messengers with clear evidences and sent down with them the Scripture and the balance that the people may maintain [their affairs] in justice. And We sent down iron, wherein is great military might and benefits for the people, and so that Allah may make evident those who support Him and His messengers unseen. Indeed, Allah is Powerful and Exalted in Might." (Al-Hadid, Quran)

→ Messengers were sent with **the Book and the Balance** so that people may uphold justice.

(iv) No one may plead ignorance

✦ QURAN

﴿رُسُلًا مُّبَشِّرِينَ وَمُنذِرِينَ لِئَلَّا يَكُونَ لِلنَّاسِ عَلَى اللَّهِ حُجَّةٌ بَعْدَ الرُّسُلِ وَكَانَ اللَّهُ عَزِيزًا حَكِيمًا﴾

"[We sent] messengers as bringers of good tidings and warners so that mankind will have no argument against Allah after the messengers. And ever is Allah Exalted in Might and Wise." (An-Nisa, Quran)

→ Messengers were sent **so that mankind will have no argument against Allah.**

(5) The functions of the Prophets

✦ QURAN

﴿هُوَ الَّذِي بَعَثَ فِي الْأُمِّيِّينَ رَسُولًا مِّنْهُمْ يَتْلُو عَلَيْهِمْ آيَاتِهِ وَيُزَكِّيهِمْ وَيُعَلِّمُهُمُ الْكِتَابَ وَالْحِكْمَةَ وَإِنْ كَانُوا مِن قَبْلُ لَفِي ضَلَالٍ مُّبِينٍ﴾

"It is He who has sent among the unlettered a Messenger from themselves reciting to them His verses and purifying them and teaching them the Book and wisdom - although they were before in clear error." (Al-Jumu'ah, Quran)

→ He sent a Messenger **reciting His verses, purifying them, and teaching them the Book and wisdom.**

- (a) **Tilawah:** conveying the revelation exactly.
- (b) **Tazkiyah:** purifying hearts and habits.
- (c) **Ta'lim al-Kitab:** teaching the meaning and law of the Book.
- (d) **Hikmah:** showing how to apply it — the Sunnah.

(6) The importance of Prophethood in human life**(i) In belief — the door to the knowledge of Allah**

All that we know of Allah's names, His angels, His Books and the Hereafter reaches us only through the Prophets.

(ii) In worship — the method

✦ HADITH

صَلُّوا كَمَا رَأَيْتُمُونِي أُصَلِّي

"Pray as you have seen me praying." (Al-Bukhari)

→ Worship is learned from the Prophet; without him no one would know how to pray.

(iii) In morality — the standard

✦ QURAN

﴿وَإِنَّكَ لَعَلَىٰ خُلُقٍ عَظِيمٍ﴾

"And indeed, you are of a great moral character." (Al-Qalam, Quran)

→ 'You are truly of **an exalted character.**'

★ HADITH

لَا يُؤْمِنُ أَحَدُكُمْ حَتَّىٰ أَكُونَ أَحَبَّ إِلَيْهِ مِنْ وَالِدِهِ وَوَلَدِهِ وَالنَّاسِ أَجْمَعِينَ

"None of you truly believes until I am more beloved to him than his father, his child and all people." (Al-Bukhari and Muslim)

→ Love of the Prophet ﷺ turns his example into **the motive** of a believer's conduct.

(iv) In law and society — the authority

★ QURAN

﴿مَنْ يُطِيعِ الرَّسُولَ فَقَدْ أَطَاعَ اللَّهَ وَمَنْ تَوَلَّىٰ فَمَا أَرْسَلْنَاكَ عَلَيْهِمْ حَفِيظًا﴾

"He who obeys the Messenger has obeyed Allah; but those who turn away - We have not sent you over them as a guardian." (An-Nisa, Quran)

→ 'Whoever obeys the Messenger has obeyed Allah.'

★ QURAN

﴿فَلَا وَرَبِّكَ لَا يُؤْمِنُونَ حَتَّىٰ يُحَكِّمُوكَ فِيمَا شَجَرَ بَيْنَهُمْ ثُمَّ لَا يَجِدُوا فِي أَنْفُسِهِمْ حَرَجًا مِّمَّا قَضَيْتَ وَيُسَلِّمُوا تَسْلِيمًا﴾

"But no, by your Lord, they will not [truly] believe until they make you, [O Muhammad], judge concerning that over which they dispute among themselves and then find within themselves no discomfort from what you have judged and submit in [full, willing] submission." (An-Nisa, Quran)

→ They do not truly believe **until they make you judge** in their disputes.

(v) In civilization — the founders of just societies

Every moral civilization began with a Prophet. In ten years, the Prophet ﷺ founded in Madinah a state with a written charter, courts, a treasury for the poor and a brotherhood across tribes.

★ SCHOLARLY VIEW

Alphonse de Lamartine · Histoire de la Turquie (1854)

"If greatness of purpose, smallness of means, and astonishing results are the three criteria of human genius, who could dare to compare any great man in modern history with Muhammad?"

→ A European historian on the **civilizational impact** of Prophethood.

(vi) In the unity of mankind

All the Prophets taught one Din; a Muslim's belief in all of them builds respect for the whole history of faith.

