

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Topic III — The Sirah of the Prophet (PBUH) as Role Model

The Question Answers · Every past-paper question of Topic 3, 2016–2025, answered as a model

Ten model answers covering all thirteen questions — the three repeated questions are marked on the answer they share. Each begins with an answer map that states exactly what the question asks, builds its headings from the question's own words, and proves every heading from the Quran, the Sunnah and the Sirah.

Contents

HOW TO BUILD THE CONTENTS

The Contents below is left empty on purpose. In Microsoft Word, **right-click anywhere on the grey line below** and choose **Update Field** → **Update entire table** → **OK**. The full table of contents with page numbers will appear.

On a Mac: right-click (or Control-click) the line → **Update Field**. If you edit the notes later, repeat this step to refresh the page numbers. You can also press **Ctrl + A** then **F9** (Windows) to update every field in the document at once.

How to Use These Answers	6

7	2021 Q8	Notes: Hudaibiyah as a pact of peace; benefits of Khaybar	Answer 7
8	2020 Q6 · 2023 Q6	The Charter of Madinah as a social contract	Answer 8
9	2020 Q2	Status and grade of tolerance and forgiveness in his life	Answer 9
10	2025 Q2	Makarim al-Akhlaq and social peace; how he completed the morals	Answer 10

Three questions were set twice in nearly the same words. Each pair shares one answer, and a '**same question, other year**' box shows what to change for the second wording.

How every answer is built

- The question**, exactly as set.
- The answer map** — the centre states **exactly what the question asks**, limb by limb; every box is a heading of the answer, and every point is a complete idea (the verse or hadith and its point, not only its source).
- Decoding the question** — the command words and what each limb demands.
- The model answer** — headings from the question's own words; the evidence in each point in the order **Quran → Hadith → Sirah → scholars**; figures; the Pakistan or modern angle; a conclusion with a verse or hadith.
- Why this answer scores.**

TRAP · USE THE ANSWERS AS MODELS, NOT SCRIPTS

Learn the structure and the evidence; build your headings from the words of the question you are given. A model answer is fuller than you can write in 33 minutes — choose the headings and evidence you can reproduce well.

Answer 1 · The Prophet ﷺ as Military Strategist (CSS 2016 and 2023)

THE QUESTION · CSS 2016 · Q4 · 20 marks

Describe the characteristics of Military strategist in the light of Sirah of Muhammad (PBUH) with arguments.

SAME QUESTION, OTHER YEAR · CSS 2023 · Q3

'Discuss the Holy Prophet's (ﷺ) Role as a Model for Military Strategy.' Use this answer, but give heading (4) the title '**The model for today**' and expand it: each principle → its modern military form (deterrence, intelligence, joint command, civil-military ethics).

Headings = the characteristics, each proved by an event of the Sirah.

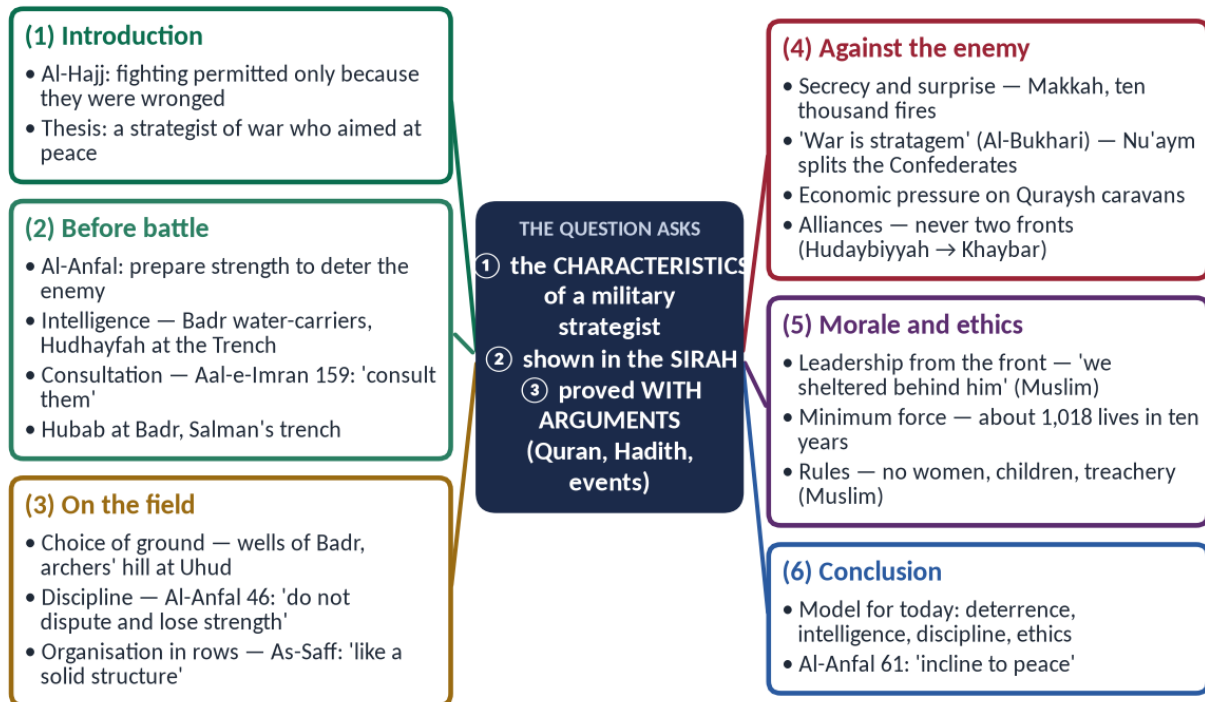

Figure 1 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- '**Characteristics of a military strategist**' = the **qualities and principles** of strategy — not a list of battles.
- '**In the light of Sirah**' = every characteristic must be shown by an **event**.
- '**With arguments**' = Quran, Hadith and the judgement of historians.
- Organise by **stage of war** — before, during, against the enemy, ethics — so the answer reads like a strategy manual.

The model answer

(1) Introduction

✦ QURAN

﴿أُذِنَ لِلَّذِينَ يُقْتَلُونَ بِأَنَّهُمْ ظَلَمُوا وَإِنَّ اللَّهَ عَلَىٰ نَصْرِهِمْ لَقَدِيرٌ﴾

“Permission [to fight] has been given to those who are being fought, because they were wronged. And indeed, Allah is competent to give them victory.” (Al-Hajj, Quran)

→ Permission to fight was given **because they had been wronged** — the Prophet ﷺ became a military leader only when war was forced on the Muslims.

For thirteen years in Makkah the Prophet ﷺ did not fight back. In Madinah he became head of a state surrounded by enemies, and in ten years he turned a small community of refugees into the ruling power of Arabia — with about **1,018 lives lost** on both sides in all his battles. That result is the proof of a strategist of the highest order. His characteristics fall into four groups: **preparation before battle, conduct on the field, dealing with the enemy, and morale and ethics.**

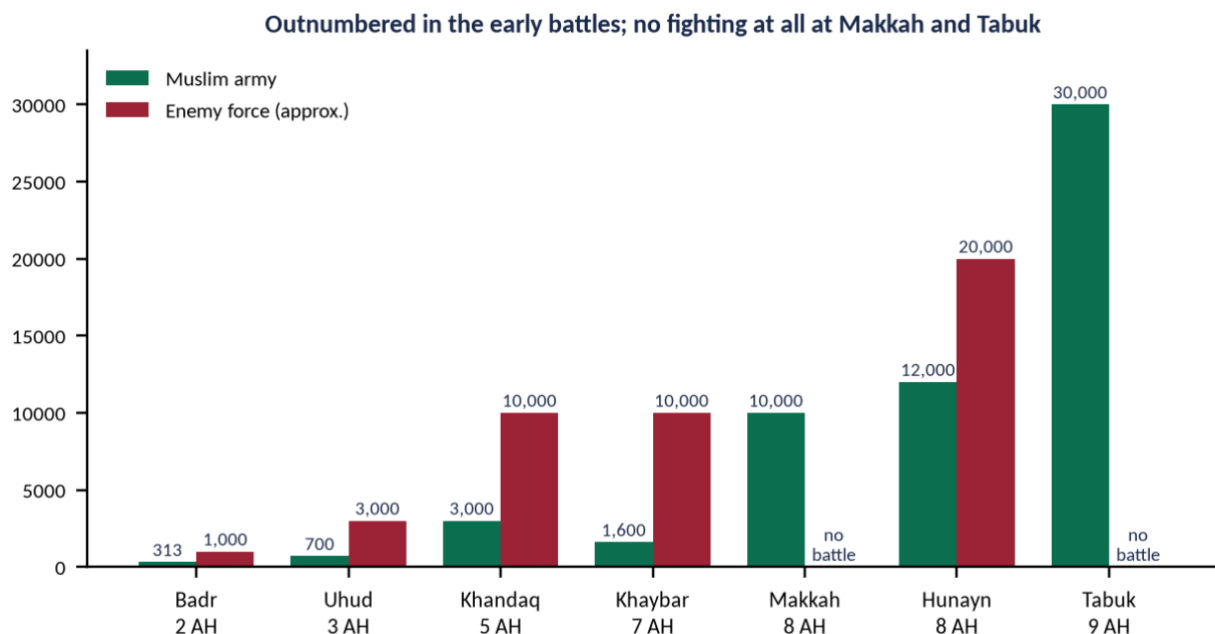

Figure 2 · The size of the forces in the major Ghazwat — outnumbered at first, unopposed at the end.

(2) Characteristics before the battle

(i) Preparation and deterrence

✦ QURAN

﴿وَأَعِدُّوا لَهُمْ مَا اسْتَطَعْتُمْ مِن قُوَّةٍ وَمِنْ رِبَاطِ الْخَيْلِ تُرْهِبُونَ بِهِ ۚ عَدُوَّ اللَّهِ وَعَدُوَّكُمْ...﴾

“Prepare against them whatever you are able of power and of steeds of war, by which you may deter the enemy of Allah and your enemy.” (Al-Anfal, Quran)

→ Prepare **whatever strength you can** — to deter the enemy, so that war may be avoided.

✦ HADITH

أَلَا إِنَّ الْقُوَّةَ الرَّمِيُّ

"Indeed, strength is in shooting." (Muslim)

→ He ordered training in **archery** and horsemanship.

(ii) Intelligence

Before Badr he asked two Quraysh water-carriers how many camels were slaughtered daily — 'nine or ten' — and judged the army at **900 to 1,000** (Ibn Hisham). At the Trench he sent **Hudhayfah (RA)** into the enemy camp at night.

(iii) Consultation

✦ QURAN

﴿فَبِمَا رَحْمَةٍ مِّنَ اللَّهِ لِنْتَ لَهُمْ وَلَوْ كُنْتَ فَظًّا غَلِيظَ الْقَلْبِ لَآتَفَضُّوا مِنْ حَوْلِكَ...﴾

"So by mercy from Allah you were gentle with them; had you been harsh and hard-hearted, they would have scattered from around you." (Aal-e-Imran, Quran)

→ 'Consult them in the matter', and when you have decided, rely upon Allah.'

- **Badr: Hubab ibn al-Mundhir (RA)** asked whether the position was revelation or tactics, and proposed holding the last well; the Prophet ﷺ agreed at once.
- **Uhud:** he accepted the majority view to meet the enemy outside the city.
- **The Trench:** he adopted **Salman al-Farisi's (RA)** Persian idea.

(iv) Alliances and treaties

Treaties with **Banu Damrah**, **Juhaynah** and **Khuza'ah** secured the routes around Madinah.

Hudaybiyyah (6 AH) neutralised the Quraysh so that **Khaybar** (7 AH) could be dealt with — he never fought on two fronts at once.

(3) Characteristics on the battlefield

(i) Choice of ground

At **Badr** he held the wells, leaving the enemy thirsty. At **Uhud** he put the mountain behind him and **fifty archers** on the hill under **Abdullah ibn Jubayr (RA)**: 'Do not leave your place even if you see birds snatching us' (Al-Bukhari).

(ii) Discipline and obedience

✦ QURAN

﴿وَأَطِيعُوا اللَّهَ وَرَسُولَهُ وَلَا تَزْعَمُوا فَتَفْشَلُوا وَتَذْهَبَ رِيحُكُمْ وَاصْبِرُوا إِنَّ اللَّهَ مَعَ الصَّابِرِينَ﴾

"And obey Allah and His Messenger, and do not dispute and [thus] lose courage and [then] your strength would depart; and be patient. Indeed, Allah is with the patient." (Al-Anfal, Quran)

→ Obey, and **do not dispute**, or you will lose courage and your strength will depart.

✦ QURAN

﴿... حَتَّىٰ إِذَا فَشِلْتُمْ وَتَنَزَّعْتُمْ فِي الْأَمْرِ وَعَصَيْتُمْ مِمَّنْ بَعْدَ مَا أَرْسَلَكُمْ مَّا تُحِبُّونَ ...﴾

“...until you lost courage, disputed about the order and disobeyed, after He had shown you what you love.”

(Aal-e-Imran, Quran)

→ At Uhud victory became loss when the archers **disputed and disobeyed** — the lesson is written in the Quran.

(iii) Organisation in rows

✦ QURAN

﴿إِنَّ اللَّهَ يُحِبُّ الَّذِينَ يُقَاتِلُونَ فِي سَبِيلِهِ صَفًّا كَأَنَّهُمْ بُنْيَانٌ مَّرصُومٌ﴾

“Indeed, Allah loves those who fight in His cause in a row as though they are a [single] structure joined firmly.” (As-Saf, Quran)

→ Allah loves those who fight in His cause **in rows, like a solid structure**.

At Badr he straightened the rows with an arrow — a disciplined line in a land of tribal charge-and-retreat.

(iv) Innovation — the Trench

A trench of about 5,000 cubits, dug in six days, stopped 10,000 Confederates; Arab cavalry had never faced one.

(v) Leadership from the front

✦ HADITH

كُنَّا إِذَا أَحْمَرَ الْبَأْسُ نَتَّقِي بِهِ

“When the fighting grew fierce, we took shelter behind him.” (Muslim)

→ The commander stood **nearest to the enemy**.

(4) Characteristics in dealing with the enemy

(i) Secrecy and surprise

He concealed the march on Makkah, prayed 'O Allah, blind their eyes', and ordered **ten thousand fires** at night; Abu Sufyan saw them and knew resistance was hopeless — Makkah fell almost without a battle.

(ii) Stratagem and dividing the enemy

✦ HADITH

الْحَرْبُ خَدْعَةٌ

“War is stratagem.” (Al-Bukhari and Muslim)

→ At the Trench Nu'aym ibn Mas'ud (RA) sowed mistrust between Quraysh and Banu Qurayzah; the alliance broke.

(iii) Economic pressure

Patrols against the Quraysh caravans to Syria struck the Makkan economy — the source of their war-power.

(iv) Speed and pursuit

The day after Uhud he marched to **Hamra al-Asad** with the wounded; the Quraysh, believing the Muslims unbroken, went home.

(5) Characteristics of morale and ethics**(i) Morale through faith**

✦ QURAN

﴿وَلَا تَهِنُوا وَلَا تَحْزَنُوا وَأَنْتُمْ الْأَعْلَوْنَ إِنْ كُنْتُمْ مُؤْمِنِينَ﴾

“So do not weaken and do not grieve, and you will be superior if you are [true] believers.” (Aal-e-Imran, Quran)

→ 'Do not weaken and do not grieve; you will be superior if you are believers' — revealed after Uhud.

(ii) Ethics of war

✦ HADITH

وَلَا تَغْلُوا، وَلَا تَغْدِرُوا، وَلَا تَمْثُلُوا، وَلَا تَقْتُلُوا وَلِيدًا

“Do not steal from the spoils, do not betray, do not mutilate, and do not kill a child.” (Muslim)

→ His standing orders to every commander.

(iii) Minimum force

About **259 Muslims and 759 enemies** died in all his battles — about **1,018 in ten years** (Qazi Sulaiman Mansurpuri) — while bringing about a million square miles under peace.