(vii) In salvation

✦ QURAN

﴿وَمَنْ يُطِيعِ اللَّهَ وَالرَّسُولَ فَأُولَٰئِكَ مَعَ الَّذِينَ أَنْعَمَ اللَّهُ عَلَيْهِمْ مِنَ النَّبِيِّينَ وَالصِّدِّيقِينَ وَالشُّهَدَاءِ وَالصَّالِحِينَ وَحَسُنَ أُولَٰئِكَ رَفِيقًا﴾

“And whoever obeys Allah and the Messenger - those will be with the ones upon whom Allah has bestowed favor of the prophets, the steadfast affirmers of truth, the martyrs and the righteous. And excellent are those as companions.” (An-Nisa, Quran)

→ Whoever obeys Allah and the Messenger will be **with the Prophets, the truthful, the martyrs and the righteous.**

(7) The completion of the doctrine: the Finality of Prophethood

✦ QURAN

﴿مَا كَانَ مُحَمَّدٌ أَبَا أَحَدٍ مِّن رِّجَالِكُمْ وَلَكِن رَّسُولَ اللَّهِ وَخَاتَمَ النَّبِيِّينَ وَكَانَ اللَّهُ بِكُلِّ شَيْءٍ عَلِيمًا﴾

“Muhammad is not the father of [any] one of your men, but [he is] the Messenger of Allah and last of the prophets. And ever is Allah, of all things, Knowing.” (Al-Ahzab, Quran)

→ Muhammad ﷺ is the Messenger of Allah **and the Seal of the Prophets.**

✦ HADITH

فَأَنَا اللَّيْنَةُ، وَأَنَا خَاتَمُ النَّبِيِّينَ

“I am that [last] brick, and I am the seal of the Prophets.” (Al-Bukhari)

→ The building of Prophethood is **complete**; its guidance now continues through the Quran, the Sunnah and the scholars.

PAKISTAN ANGLE

The Constitution protects the doctrine: **Article 260(3)** defines a Muslim as one who believes in the **absolute and unqualified finality** of the Prophethood of Muhammad ﷺ.

(8) Conclusion

Prophethood is Allah's answer to man's deepest need: to know his Lord's will and to see it lived. The Prophets are chosen, human, truthful and protected; they recite, purify, teach and model; and through them belief becomes worship, morality becomes law, and a people becomes a civilization. With the last Prophet ﷺ the doctrine was completed, and his life remains the model for all mankind.

✦ QURAN

﴿وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ﴾

“And We have not sent you, [O Muhammad], except as a mercy to the worlds.” (Al-Anbiya, Quran)

→ 'We have not sent you except **as a mercy to all the worlds.**'

Why this answer scores

- '**Doctrine**' is explained as a set of beliefs (seven points) — not a biography.
- '**Importance**' is organised by the departments of human life, each proved.
- The **finality** section closes the doctrine and anticipates a twist; **Nadvi** and **Lamartine** give scholarly and external weight.

Answer 7 · Faith in Prophethood Requires Faith in Its Finality (CSS 2015)

THE QUESTION · CSS 2015 · Q4 · 16 marks (old scheme)

The entire faith in Prophethood is unacceptable without faith in finality of the Prophethood. Discuss in the light of Quran & Sunnah.

A statement to prove: thesis → evidence → reasoning.

Figure 14 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- A **statement** to be discussed: agree with it and **prove** it.
- '**In the light of Quran & Sunnah**' — the verses and ahadith are the core; add Ijma and rational wisdom as support.
- The heart of the answer is the **logical link**: *why* is faith in Prophethood itself unacceptable without faith in finality? Give this its own section.

The model answer

(1) Introduction

✦ QURAN

﴿مَا كَانَ مُحَمَّدٌ أَبَا أَحَدٍ مِّن رِّجَالِكُمْ وَلَكِن رَّسُولَ اللَّهِ وَخَاتَمَ النَّبِيِّينَ وَكَانَ اللَّهُ بِكُلِّ شَيْءٍ عَلِيمًا﴾

"Muhammad is not the father of [any] one of your men, but [he is] the Messenger of Allah and last of the prophets. And ever is Allah, of all things, Knowing." (Al-Ahzab, Quran)

→ 'Muhammad is not the father of any of your men, but he is the Messenger of Allah **and the Seal of the Prophets**; and Allah has full knowledge of all things.'

Belief in the Prophethood of Muhammad ﷺ is not a belief in a Prophet among many possible Prophets; it is belief in **the last** Prophet, through whom Allah completed His Din. The Quran calls him the Seal of the Prophets, he himself declared that there is no Prophet after him, and the Ummah has agreed on this for fourteen centuries. This answer shows that to accept him as a Prophet while denying his finality is self-contradictory — it rejects the very Quran and Sunnah on which his Prophethood rests.

(2) The meaning of Khatm-e-Nubuwwat

(i) Literal meaning

Khatam is a **seal** — what closes a document; **khatim** is **the one who ends**. Both readings of Al-Ahzab mean **the last**.

(ii) Technical meaning

The belief that **Muhammad ﷺ is the last Prophet and Messenger; no Prophet of any kind will come after him until the Day of Judgement**.

(3) The evidence of the Quran

(i) The explicit text

Al-Ahzab names him **Khatam an-Nabiyyin** — the Seal of the Prophets.

(ii) The completion of the Din

✦ QURAN

﴿...الْيَوْمَ أَكْمَلْتُ لَكُمْ دِينَكُمْ وَأَتَمَمْتُ عَلَيْكُمْ نِعْمَتِي وَرَضِيتُ لَكُمُ الْإِسْلَامَ دِينًا...﴾

"This day I have perfected for you your religion, completed My favour upon you, and approved for you Islam as your way of life." (Al-Ma'idah, Quran)

→ A **perfected** Din needs no further Prophet.

(iii) A Prophet for all mankind

✦ QURAN

﴿قُلْ يَٰأَيُّهَا النَّاسُ إِنِّي رَسُولُ اللَّهِ إِلَيْكُمْ جَمِيعًا...﴾

"Say: O mankind, I am the Messenger of Allah to you all." (Al-A'raf, Quran)

→ 'Say: O mankind, I am the Messenger of Allah **to you all**.'

(iv) Revelation 'before you', never 'after you'

★ QURAN

﴿وَالَّذِينَ يُؤْمِنُونَ بِمَا أُنْزِلَ إِلَيْكَ وَمَا أُنْزِلَ مِنْ قَبْلِكَ وَبِالْآخِرَةِ هُمْ يُوقِنُونَ﴾

"And who believe in what has been revealed to you, [O Muhammad], and what was revealed before you, and of the Hereafter they are certain [in faith]." (Al-Baqarah, Quran)

→ The believers believe in what was revealed **to you** and what was revealed **before you** — the Quran never mentions revelation after him.

(v) The preservation of the message

★ QURAN

﴿إِنَّا نَحْنُ نَزَّلْنَا الذِّكْرَ وَإِنَّا لَهُ لَحَافِظُونَ﴾

"Indeed, it is We who sent down the Qur'an and indeed, We will be its guardian." (Al-Hijr, Quran)

→ 'We have sent down the Reminder, and We will surely guard it.'

(4) The evidence of the Sunnah

(i) The last brick

★ HADITH

إِنَّ مَثَلِي وَمَثَلَ الْأَنْبِيَاءِ مِنْ قَبْلِي كَمَثَلِ رَجُلٍ بَنَى بَيْتًا فَأَحْسَنَهُ وَأَجْمَلَهُ إِلَّا مَوْضِعَ لَبْنَةٍ مِنْ زَاوِيَةٍ، فَجَعَلَ النَّاسُ يَطُوفُونَ بِهِ وَيَعْجَبُونَ لَهُ وَيَقُولُونَ: هَلَّا وُضِعَتْ هَذِهِ اللَّبْنَةُ؟ قَالَ: فَأَنَا اللَّبْنَةُ، وَأَنَا خَاتَمُ النَّبِيِّينَ

"My example and that of the Prophets before me is that of a man who built a fine and beautiful house except for the place of one brick in a corner; people walked around it, admired it and said, 'If only this brick were put in place!' I am that brick, and I am the seal of the Prophets." (Al-Bukhari)

→ The house of Prophethood is **complete**.

ONE DIN (Islam), MANY SHARI'AHs — about 124,000 Prophets; 25 named in the Quran

Figure 15 · The chain of Prophets and the parable of the last brick.

(ii) 'No Prophet after me'

✦ HADITH

أَمَّا تَرْضَى أَنْ تَكُونَ مِنِّي بِمَنْزِلَةِ هَارُونَ مِنْ مُوسَى، إِلَّا أَنَّهُ لَا نَبِيَّ بَعْدِي

“Are you not pleased to be to me as Harun was to Musa — except that there is no Prophet after me?” (Al-Bukhari and Muslim)

→ Not even Hazrat Ali (RA) could share Prophethood.

(iii) The thirty liars

✦ HADITH

وَأَنَّهُ سَيَكُونُ فِي أُمَّتِي كَذَابُونَ ثَلَاثُونَ، كُلُّهُمْ يَزْعُمُ أَنَّهُ نَبِيٌّ، وَأَنَا خَاتَمُ النَّبِيِّينَ لَا نَبِيَّ بَعْدِي

“There will be in my Ummah thirty liars, each claiming to be a Prophet; and I am the seal of the Prophets — there is no Prophet after me.” (Abu Dawud and Al-Tirmidhi)

→ Every later claim was **condemned in advance**.

(iv) Prophethood of every kind has ended

✦ HADITH

إِنَّ الرِّسَالَةَ وَالنَّبُوَّةَ قَدْ انْقَطَعَتْ، فَلَا رَسُولَ بَعْدِي وَلَا نَبِيَّ

“Messengership and Prophethood have ended: there is no Messenger after me and no Prophet.” (Al-Tirmidhi)

→ No 'Nabi' of any type remains possible.

(5) The consensus (Ijma) of the Ummah

(i) The Companions

When Musaylimah, Aswad al-Ansi and Tulayhah claimed Prophethood, the Companions under **Hazrat Abu Bakr (RA)** unanimously rejected them; Musaylimah was defeated at **Yamamah** (11–12 AH).

(ii) Every school across fourteen centuries

All recognised schools of Muslim thought agree that belief in finality is an essential of faith.

(6) The wisdom of finality

- **(a) The Din is complete** — nothing remains to be revealed.
- **(b) The message is preserved** — the Quran word for word, the Sunnah by the isnad.
- **(c) The message is universal** — for all people and all time.
- **(d) Humanity has come of age** — guidance continues through reason under revelation.

✦ SCHOLARLY VIEW

Allama Muhammad Iqbal · The Reconstruction of Religious Thought in Islam, Lecture V

"In Islam prophecy reaches its perfection in discovering the need of its own abolition."

→ Finality is **completion**, not loss.

- **(e) Guidance continues through the scholars:** 'The scholars are the heirs of the Prophets' (Abu Dawud and Al-Tirmidhi), and a renewer (mujaddid) is raised in every century (Abu Dawud).