Characteristics of the Prophet (PBUH) as military strategist — the names only			
Before battle	On the field	Against the enemy	Morale and ethics
- preparation and deterrence - intelligence - consultation - alliances — no two fronts	- choice of ground - discipline (Uhud lesson) - rows - the Trench - leading from the front	- secrecy and surprise (Makkah) - stratagem (Nu'aym) - economic pressure - speed (Hamra al-Asad)	- faith and du'a - rules of war - minimum force — 1,018 lives

Figure 3 · At a glance — characteristics of the Prophet ﷺ as military strategist — the names only. The detail is in the sections above.

(6) The verdict of historians

✦ SCHOLARLY VIEW

Dr Muhammad Hamidullah · The Battlefields of the Prophet Muhammad

After surveying Badr, Uhud and the Trench on the ground, Hamidullah showed that each position and movement was a deliberate choice fitted to terrain, numbers and supply.

→ His strategy was **planned, not accidental**.

✦ SCHOLARLY VIEW

Sir John Bagot Glubb (Glubb Pasha) · The Life and Times of Muhammad

A British general with long command of Arab soldiers, Glubb judged that the Prophet's ﷺ success came from his grasp of politics and morale, not tactics alone.

→ War joined to **policy** — the mark of a true strategist.

(7) The model for today

- **Deterrence** (Al-Anfal 60) — the basis of Pakistan's defence doctrine of credible minimum deterrence.
- **Intelligence and consultation** — joint staff and professional advice before decisions.
- **Discipline** — the lesson of Uhud for every army.
- **Ethics** — the Prophetic rules anticipate the Geneva Conventions.

(8) Conclusion

✦ QURAN

﴿وَإِنْ جَنَحُوا لِلسَّلَامِ فَاجْنَحْ لَهَا وَتَوَكَّلْ عَلَى اللَّهِ إِنَّهُ هُوَ السَّمِيعُ الْعَلِيمُ﴾

"And if they incline to peace, then incline to it [also] and rely upon Allah. Indeed, it is He who is the Hearing, the Knowing." (Al-Anfal, Quran)

→ 'If they incline to peace, **incline to it** as well.'

The Prophet ﷺ was a strategist who prepared for war in order to **make war unnecessary**. He won by preparation, intelligence, consultation, discipline and surprise, and he fought by rules that protected the innocent. His campaigns ended not in empire for its own sake but in a peaceful Arabia — the final proof that his strategy was the servant of his mission of mercy.

Why this answer scores

- Headings are **characteristics**, grouped by the stages of war — exactly what 'characteristics of a strategist' asks.
- Every characteristic has **an event** and **a text** — 'with arguments'.
- Numbers (313, 1,000, 50 archers, 1,018) and a figure show command of detail; the modern model covers the 2023 wording.

Answer 2 · His Character in the Battlefields as Commander (CSS 2019)

THE QUESTION · CSS 2019 · Q3 · 20 marks

Give a general estimate of Holy Prophet's (PBUH) character in the battle fields as commander.

Headings = personal qualities, each shown in a battle; end with the overall estimate.

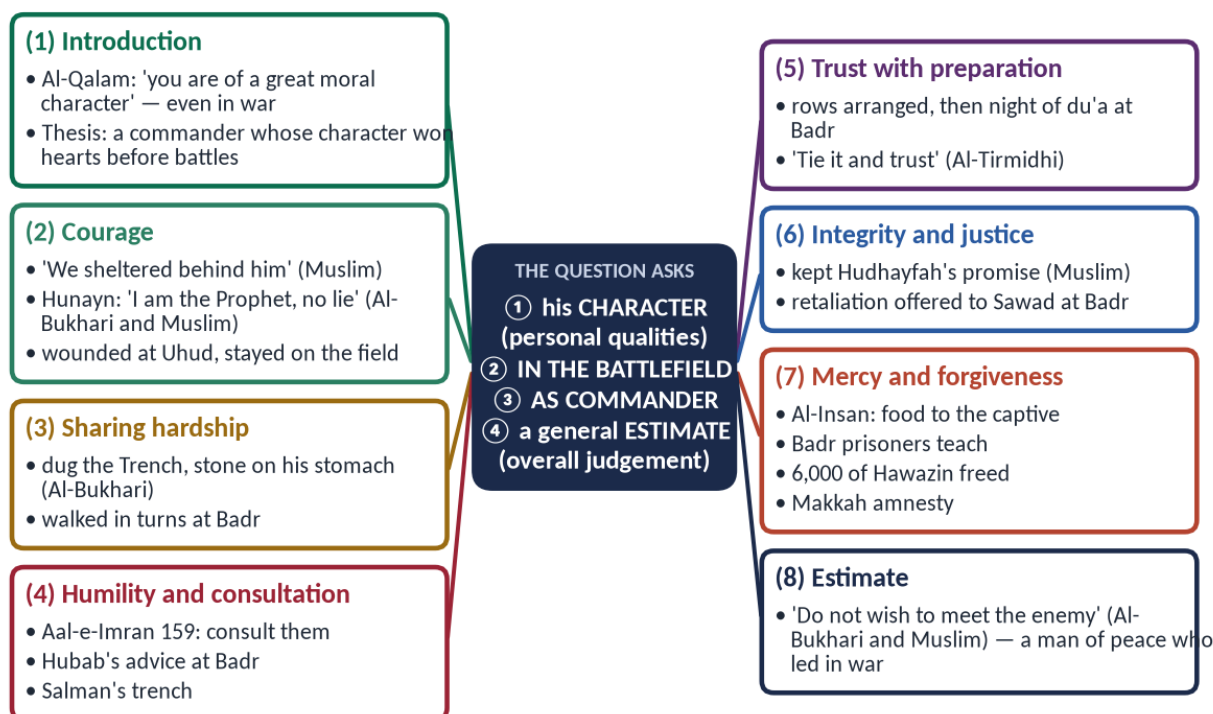

Figure 4 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'Character' = personal and moral qualities, **not** tactics — this is the difference from 2016.
- 'In the battlefields' = show each quality in a **real battle**.
- 'General estimate' = end with an **overall judgement** — what kind of commander he was.

The model answer

(1) Introduction

✦ QURAN

﴿وَإِنَّكَ لَعَلَىٰ خُلُقٍ عَظِيمٍ﴾

"And indeed, you are of a great moral character." (Al-Qalam, Quran)

→ 'Indeed, you are of a **great moral character**' — a character that did not change in the heat of battle.

In war, most leaders show a different face: hard, proud, revengeful. The Prophet ﷺ led about 27 expeditions and fought in about nine battles, yet his character remained the same — brave, humble, just and merciful. His men followed him not from fear but from love. That is the key to his success as a commander.

(2) Courage — the bravest on the field

✦ HADITH

كُنَّا إِذَا أَحْمَرَ الْبَأْسُ نَتَّقِي بِهِ

“When the fighting grew fierce, we took shelter behind him.” (Muslim)

→ **Al-Bara' (RA)** — the bravest was the one closest to the enemy.

At **Hunayn**, when an ambush broke the army, he rode his mule **towards** the enemy, calling:

✦ HADITH

أَنَا النَّبِيُّ لَا كَذِبَ، أَنَا ابْنُ عَبْدِ الْمُطَّلِبِ

“I am the Prophet, no lie; I am the son of Abd al-Muttalib.” (Al-Bukhari and Muslim)

→ He **named himself** to the enemy; the army regrouped around him.

At **Uhud** his tooth was broken and his helmet driven into his face, but he stayed on the field.

(3) Sharing every hardship with his soldiers

At the **Trench** he dug and carried earth until dust covered his body; **Jabir (RA)** saw him with a stone tied to his stomach from hunger, like the others (Al-Bukhari). At **Badr** three men shared one camel; he walked his turn and refused to be spared.

(4) Humility and consultation

✦ QURAN

﴿فَبِمَا رَحْمَةٍ مِّنَ اللَّهِ لِنْتَ لَهُمْ وَلَوْ كُنْتَ فَظًا غَلِيظَ الْقَلْبِ لَانْفَضُّوا مِنْ حَوْلِكَ...﴾

“So by mercy from Allah you were gentle with them; had you been harsh and hard-hearted, they would have scattered from around you.” (Aal-e-Imran, Quran)

→ **'Consult them in the matter'** — the command came even after Uhud, when their disobedience had cost the battle.

He accepted the advice of a young Companion, **Hubab**, at Badr and of a Persian, **Salman**, at the Trench. At Uhud he followed the majority against his own view.

(5) Trust in Allah with full preparation

✦ HADITH

اعْقِلْهَا وَتَوَكَّلْ

“Tie it, and then trust in Allah.” (Al-Tirmidhi)

→ Means first, then trust.

At Badr he arranged the rows with his own hand, then spent the night in du'a until his cloak fell from his shoulders; Abu Bakr (RA) put it back and comforted him.

(6) Integrity — keeping his word even in war

✦ HADITH

نَفِي لَهُمْ بِعَهْدِهِمْ، وَنَسْتَعِينُ اللَّهَ عَلَيْهِمْ

"We will keep our word to them, and seek Allah's help against them." (Muslim)

→ **Hudhayfah** and his father had promised the Quraysh not to fight; though every sword counted at Badr, he sent them away.

(7) Justice to his own soldiers

At Badr he pressed **Sawad ibn Ghaziyyah (RA)** with an arrow to straighten the line. Sawad said, 'You have hurt me — give me retaliation.' The commander of the army uncovered his stomach; Sawad kissed it instead (Ibn Hisham).

(8) Mercy to prisoners and the defeated

✦ QURAN

﴿وَيُطْعَمُونَ الْطَّعَامَ عَلَىٰ حُبِّهِ ۖ مَسْكِينًا وَيَتِيمًا وَأَسِيرًا﴾

"And they give food in spite of love for it to the needy, the orphan, and the captive." (Al-Insan, Quran)

→ They give food, though they love it, to the poor, the orphan **and the captive**.

- **Badr:** prisoners were given bread while their guards ate dates; the literate were freed for **teaching ten children**.
- **Hunayn:** he returned **6,000 captives** of Hawazin.
- **Makkah:** 'No blame upon you today ... go, you are free.'

✦ HADITH

فَنَهَى رَسُولُ اللَّهِ ﷺ عَنْ قَتْلِ النِّسَاءِ وَالصِّبْيَانِ

"The Messenger of Allah ﷺ forbade the killing of women and children." (Al-Bukhari and Muslim)

→ Mercy was **law** in his army.

(9) Patience and self-control in setback

After Uhud he did not humiliate the archers who had disobeyed. He did not answer the mutilation of his uncle **Hamzah (RA)** with mutilation:

✦ QURAN

﴿وَإِنْ عَاقَبْتُمْ فَعَاقِبُوا بِمِثْلِ مَا عُوقِبْتُمْ بِهِ ۖ وَلَئِنْ صَبَرْتُمْ لَهُوَ خَيْرٌ لِلصَّابِرِينَ﴾

"And if you punish [an enemy, O believers], punish with an equivalent of that with which you were harmed. But if you are patient - it is better for those who are patient." (An-Nahl, Quran)

→ If you punish, punish with the like — **but if you are patient, it is better** for the patient.

(10) Humility in victory

He entered Makkah with his head bowed so low on his camel that his beard almost touched the saddle, reciting Surah Al-Fath (Ibn Hisham) — victory without arrogance.

His character as commander — the names only				
Courage	Sharing	Humility	Integrity	Mercy
closest to the enemy Hunayn: 'no lie' wounded at Uhud	trench and dust hunger stone turns on the camel	consultation (Hubab, Salman) head bowed at Makkah	Hudhayfah's promise retaliation to Sawad	prisoners fed Hawazin freed no women or children amnesty

Figure 5 · At a glance — his character as commander — the names only. The detail is in the sections above.

(11) A general estimate

★ HADITH

لَا تَتَمَنَّوْا لِقَاءَ الْعَدُوِّ، وَسَلُّوْا اللَّهَ الْعَافِيَةَ، فَإِذَا لَقِيتُمُوهُمْ فَاصْبِرُوا

“Do not wish to meet the enemy, and ask Allah for safety; but when you meet them, be steadfast.” (Al-Bukhari and Muslim)

→ He **prayed for peace** and stood firm in war.

The overall estimate is this: he was **a man of peace who led in war** — the bravest in danger, the humblest in victory, the most just to his own men and the most merciful to his enemies. Other commanders won battles; he won **the loyalty of his soldiers and the hearts of his enemies**, which is why the Quraysh, the Hawazin and the Thaqif — his opponents on the field — became his followers within two years.

★ SCHOLARLY VIEW

Sir William Muir · The Life of Mahomet

Even Muir, a critical writer, admitted that in the hour of triumph at Makkah the Prophet ﷺ showed magnanimity and moderation towards the people who had long persecuted him.

→ Admission from a critic carries **extra weight**.

Why this answer scores

- It answers **character**, not strategy — the one thing that separates 2019 from 2016.
- Every quality is placed **in a named battle**, as 'in the battlefields' demands.
- It ends with a real '**general estimate**' — an overall judgement supported by a hadith and a critic's admission.

Answer 3 · The Ghazwat Were Fought to Establish Peace (CSS 2024)

THE QUESTION · CSS 2024 · Q3 · 20 marks

The main purpose of Ghazwat-e-Nabawi was to establish peace. Explain.

Prove the claim three ways — why he fought, how he fought, what it produced.

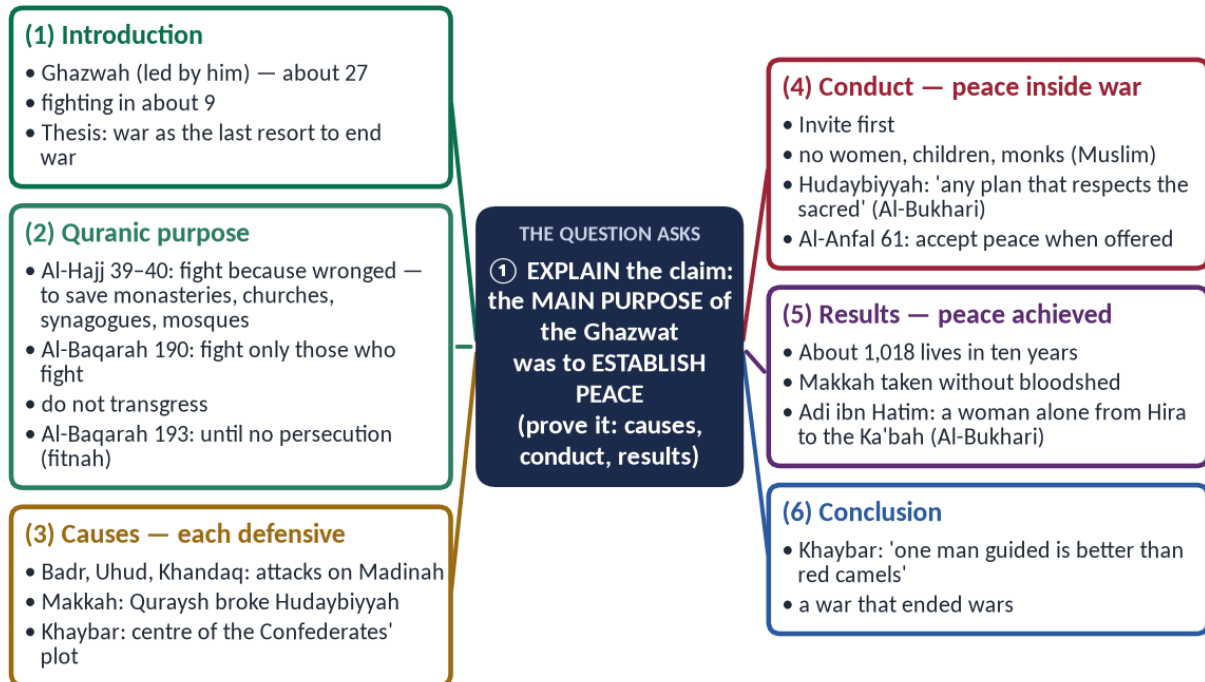

Figure 6 · The answer map: every branch is one numbered heading of the model answer below.