(7) Why faith in Prophethood is unacceptable without faith in its finality

(i) It denies the Quran

Al-Ahzab is explicit. To reject one verse is to reject the Book that establishes his Prophethood in the first place.

(ii) It denies the Sunnah

His own repeated words — 'no Prophet after me' — are part of his Prophethood; to reject them is to reject him.

(iii) It breaks the Ijma

It departs from the unanimous belief of the Companions and the whole Ummah.

(iv) It makes the Din incomplete

A later Prophet implies that the Din perfected at Arafah (Al-Ma'idah) was not perfect.

(v) It is a contradiction in itself

Faith in Muhammad ﷺ means accepting everything he said about himself. Accepting him as a Prophet while rejecting his statement that he is the last is to believe and disbelieve him at the same time.

(vi) It divides the Ummah

An open door of Prophethood would split Muslims around every new claimant; finality gives one Prophet, one Book and one Ummah.

PAKISTAN ANGLE

Article 260(3)(a) defines a Muslim as one who believes in the **absolute and unqualified finality** of the Prophethood of Muhammad ﷺ; the oaths of the President and Prime Minister include the same belief.

(8) Conclusion

Faith in the Prophethood of Muhammad ﷺ and faith in its finality are **one faith, not two**. The Quran that proves his Prophethood also calls him the Seal; the Sunnah that records his mission also records 'no Prophet after me'; the Companions who transmitted his message also fought those who claimed to succeed him as Prophets. To separate the two is to accept a Prophet while rejecting his message. With him, the house of Prophethood is complete, and its last brick is in place.

✦ HADITH

وَأُرْسِلْتُ إِلَى الْخَلْقِ كَافَّةً، وَخُتِمَ بِيَ النَّبِيُّونَ

"I have been sent to all creation, and the Prophets have been sealed with me." (Muslim)

→ **Universality and finality** go together.

Why this answer scores

- It **proves the statement**, as 'discuss' requires, from Quran, Sunnah, Ijma and reason.
- Section (7) supplies the **logic** of the statement — the part most candidates leave out.
- The tone is **firm but calm**, with no attack on any group.

Answer 8 · Belief in the Day of Judgment and Its Effects (CSS 2021)

THE QUESTION · CSS 2021 · Q2 · 20 marks

What is belief in the Day of Judgment? Explore its effects on individual and collective lives of human beings.

'What is' → belief; 'explore effects' → two lists.

Figure 16 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'What is belief in the Day of Judgment?' — meaning, content (stages), and place in the faith; a short proof of its truth strengthens it.
- 'Explore its effects' — 'explore' invites depth: explain *how* the belief produces each effect.
- 'Individual and collective lives' — two headed sections of equal weight.

The model answer

(1) Introduction

✦ QURAN

﴿فَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ خَيْرًا يَرَهُ ۖ وَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ شَرًّا يَرَهُ﴾

"So whoever does an atom's weight of good will see it. And whoever does an atom's weight of evil will see it."
(Az-Zalzalah, Quran)

→ Whoever does **an atom's weight of good** will see it, and whoever does an atom's weight of evil will see it.

Of all the beliefs of Islam, belief in the Day of Judgment most directly shapes human behaviour. A person who believes that every word, deed and intention will be weighed on a Day of perfect justice cannot live carelessly. The Quran mentions this belief on almost every page and joins it with belief in Allah. This answer explains what the belief is, why it is true, and how it shapes the individual and the collective life of human beings.

(2) What belief in the Day of Judgment is

(i) Meaning

The belief that **this world will end; all will be raised; every person will be judged for belief and deeds; and each will receive eternal reward or punishment by Allah's justice and mercy.**

(ii) Its names

Yawm al-Qiyamah, Yawm al-Din, Yawm al-Hisab, Yawm al-Fasl — the Day of Rising, Recompense, Reckoning and Decision.

(iii) Its place in faith

✦ QURAN

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا ءَامِنُوا بِاللَّهِ وَرَسُولِهِ ءَ وَالْكِتَابِ الَّذِي نَزَّلَ عَلَىٰ رَسُولِهِ ءَ وَالْكِتَابِ الَّذِي أَنزَلَ مِن قَبْلَ ۚ وَمَن يَكْفُرْ بِاللَّهِ وَمَلَائِكَتِهِ ءَ وَكُتُبِهِ ءَ وَرُسُلِهِ ءَ وَالْيَوْمِ الْآخِرِ فَقَدْ ضَلَّ ضَلًّا بَعِيدًا﴾

"O you who have believed, believe in Allah and His Messenger and the Book that He sent down upon His Messenger and the Scripture which He sent down before. And whoever disbelieves in Allah, His angels, His books, His messengers, and the Last Day has certainly gone far astray." (An-Nisa, Quran)

→ Whoever disbelieves in Allah, His angels, His books, His messengers **and the Last Day** has gone far astray.

(3) The stages of the Hereafter

THE STAGES OF THE HEREAFTER — from death to the final abode

'Whoever does an atom's weight of good will see it, and whoever does an atom's weight of evil will see it' (Az-Zalzalah, Quran)

Figure 17 · The stages of the Hereafter.

- **(a) Death:** 'Every soul will taste death' (Aal-e-Imran).
- **(b) Barzakh:** the barrier-life until resurrection (Al-Mu'minun).
- **(c) Resurrection and gathering:** 'from their graves they hasten to their Lord' (Ya-Sin).
- **(d) The record:** 'Read your record; sufficient is yourself against you this Day' (Al-Isra).
- **(e) The witnesses:** hands and feet will testify (Ya-Sin).
- **(f) The scales:** 'We will set up the scales of justice' (Al-Anbiya).
- **(g) Paradise and Hell:** the final abode.