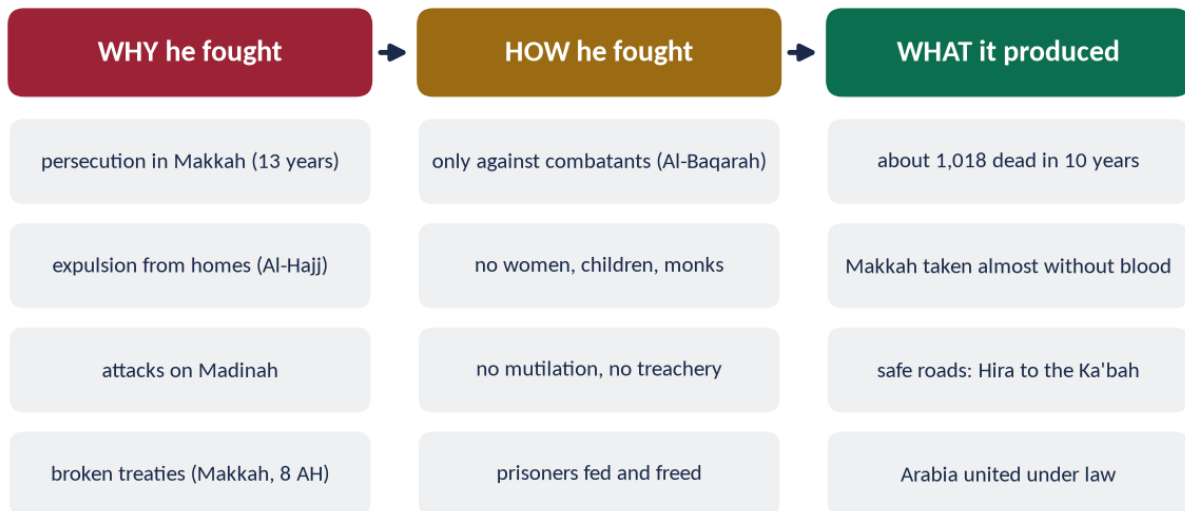

Decoding the question

- 'Explain' = give reasons and evidence that **prove the claim**.
- 'Main purpose' = show that other aims (wealth, land, forced conversion) were **not** the goal.
- 'Establish peace' = show peace in the **causes**, the **conduct** and the **results** of the Ghazwat.

The model answer

(1) Introduction

Ghazwat-e-Nabawi (غَزَوَاتِ نَبَوِي) are the expeditions the Prophet ﷺ led in person — about **27**, with fighting in about **nine**. Critics call them wars of expansion. The evidence shows the opposite: they were forced on the Muslims, fought by rules that protected the innocent, and ended in the first lasting peace Arabia had known. War was the **means**; peace was the **purpose**.

War was the exception and peace the goal: 'if they incline to peace, then incline to it' (Al-Anfal).

Figure 7 · Why he fought, how he fought, and what the Ghazwat produced.

(2) The Quranic purpose of fighting — peace and freedom

(i) Only after oppression

✦ QURAN

﴿أُذِنَ لِلَّذِينَ يُقَاتَلُونَ بِأَنَّهُمْ ظَلِمُوا وَإِنَّ اللَّهَ عَلَىٰ نَصْرِهِمْ لَقَدِيرٌ﴾

"Permission [to fight] has been given to those who are being fought, because they were wronged. And indeed, Allah is competent to give them victory." (Al-Hajj, Quran)

→ Permission to fight is given to those who are fought against, **because they have been wronged**.

✦ QURAN

﴿... وَلَوْلَا دَفْعُ اللَّهِ النَّاسَ بَعْضَهُمْ بِبَعْضٍ لَّهَدَمَتْ صُومُعٌ وَبَيْعٌ وَصَلَوْتُ وَمَسْجِدٌ يُذَكِّرُ فِيهَا أَسْمُ اللَّهِ كَثِيرًا...﴾

"Were it not that Allah checks some people by means of others, monasteries, churches, synagogues and mosques — in which Allah's name is much mentioned — would have been demolished." (Al-Hajj, Quran)

→ Without defence, **monasteries, churches, synagogues and mosques** would be destroyed — war to protect the freedom of worship of all.

(ii) Only against those who fight

✦ QURAN

﴿وَقَاتِلُوا فِي سَبِيلِ اللَّهِ الَّذِينَ يُقَاتِلُونَكُمْ وَلَا تَعْتَدُوا إِنَّ اللَّهَ لَا يُحِبُّ الْمُعْتَدِينَ﴾

"Fight in the way of Allah those who fight you but do not transgress. Indeed, Allah does not like transgressors." (Al-Baqarah, Quran)

→ Fight those who fight you, **but do not transgress**.

(iii) To end persecution, then stop

✦ QURAN

﴿وَقَاتِلُوهُمْ حَتَّى لَا تَكُونَ فِتْنَةً وَيَكُونَ لِلَّهِ فَإِنْ أَنْتَهُوْا فَلَا عُدُوْنَ إِلَّا عَلَى الظَّالِمِينَ﴾

“Fight them until there is no [more] fitnah and [until] worship is [acknowledged to be] for Allah. But if they cease, then there is to be no aggression except against the oppressors.” (Al-Baqarah, Quran)

→ Fight until there is **no more fitnah**; if they stop, there is no hostility except against oppressors.

(iv) Peace as soon as it is offered

✦ QURAN

﴿وَإِنْ جَنَحُوا لِلسَّلَامِ فَاجْنَحْ لَهَا وَتَوَكَّلْ عَلَى اللَّهِ إِنَّهُ هُوَ السَّمِيعُ الْعَلِيمُ﴾

“And if they incline to peace, then incline to it [also] and rely upon Allah. Indeed, it is He who is the Hearing, the Knowing.” (Al-Anfal, Quran)

→ 'If they incline to peace, **incline to it.**'

(3) The causes — every Ghazwah was defensive or against a breach

Ghazwah	Cause	Peace it secured
Badr (2 AH)	Quraysh marched with about 1,000 to crush Madinah	Broke the rule of force in Arabia
Uhud (3 AH)	3,000 Quraysh attacked Madinah	Defence of the city
Khandaq (5 AH)	10,000 Confederates besieged Madinah	'Now we go to them; they will not come to us' (Al-Bukhari) — attacks on Madinah ended
Khaybar (7 AH)	Base of the plot that raised the Confederates	Northern threat ended; land left with its people
Makkah (8 AH)	Quraysh broke Hudaibiyyah (Banu Bakr against Khuza'ah)	Taken almost without blood; general amnesty
Hunayn (8 AH)	Hawazin gathered 20,000 to attack	Captives returned; Hawazin became allies
Tabuk (9 AH)	Byzantine threat on the border	No battle; treaties of protection

(4) The conduct — peace inside war**(i) Invitation before fighting**

✦ HADITH

اغْزُوا بِاسْمِ اللَّهِ ... وَلَا تَغْلُوا، وَلَا تَغْدِرُوا، وَلَا تَمْثُلُوا، وَلَا تَقْتُلُوا وَلِيدًا

“Fight in the name of Allah ... do not steal from the spoils, do not betray, do not mutilate, do not kill a child.” (Muslim)

→ Every commander had to offer **Islam or peace** first (the hadith of Buraydah).

(ii) Non-combatants protected

★ HADITH

فَنَهَى رَسُولُ اللَّهِ ﷺ عَنْ قَتْلِ النِّسَاءِ وَالصِّبْيَانِ

“The Messenger of Allah ﷺ forbade the killing of women and children.” (Al-Bukhari and Muslim)

→ The first principle of humanitarian law.

(iii) Peace accepted even on hard terms

★ HADITH

وَالَّذِي نَفْسِي بِيَدِهِ لَا يَسْأَلُونِي خُطَّةً يُعْظَمُونَ فِيهَا حُرْمَاتِ اللَّهِ إِلَّا أَعْطَيْتُهُمْ إِيَّاهَا

“By the One in whose hand is my soul, whatever plan they propose that respects the sanctities of Allah, I will grant it.” (Al-Bukhari)

→ At **Hudaybiyyah** he chose a treaty over a battle he could have fought.

(iv) Not wishing for war

★ HADITH

لَا تَتَمَنَّوْا لِقَاءَ الْعَدُوِّ، وَسَلُّوْا اللَّهَ الْعَافِيَةَ

“Do not wish to meet the enemy; ask Allah for safety.” (Al-Bukhari and Muslim)

→ A commander who **prayed for peace**.

(5) What the purpose was NOT

- **Not wealth:** he died with his armour pledged for barley.
- **Not land for its own sake:** Khaybar's land was left with its people for half the produce.
- **Not forced conversion:** 'No compulsion in religion' (Al-Baqarah 256); the Christians of Najran and Aylah kept their faith by treaty.
- **Not revenge:** Makkah, the city of his persecutors, was forgiven.