(4) Why the belief is true — in brief

- **(a) The first creation:** 'He will give them life who produced them the first time' (Ya-Sin).
- **(b) Justice:** the good and the evil cannot end alike (Al-Jathiyah).
- **(c) Purpose:** 'Did you think We created you uselessly?' (Al-Mu'minun).

(5) Effects on the individual life

(i) A sense of accountability

★ HADITH

لَا تَزُولُ قَدَمَا عَبْدٍ يَوْمَ الْقِيَامَةِ حَتَّى يُسْأَلَ عَنْ عُمُرِهِ فَيَمَّا أَفْنَاهُ، وَعَنْ عِلْمِهِ فَيَمَّا فَعَلَ، وَعَنْ مَالِهِ
مِنْ أَيْنَ اكْتَسَبَهُ وَفَيَمَّا أَنْفَقَهُ، وَعَنْ جِسْمِهِ فَيَمَّا أَبْلَاهُ

"A servant's feet will not move on the Day of Resurrection until he is asked about his life and how he spent it, his knowledge and what he did with it, his wealth — where he earned it and how he spent it — and his body and how he used it." (Al-Tirmidhi)

→ Four questions that govern **time, knowledge, money and health**.

(ii) Moral conduct and control of the tongue

★ HADITH

مَنْ كَانَ يُؤْمِنُ بِاللَّهِ وَالْيَوْمِ الْآخِرِ فَلْيَقُلْ خَيْرًا أَوْ لِيَصْمُتْ

“Whoever believes in Allah and the Last Day should speak good or keep silent.” (Al-Bukhari and Muslim)

→ The belief directly governs **speech**.

(iii) Purpose and seriousness

Life is a test with a result; time is not killed but invested.

(iv) Patience and hope in suffering

★ QURAN

﴿وَلَنَبْلُوَنَّكُمْ بِشَيْءٍ مِّنَ الْخَوْفِ وَالْجُوعِ وَنَقْصٍ مِّنَ الْأَمْوَالِ وَالْأَنْفُسِ وَالثَّمَرَاتِ وَبَشِّرِ الصَّابِرِينَ ﴿١٠١﴾ الَّذِينَ إِذَا أَصَابَتْهُمُ مُصِيبَةٌ قَالُوا إِنَّا لِلَّهِ وَإِنَّا إِلَيْهِ رَاجِعُونَ ﴿١٠٢﴾ أُولَٰئِكَ عَلَيْهِمْ صَلَوَاتٌ مِّن رَّبِّهِمْ وَرَحْمَةٌ وَأُولَٰئِكَ هُمُ الْمُهْتَدُونَ﴾

“And We will surely test you with something of fear and hunger and a loss of wealth and lives and fruits, but give good tidings to the patient. Who, when disaster strikes them, say, “Indeed we belong to Allah, and indeed to Him we will return. Those are the ones upon whom are blessings from their Lord and mercy. And it is those who are the [rightly] guided.” (Al-Baqarah, Quran)

→ Good news to **the patient**, who say in calamity: 'To Allah we belong, and to Him we return.'

(v) Freedom from greed and materialism

★ HADITH

كُنْ فِي الدُّنْيَا كَأَنَّكَ غَرِيبٌ أَوْ عَابِرُ سَبِيلٍ

“Be in this world as though you were a stranger or a traveller.” (Al-Bukhari)

→ The traveller uses the world without being owned by it.

(vi) Self-accounting

★ HADITH

الْكَيِّسُ مَنْ دَانَ نَفْسَهُ وَعَمِلَ لِمَا بَعْدَ الْمَوْتِ

“The wise person is the one who holds himself to account and works for what comes after death.” (Al-Tirmidhi)

→ **Muhasabah** — daily self-audit — is the habit of a believer.

(6) Effects on the collective life

(i) Justice and responsible rulers

♦ SCHOLARLY VIEW

Hazrat Umar Farooq (RA) · the second Rightly-Guided Caliph

Hazrat Umar is reported to have said that if a dog died of hunger on the bank of the Euphrates, he feared Allah would ask Umar about it.

→ Belief in the Day made a ruler **answerable for every creature**.

(ii) Honest trade

♦ QURAN

﴿وَيْلٌ لِّلْمُطَفِّفِينَ ۚ ۝۱۰ ٱلَّذِينَ إِذَا أَكْتَالُوا عَلَى النَّاسِ يَسْتَوْفُونَ ۝۱۱ وَإِذَا كَالُوهُمْ أَوْ وَزَنُوهُمْ يُخْسِرُونَ ۝۱۲ ۚ أَلَا يَظُنُّ أُولَٰئِكَ أَنَّهُمْ مَبْعُوثُونَ ۝۱۳ لِّيَوْمٍ عَظِيمٍ ۝۱۴ يَوْمَ يَقُومُ النَّاسُ لِرَبِّ ٱلْعَالَمِينَ﴾

“Woe to those who give less [than due]. Who, when they take a measure from people, take in full. But if they give by measure or by weight to them, they cause loss. Do they not think that they will be resurrected. For a tremendous Day. The Day when mankind will stand before the Lord of the worlds.” (Al-Mutaffifin, Quran)

→ Woe to those who give less in measure ... **do they not think they will be resurrected** for a tremendous Day?