(6) The results — peace established**(i) The least bloodshed in any revolution**

About **1,018 lives** on both sides in ten years (Qazi Sulaiman Mansurpuri) — compared with about 17 million in the First World War and 70–85 million in the Second.

(ii) Safe roads across Arabia

★ HADITH

فَلْيُوشِكَنَّ أَنْ تَرَى الظُّعَيْنَةَ تَرْحَلُ مِنَ الْحِيرَةِ حَتَّى تَطُوفَ بِالْكَعْبَةِ لَا تَخَافُ أَحَدًا إِلَّا اللَّهَ

“You will soon see a woman travel from Hira to circle the Ka'bah, fearing no one but Allah.” (Al-Bukhari)

→ **Adi ibn Hatim (RA)** lived to see it — the Ghazwat ended in **security**.

(iii) Enemies became brothers

The Quraysh, Hawazin and Thaqif — all opponents in battle — joined Islam within two years.

✦ QURAN

﴿وَأَعْتَصِمُوا بِحَبْلِ اللَّهِ جَمِيعًا وَلَا تَفَرَّقُوا وَاذْكُرُوا نِعْمَتَ اللَّهِ عَلَيْكُمْ إِذْ كُنْتُمْ أَعْدَاءَ فَأَلَّفَ بَيْنَ قُلُوبِكُمْ فَأَصْبَحْتُمْ بِنِعْمَتِهِ إِخْوَانًا...﴾

“And hold firmly to the rope of Allah all together and do not become divided. Remember Allah's favour upon you: you were enemies, and He brought your hearts together, and by His favour you became brothers.” (Aal-e-Imran, Quran)

→ 'You were enemies and **He brought your hearts together.**'

The Ghazwat for peace — the names only

Quranic purpose	Causes	Conduct	Results
only when wronged	defence of Madinah	invite first	1,018 lives
only against fighters	broken treaty	protect non-combatants	Makkah without blood
end fitnah	conspiracy	Hudaybiyyah over battle	safe roads
peace when offered	border threat	never wish for war	enemies became brothers

Figure 8 · At a glance — the Ghazwat for peace — the names only. The detail is in the sections above.

(7) Conclusion

✦ HADITH

قَالَ اللَّهُ لَأَنْ يَهْدِيَ اللَّهُ بِكَ رَجُلًا وَاحِدًا خَيْرٌ لَكَ مِنْ أَنْ يَكُونَ لَكَ حُمْرُ النَّعَمِ

“By Allah, that Allah guides one man through you is better for you than the finest red camels.” (Al-Bukhari and Muslim)

→ Said to **Ali (RA)** at Khaybar as he took the flag.

The causes, the conduct and the results of the Ghazwat point to one purpose: to end persecution and establish a just peace. The Prophet ﷺ fought few battles, with few deaths, by strict rules, and each ended in a treaty, an amnesty or an alliance. The Ghazwat were **wars that ended war** in Arabia — the clearest proof that the Prophet of mercy remained the Prophet of mercy even with a sword in hand.

Why this answer scores

- It **proves the claim** three ways — causes, conduct, results — exactly as 'explain' requires.
- It also shows what the purpose was **not**, closing the door on the counter-argument.
- A table of seven battles, the 1,018 figure and the Adi ibn Hatim hadith give **hard evidence**.

Answer 4 · The Greatest Peace Maker: Reconciliation with Pagans, Jews and Christians (CSS 2017)

THE QUESTION · CSS 2017 · Q5 · 20 marks

Elucidate how the Prophet of Islam (Peace be upon him) exemplified him as the greatest peace maker in the world by making reconciliation with pagans, Jews and Christians?

Three main headings — one for each community — framed by the peace principles and the 'greatest' verdict.

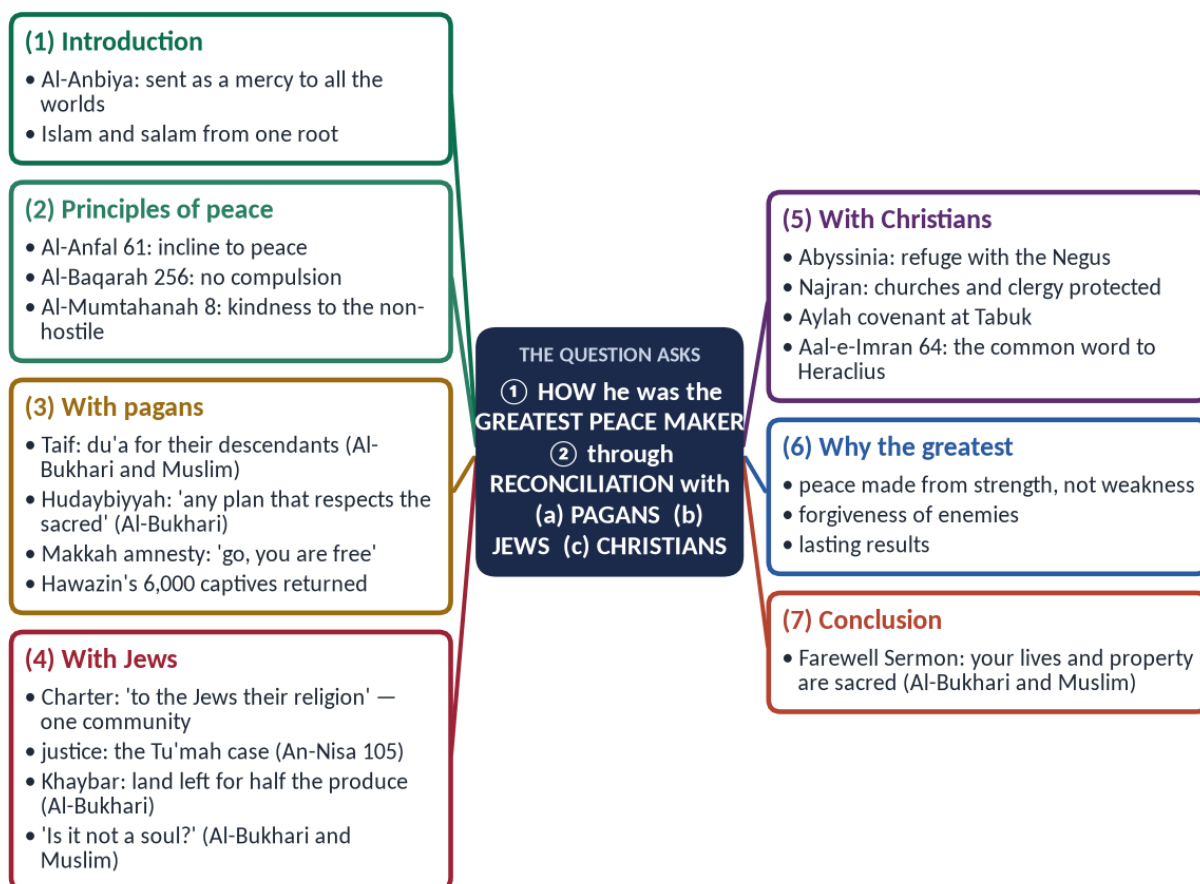

Figure 9 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'Elucidate how' = explain the **methods** by which he made peace, with examples.
- 'Reconciliation with pagans, Jews and Christians' = three separate headings; balance them.
- 'Greatest peace maker in the world' = end with **why** he is the greatest — a comparative judgement.

The model answer

(1) Introduction

✦ QURAN

﴿وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ﴾

"And We have not sent you, [O Muhammad], except as a mercy to the worlds." (Al-Anbiya, Quran)

→ He was sent as a **mercy to all the worlds** — not to one community.

Islam (إِسْلَام) and **salam** (سَلَام) come from one root. The Prophet ﷺ lived among three communities that were at first hostile: the **pagans** of Makkah, the **Jews** of Madinah and the **Christians** of Arabia and beyond. With each he sought reconciliation — by patience, treaties, justice and forgiveness — and with each he left a model that the world still studies.

(2) The principles on which he made peace

✦ QURAN

﴿وَإِنْ جَنَحُوا لِلسَّلَامِ فَاجْنَحْ لَهَا وَتَوَكَّلْ عَلَى اللَّهِ إِنَّهُ هُوَ السَّمِيعُ الْعَلِيمُ﴾

"And if they incline to peace, then incline to it [also] and rely upon Allah. Indeed, it is He who is the Hearing, the Knowing." (Al-Anfal, Quran)

→ 'If they incline to peace, **incline to it**' — peace preferred whenever offered.

✦ QURAN

﴿لَا إِكْرَاهَ فِي الدِّينِ قَدْ تَبَيَّنَ الرُّشْدُ مِنَ الْغَيِّ...﴾

"There is no compulsion in religion; the right course has become clear from the wrong." (Al-Baqarah, Quran)

→ **No compulsion in religion** — reconciliation never meant forced conversion.

✦ QURAN

﴿لَا يَنْهَىكُمُ اللَّهُ عَنِ الَّذِينَ لَمْ يُقَاتِلُوكُمْ فِي الدِّينِ وَلَمْ يُخْرِجُوكُم مِّن دِيَارِكُمْ أَن تَبَرُّوهُمْ وَتُقْسِطُوا إِلَيْهِمْ إِنَّ اللَّهَ يُحِبُّ الْمُقْسِطِينَ﴾

"Allah does not forbid you from those who do not fight you because of religion and do not expel you from your homes - from being righteous toward them and acting justly toward them. Indeed, Allah loves those who act justly." (Al-Mumtahanah, Quran)

→ Allah does not forbid **kindness and justice** to those who do not fight you.

(3) Reconciliation with the pagans (Mushrikin)

(i) Thirteen years of patience in Makkah

Under boycott, torture and murder of his Companions, he did not allow retaliation.

(ii) Taif — du'a instead of destruction

★ HADITH

بَلْ أَرْجُو أَنْ يُخْرِجَ اللَّهُ مِنْ أَصْلَابِهِمْ مَنْ يَعْبُدُ اللَّهَ وَحْدَهُ

“Rather, I hope that Allah will bring from their descendants those who will worship Allah alone.” (Al-Bukhari and Muslim)

→ Offered the destruction of Taif, he chose **hope**.

(iii) Hdaybiyyah — peace on hard terms

★ HADITH

وَالَّذِي نَفْسِي بِيَدِهِ لَا يَسْأَلُونِي خُطَّةً يُعْظَمُونَ فِيهَا حُرْمَاتِ اللَّهِ إِلَّا أَعْطَيْتُهُمْ إِيَّاهَا

“Whatever plan they propose that respects the sanctities of Allah, I will grant it.” (Al-Bukhari)

→ He accepted a ten-year truce, erased 'Messenger of Allah' from the text and returned Abu Jandal — for peace.

(iv) The Conquest of Makkah — the general amnesty

★ QURAN

﴿قَالَ لَا تَنْرِيبَ عَلَيْكُمُ الْيَوْمَ يَغْفِرُ اللَّهُ لَكُمْ وَهُوَ أَرْحَمُ الرَّاحِمِينَ﴾

“He said, “No blame will there be upon you today. Allah will forgive you; and He is the most merciful of the merciful.” (Yusuf, Quran)

→ 'No blame upon you today' — the words of Yusuf, repeated to the Quraysh.

'Go, you are free.' Whoever entered the house of **Abu Sufyan**, shut his own door, or entered the Mosque was safe (Muslim). **Hind, Wahshi, Ikrimah** and **Habbar** were forgiven.

(v) Hunayn and Taif

He returned **6,000 captives** of Hawazin to their families; the Thaqif of Taif, who had stoned him, came as a delegation in 9 AH and were received with honour.

(4) Reconciliation with the Jews**(i) The Charter of Madinah — one community**

★ FROM THE SIRAH

وَإِنَّ يَهُودَ بَنِي عَوْفٍ أُمَّةٌ مَعَ الْمُؤْمِنِينَ، لِلْيَهُودِ دِينُهُمْ وَلِلْمُسْلِمِينَ دِينُهُمْ

“The Jews of Banu Awf are one community with the believers: to the Jews their religion, and to the Muslims theirs.” (Sirat Ibn Hisham (the Charter))

→ Citizens with **equal protection**, keeping their own faith.

(ii) Justice without bias

When a Muslim, **Tu'mah**, stole and accused a Jew, revelation cleared the Jew:

✦ QURAN

﴿إِنَّا أَنْزَلْنَا إِلَيْكَ الْكِتَابَ بِالْحَقِّ لِتَحْكُمَ بَيْنَ النَّاسِ بِمَا أَرَاكَ اللَّهُ وَلَا تَكُنْ لِلْخَائِنِينَ خَصِيمًا﴾

"Indeed, We have revealed to you, [O Muhammad], the Book in truth so you may judge between the people by that which Allah has shown you. And do not be for the deceitful an advocate." (An-Nisa, Quran)

→ 'Judge between the people by what Allah has shown you, and **do not be an advocate for the treacherous.**'

(iii) Khaybar — tolerance after war

✦ HADITH

أَعْطَى رَسُولُ اللَّهِ ﷺ خَيْبَرَ الْيَهُودَ أَنْ يَعْمَلُوهَا وَيَزْرَعُوهَا، وَلَهُمْ شَطْرُ مَا يُخْرَجُ مِنْهَا

"The Messenger of Allah ﷺ gave Khaybar to the Jews to work and cultivate, for half of what it produced." (Al-Bukhari)

→ The defeated kept their **land and livelihood**; the woman who poisoned him was forgiven.

(iv) Human relations

✦ HADITH

أَلَيْسَتْ نَفْسًا

"Is it not a soul?" (Al-Bukhari and Muslim)

→ He stood for a Jewish funeral; he visited a sick Jewish boy and pledged his armour with a Jewish trader.

The tribes of Qaynuqa, Nadir and Qurayzah left Madinah only after **each broke the Charter**; those who kept it remained in peace.

(5) Reconciliation with the Christians

(i) Abyssinia — the Christian refuge

He sent the persecuted Muslims to the **Negus**, 'a king in whose land no one is wronged'. When the Negus died, the Prophet ﷺ led the funeral prayer for him in absence (Al-Bukhari).

(ii) Najran — a written charter of rights

✦ FROM THE SIRAH

وَلِنَجْرَانَ وَحَاشِيَتِهَا جِوَارُ اللَّهِ وَذِمَّةُ مُحَمَّدٍ النَّبِيِّ عَلَى أَمْوَالِهِمْ وَمِلَّتِهِمْ وَبَيْعِهِمْ

"For Najran and its people there is the protection of Allah and the guarantee of Muhammad the Prophet — for their property, their religion and their churches." (Imam Abu Yusuf, Kitab al-Kharaj; Ibn Sa'd)

→ The delegation prayed in the **Mosque of Madinah**.

(iii) Aylah — protection at the frontier

At Tabuk (9 AH) he gave **Yuhanna ibn Ru'bah**, the Christian ruler of Aylah, a covenant protecting his people, ships and caravans.

(iv) Dialogue on common ground

✦ QURAN

﴿قُلْ يَٰٓأَهْلَ ٱلْكِتَٰبِ تَعَالَوْا۟ إِلَىٰ كَلِمَةٍ سَوَآءٍ بَيْنَنَا وَبَيْنَكُمْ أَلَّا نَعْبُدَ إِلَّا ٱللَّهَ وَلَا نُشْرِكَ بِهِۦ شَيْئًا وَلَا يَتَّخِذَ بَعْضُنَا بَعْضًا أَرْبَابًا مِّن دُونِ ٱللَّهِ...﴾

"Say: O People of the Scripture, come to a word common between us and you: that we worship none but Allah, associate nothing with Him, and that none of us take others as lords besides Allah." (Aal-e-Imran, Quran)

→ 'Come to a word common between us and you' — written to Heraclius, the Christian emperor.

✦ QURAN

﴿...وَلَتَجِدَنَّ أَقْرَبَهُم مَّوَدَّةَ ٱللَّذِينَ ءَامَنُوا۟ ٱلَّذِينَ قَالُوا۟ إِنَّا نَصْرِيۦ ذَٰلِكَ بِأَنَّ مِنْهُمْ قِسِيۦسِينَ وَرُهَبَانًا وَأَنَّهُمْ لَا يَسْتَكْبِرُونَ﴾

"You will find the nearest of them in affection to the believers those who say, 'We are Christians' — that is because among them are priests and monks, and they are not arrogant." (Al-Ma'idah, Quran)

→ The nearest in affection to the believers are **those who say, 'We are Christians'**.