(iii) The protection of people's rights

♦ HADITH

إِنَّ الْمُفْلِسَ مِنْ أُمَّتِي يَأْتِي يَوْمَ الْقِيَامَةِ بِصَلَاةٍ وَصِيَامٍ وَزَكَاةٍ، وَيَأْتِي قَدْ شَتَمَ هَذَا، وَقَذَفَ هَذَا، وَأَكَلَ مَالَ هَذَا، وَسَفَكَ دَمَ هَذَا، وَضَرَبَ هَذَا

“The bankrupt of my Ummah comes on the Day of Resurrection with prayer, fasting and Zakat, but he had abused this one, slandered that one, consumed this one's wealth, shed that one's blood and beaten this one.” (Muslim)

→ On the Day, **social wrongs are paid from one's good deeds** — the strongest guarantee of human rights.

(iv) Care for the weak

♦ QURAN

﴿أَرَأَيْتَ ٱلَّذِي يُكَذِّبُ بِٱلْدِّينِ ۝۱ ۚ فَذَٰلِكَ ٱلَّذِي يَدْعُ ٱلْيَتِيمَ ۝۲ وَلَا يَحْضُ عَلَىٰ طَعَامِ ٱلْمِسْكِينِ ۝۳﴾

“Have you seen the one who denies the Recompense. For that is the one who drives away the orphan. And does not encourage the feeding of the poor.” (Al-Ma'un, Quran)

→ The one who **denies the Recompense** drives away the orphan and does not encourage feeding the poor.

(v) Less crime and corruption; more trust

A society that believes every hidden act will be exposed needs less policing; trust becomes the currency of social life.

(vi) Peace instead of revenge

Because final justice is certain, the wronged can forgive or seek lawful justice without taking the law into their own hands.

PAKISTAN ANGLE · AN HONEST WORD

Nearly every Pakistani believes in the Day of Judgment, yet corruption, adulteration and tax evasion persist. The cause is not the belief but its **reduction to ritual**. The remedy: teaching the belief as **accountability**, not only as a story; muhasabah in schools and mosques; and strong accountability institutions that mirror the justice of the Day.

(7) The effects of denying the Day

The Quran itself shows the opposite: those who deny the Day cheat in trade (Al-Mutaffifin) and neglect the orphan and the poor (Al-Ma'un). Where belief in the Hereafter weakens, materialism, cruelty and injustice grow.

(8) Conclusion

Belief in the Day of Judgment turns a life of desire into a life of responsibility. For the individual it brings accountability, good speech, purpose, patience and freedom from greed; for society it brings just rulers, honest markets, protected rights and care for the weak. It is the belief that makes faith **work** — in the heart, in the home and in the state.

✦ QURAN

﴿وَنَضَعُ الْمَوَازِينَ الْقِسْطَ لِيَوْمِ الْقِيَمَةِ فَلَا تُظْلَمُ نَفْسٌ شَيْئًا وَإِنْ كَانَ مِثْقَالَ حَبَّةٍ مِنْ خَرْدَلٍ أَتَيْنَا بِهَا وَكَفَى بِنَا حَاسِبِينَ﴾

"And We place the scales of justice for the Day of Resurrection, so no soul will be treated unjustly at all. And if there is [even] the weight of a mustard seed, We will bring it forth. And sufficient are We as accountant." (Al-Anbiya, Quran)

→ 'We will set up **the scales of justice** for the Day of Resurrection, so no soul will be wronged at all.'

Why this answer scores

- 'What is' is answered fully: meaning, names, place, stages (with a figure) and a short proof.
- 'Explore' is honoured: each effect explains *how* the belief produces it.
- The **honest Pakistan angle** shows maturity; the Muflis hadith links belief to **human rights**.

Answer 9 · The Quranic Argument on the Hereafter and Its Impacts (CSS 2023)

THE QUESTION · CSS 2023 · Q2 · 20 marks

What is the Qur'anic argument on the Life Hereafter? What are its impacts on the individual and collective life of a human being?

The 2023 twist: 'Qur'anic argument' — the reasoning of the Quran itself.

Figure 18 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- The 2021 family returns with a **twist**: not 'what is the belief' but '**what is the Qur'anic argument**' — how the Quran *proves* the Hereafter. This must be the largest section.
- Present the Quran's arguments as **arguments** (reasoning), each with its verses.
- Then **impacts** on individual and collective life — in two sections.

The model answer

(1) Introduction

✦ QURAN

﴿أَفَحَسِبْتُمْ أَنَّمَا خَلَقْنَاكُمْ عَبَثًا وَأَنَّكُمْ إِلَيْنَا لَا تُرْجَعُونَ﴾

"Then did you think that We created you uselessly and that to Us you would not be returned." (Al-Mu'minun, Quran)

→ 'Did you think that **We created you uselessly**, and that to Us you would not be returned?'

The Makkans did not deny God; they denied the Hereafter. 'When we are dust and bones, shall we really be raised?' they mocked. The Quran answered them not with threats alone but with **arguments** — from creation, from nature, from justice, from purpose and from the human conscience. This answer sets out the Quranic argument for the life Hereafter and then shows its impact on the individual and collective life of human beings.

(2) Belief in the Hereafter

The belief that all will be resurrected, judged for their deeds and rewarded or punished eternally. The Quran joins it with faith in Allah more than any other belief (Al-Baqarah: 'righteousness is to believe in Allah and the Last Day ...').

Figure 19 · The five Quranic arguments for the Hereafter.

(3) The argument from the first creation

(i) The reasoning

He who created from nothing can recreate; recreation is easier than creation.

(ii) The occasion and the verses

A Makkian crumbled a decayed bone before the Prophet ﷺ and asked who could revive it. The answer:

✦ QURAN

﴿وَضَرَبَ لَنَا مَثَلًا وَنَسِيَ خَلْقَهُ قَالَ مَنْ يُحْيِي الْعِظَمَ وَهِيَ رَمِيمٌ ﴿١٠﴾ قُلْ يُحْيِيهَا الَّذِي أَنْشَأَهَا أَوَّلَ مَرَّةٍ وَهُوَ بِكُلِّ خَلْقٍ عَلِيمٌ﴾

"And he presents for Us an example and forgets his [own] creation. He says, "Who will give life to bones while they are disintegrated. Say, "He will give them life who produced them the first time; and He is, of all creation, Knowing." (Ya-Sin, Quran)

→ 'Who will give life to bones while they are decayed?' Say: 'He will give them life who produced them the first time; and He is, of all creation, Knowing.'

✦ QURAN

﴿وَهُوَ الَّذِي يَبْدَأُ الْخَلْقَ ثُمَّ يُعِيدُهُ وَهُوَ أَهْوَنُ عَلَيْهِ وَلَهُ الْمَثَلُ الْأَعْلَىٰ فِي السَّمَوَاتِ وَالْأَرْضِ وَهُوَ الْعَزِيزُ الْحَكِيمُ﴾

"And it is He who begins creation; then He repeats it, and that is [even] easier for Him. To Him belongs the highest attribute in the heavens and earth. And He is the Exalted in Might, the Wise." (Ar-Rum, Quran)

→ He begins creation and then repeats it, and that is easier for Him.

(iii) Even the fingertips

✦ QURAN

﴿أَيَحْسَبُ الْإِنْسَانُ أَنْ نَجْمَعَ عِظَامَهُ ﴿١٠﴾ بَلَىٰ قَدِيرِينَ عَلَىٰ أَنْ تُسَوِّيَ بَنَانَهُ﴾

"Does man think that We will not assemble his bones. Yes. [We are] Able [even] to proportion his fingertips." (Al-Qiyamah, Quran)

→ Does man think We will not assemble his bones? Yes — We are able to proportion even his fingertips.

(4) The argument from the revival of nature

(i) The reasoning

Every year the dead earth comes to life after rain; the same power will revive the dead.

✦ QURAN

﴿وَمِنْ آيَاتِهِ أَنْتَ تَرَى الْأَرْضَ خُشْعَةً فَإِذَا أَنْزَلْنَا عَلَيْهَا الْمَاءَ اهْتَزَّتْ وَرَبَتْ إِنَّ الَّذِي أَحْيَاهَا لَمُحْيِ الْمَوْتَىٰ إِنَّهُ عَلَىٰ كُلِّ شَيْءٍ قَدِيرٌ﴾

"And of His signs is that you see the earth stilled, but when We send down upon it rain, it quivers and grows. Indeed, He who has given it life is the Giver of Life to the dead. Indeed, He is over all things competent." (Fussilat, Quran)

→ You see the earth barren; when We send down rain, it stirs and swells. He who gave it life will give life to the dead.

✦ QURAN

﴿... وَتَرَى الْأَرْضَ هَامِدَةً فَإِذَا أَنْزَلْنَا عَلَيْهَا الْمَاءَ اهْتَزَّتْ وَرَبَتْ وَأَنْبَتَتْ مِنْ كُلِّ زَوْجٍ بَهِيجٍ﴾

"And you see the earth barren; but when We send down rain upon it, it quivers and swells and brings forth every kind of beautiful growth." (Al-Hajj, Quran)

→ From dust, to a drop, to a clot ... and the dead earth quivering with life — **so will the resurrection be.**

(5) The argument from justice

(i) The reasoning

In this world the oppressor often escapes and the oppressed often suffers without redress. A just Creator must bring a Day of Justice; otherwise the universe would be unjust.

✦ QURAN

﴿أَمْ حَسِبَ الَّذِينَ اجْتَرَحُوا السَّيِّئَاتِ أَنْ نَجْعَلَهُمْ كَالَّذِينَ ءَامَنُوا وَعَمِلُوا الصَّالِحَاتِ سَوَاءً مَحْيَاهُمْ وَمَمَاتُهُمْ سَاءَ مَا يَحْكُمُونَ﴾

"Or do those who commit evils think We will make them like those who have believed and done righteous deeds - [make them] equal in their life and their death? Evil is that which they judge." (Al-Jathiyah, Quran)

→ Do those who commit evil think We will make them **like those who believe and do good**, equal in life and death? Evil is what they judge.

✦ QURAN

﴿أَمْ نَجْعَلُ الَّذِينَ ءَامَنُوا وَعَمِلُوا الصَّالِحَاتِ كَالْمُفْسِدِينَ فِي الْأَرْضِ أَمْ نَجْعَلُ الْمُتَّقِينَ كَالْفُجَّارِ﴾

"Or should we treat those who believe and do righteous deeds like corrupters in the land? Or should We treat those who fear Allah like the wicked." (Sad, Quran)

→ Should We treat the righteous **like those who cause corruption**?

(6) The argument from purpose and the conscience

(i) Purpose

✦ QURAN

﴿وَمَا خَلَقْنَا السَّمُوتِ وَالْأَرْضَ وَمَا بَيْنَهُمَا لَعِينٍ ﴿١٠﴾ مَا خَلَقْنَاهُمَا إِلَّا بِالْحَقِّ وَلَكِنَّ أَكْثَرَهُمْ لَا يَعْلَمُونَ﴾

"And We did not create the heavens and earth and that between them in play. We did not create them except in truth, but most of them do not know." (Ad-Dukhan, Quran)

→ We did not create the heavens and the earth **in play**; We created them only in truth.

(ii) The conscience

✦ QURAN

﴿لَا أَقْسِمُ بِيَوْمِ الْقِيَمَةِ ۖ وَلَا أَقْسِمُ بِالنَّفْسِ اللَّوَّامَةِ﴾

"I swear by the Day of Resurrection. And I swear by the reproaching soul [to the certainty of resurrection]."
(Al-Qiyamah, Quran)

→ 'I swear by the Day of Resurrection, and I swear by **the self-reproaching soul**' — the inner court of the conscience points to the outer Court of the Day.

(iii) A philosophical echo

The philosopher **Immanuel Kant** concluded that morality requires us to postulate the immortality of the soul, because virtue and happiness are not united in this life — an echo, centuries later, of the Quran's argument from justice.

(7) Impacts on individual life

- **(a) Accountability:** the four questions of the Day — life, knowledge, wealth, body (Al-Tirmidhi).
- **(b) Good conduct:** 'Whoever believes in Allah and the Last Day should speak good or keep silent' (Al-Bukhari and Muslim).
- **(c) Purpose and seriousness:** life as a test with a result (Al-Mulk).
- **(d) Patience and hope:** 'To Allah we belong and to Him we return' (Al-Baqarah).
- **(e) Freedom from materialism:** 'The Hereafter is better and more lasting' (Al-A'la).

✦ HADITH

أَكْثَرُوا ذِكْرَ هَازِمِ اللَّذَاتِ، يَعْنِي الْمَوْتَ

"Remember often the destroyer of pleasures — meaning death." (Al-Tirmidhi)

→ Remembering the end **corrects priorities** and cures arrogance.

(8) Impacts on collective life

- **(a) Just and accountable rulers:** Hazrat Umar's fear of being questioned for a starving dog on the Euphrates.
- **(b) Honest markets:** 'Woe to the defrauders ... do they not think they will be resurrected?' (Al-Mutaffifin).
- **(c) Human rights guaranteed:** the Muflis whose good deeds are paid to those he wronged (Muslim).
- **(d) Care for the weak:** the denier of the Recompense drives away the orphan (Al-Ma'un).
- **(e) Social trust and peace:** less crime, less revenge, more cooperation.

✦ QURAN

﴿لَيْسَ الْبِرُّ أَنْ تُولُوا وُجُوهَكُمْ قِبَلَ الْمَشْرِقِ وَالْمَغْرِبِ وَلَكِنَّ الْبِرَّ مَنْ ءَامَنَ بِاللَّهِ وَالْيَوْمِ الْآخِرِ وَالْمَلَائِكَةِ وَالْكِتَابِ وَالنَّبِيِّينَ وَءَاتَى الْمَالَ عَلَى حُبِّهِ ذَوِي الْقُرْبَىٰ وَالْيَتَامَىٰ وَالْمَسْكِينِ وَأَبْنَ السَّبِيلِ ...﴾

“Righteousness is not that you turn your faces toward the east or the west; but true righteousness is [in] one who believes in Allah, the Last Day, the angels, the Book and the Prophets, and gives wealth, in spite of love for it, to relatives, orphans, the needy and the traveller ...” (Al-Baqarah, Quran)

→ Righteousness is believing in Allah **and the Last Day** ... and giving wealth to relatives, orphans, the needy, the traveller and those who ask, and freeing slaves — **belief in the Hereafter produces social welfare.**

PAKISTAN ANGLE

A nation where belief in the Hereafter is nearly universal yet public trust is low needs to turn belief into **accountability**: character education, honest institutions and leaders who remember that they will be questioned.

(9) Conclusion

The Quran argues for the Hereafter as a teacher argues with a student: look at your own creation, look at the earth after rain, look at the injustice around you, look at the purpose in the universe and the conscience in your soul — and you will see that a Day of Return is not only possible but necessary. Believed in this way, the Hereafter produces accountable individuals and a just society.

✦ QURAN

﴿كُلُّ نَفْسٍ ذَائِقَةُ الْمَوْتِ وَإِنَّمَا تُوَفَّقُونَ أُجُورَكُمْ يَوْمَ الْقِيَمَةِ فَمَنْ زُحْزِحَ عَنِ النَّارِ وَأُدْخِلَ الْجَنَّةَ فَقَدْ فَازَ وَمَا الْحَيَاةُ الدُّنْيَا إِلَّا مَتَاعُ الْغُرُورِ﴾

“Every soul will taste death, and you will only be given your [full] compensation on the Day of Resurrection. So he who is drawn away from the Fire and admitted to Paradise has attained [his desire]. And what is the life of this world except the enjoyment of delusion.” (Aal-e-Imran, Quran)

→ Every soul will taste death, and you will be paid your full reward **only on the Day of Resurrection.**

Whoever is drawn away from the Fire and admitted to Paradise has succeeded; and the life of this world is only the enjoyment of delusion.

Why this answer scores

- It answers the **2023 twist**: the Quranic *argument* is the core, set out as five arguments with their reasoning and verses.
- It adds a **philosophical echo** (Kant) without replacing the Quran.
- Impacts are **concise but complete**, because the question's weight lies on the argument.