Reconciliation with the three communities — the names only

Pagans	Jews	Christians
Makkan patience	Charter — one community	Abyssinia and the Negus
Taif du'a	the Tu'mah case	Najran charter
Hudaybiyyah	Khaybar sharecropping	Aylah covenant
Makkah amnesty	'is it not a soul?'	the common word
Hawazin freed		
Thaqif received		

Figure 10 · At a glance — reconciliation with the three communities — the names only. The detail is in the sections above.

(6) Why he is the greatest peace maker in the world

- **(a) Peace from strength:** he forgave Makkah when he held it at his mercy — not as a weak party.
- **(b) Peace with every community:** idolaters, Jews and Christians — no other leader of his age made written peace with all three.
- **(c) Peace written into law:** the Charter and the treaties gave rights that could be claimed.
- **(d) Peace that lasted:** Arabia, at war for centuries, became one people within a decade.

✦ SCHOLARLY VIEW

Michael H. Hart · The 100 (1978)

Hart placed the Prophet ﷺ first among the most influential persons because he succeeded on both the religious and the secular levels — and peace-making was central to his secular success.

→ A neutral judgement.

(7) Conclusion

✦ HADITH

إِنَّ دِمَاءَكُمْ وَأَمْوَالَكُمْ حَرَامٌ عَلَيْكُمْ كَحُرْمَةِ يَوْمِكُمْ هَذَا

"Your lives and your property are sacred to one another, like the sanctity of this day." (Al-Bukhari and Muslim)

→ The last word of his mission, at the **Farewell Sermon**.

He reconciled with the pagans by patience, treaty and forgiveness; with the Jews by a shared constitution and impartial justice; and with the Christians by refuge, charters and dialogue. That is why he is not only a peace maker, but **the** peace maker — the model for a divided world today.

Why this answer scores

- **Three equal headings** for the three communities the question names.
- Each reconciliation is shown by **method** (patience, treaty, justice, charter), answering 'elucidate how'.
- It closes with a reasoned '**why the greatest**' — the comparative claim the question makes.

Answer 5 · A Prophet of Peace for the Contemporary Transnational World (CSS 2022 and 2018)

THE QUESTION · CSS 2022 · Q6 · 20 marks

Describe Hazrat Muhammad (ﷺ) as a Prophet of Peace for contemporary transnational world.

SAME THEME, OTHER YEAR · CSS 2018 · Q8

'The Holy Prophet (PBUH) is the prophet of peace and safety. Explain with arguments.' Use headings (2)–(4) of this answer, add a heading 'Safety (aman) of life, property and honour' (the Farewell Sermon; 'the believer is one whom people trust'; Al-Ma'idah 32), and replace heading (5) with **peace with other communities** from Answer 4.

First establish him as the Prophet of peace; then match his model to today's transnational problems.

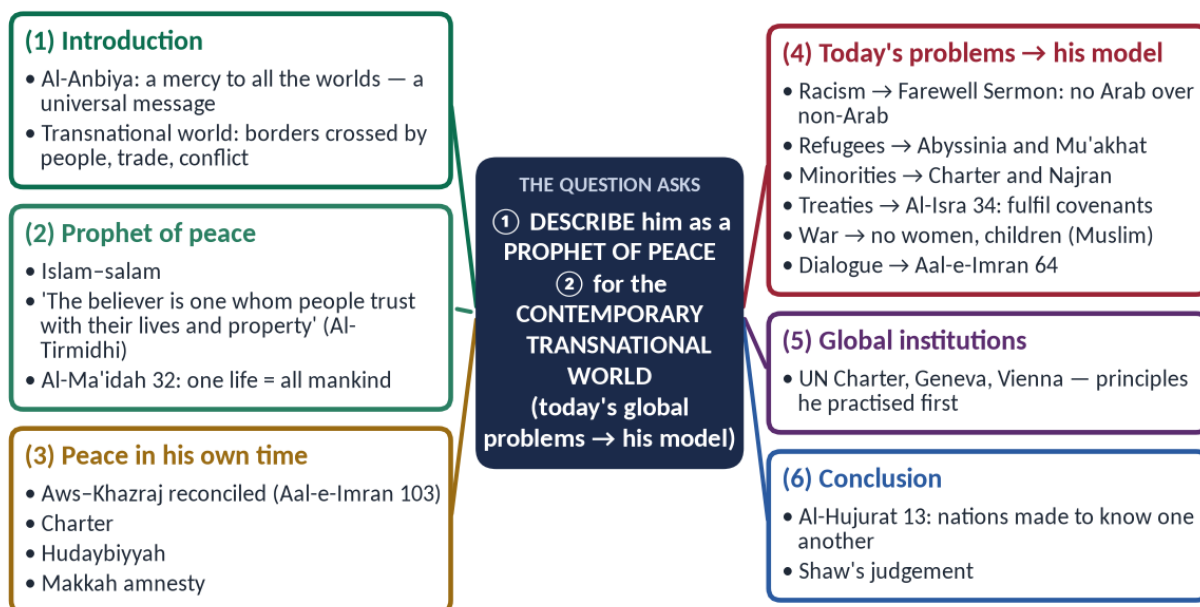

Figure 11 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'Describe' = present a full picture, with evidence.
- 'Prophet of Peace' = establish the concept first (salam, safety, reconciliation).
- 'Contemporary transnational world' = today's problems that cross borders — **migration, racism, minorities, terrorism, war, treaties, dialogue, environment** — and his answer to each. This limb decides the marks.

The model answer

(1) Introduction

✦ QURAN

﴿وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ﴾

“And We have not sent you, [O Muhammad], except as a mercy to the worlds.” (Al-Anbiya, Quran)

→ He was sent as a **mercy to all the worlds** — a message addressed to humanity, not to one nation.

The world today is **transnational**: people, money, ideas, disease and war cross borders freely. Over 120 million people are forcibly displaced; racism, terrorism, Islamophobia and wars in Gaza and elsewhere show that global peace is still missing. The Prophet ﷺ, whose own world was divided by tribe, race and religion, created a peaceful order out of it. His model speaks directly to this age.

(2) The Prophet ﷺ as a Prophet of peace

(i) Peace in the name of the religion

Islam (إِسْلَام) and salam (سَلَام) share one root; **As-Salam** is a name of Allah; Paradise is **Dar as-Salam**.

(ii) The Muslim as a source of safety for all people

✦ HADITH

وَالْمُؤْمِنُ مَنْ أَمِنَهُ النَّاسُ عَلَى دِمَائِهِمْ وَأَمْوَالِهِمْ

“The believer is the one whom **people** trust with their lives and their property.” (Al-Tirmidhi and Al-Nasa'i)

→ Not only Muslims — **all people** must be safe from a believer.

(iii) The value of one life

✦ QURAN

﴿...مَنْ قَتَلَ نَفْسًا بِغَيْرِ نَفْسٍ أَوْ فَسَادٍ فِي الْأَرْضِ فَكَأَنَّمَا قَتَلَ النَّاسَ جَمِيعًا وَمَنْ أَحْيَاهَا فَكَأَنَّمَا أَحْيَا النَّاسَ جَمِيعًا...﴾

“Whoever kills a soul — unless for a soul or for corruption in the land — it is as if he had slain mankind entirely; and whoever saves one, it is as if he had saved mankind entirely.” (Al-Ma'idah, Quran)

→ Killing one innocent soul is **like killing all mankind**.

(3) Peace in his own time — the proof of the model

- **Aws and Khazraj**, at war for a century, made brothers (Aal-e-Imran 103).
- **The Charter of Madinah** — one state for Muslims, Jews and Arab clans.
- **Hudaybiyyah** — a ten-year truce accepted on hard terms.
- **The Conquest of Makkah** — a city taken with an amnesty, not a massacre.

(4) His model for the problems of the transnational world

(i) Racism and nationalism

✦ FROM THE SIRAH

لَا فَضْلَ لِعَرَبِيٍّ عَلَى عَجَمِيٍّ، وَلَا لِعَجَمِيٍّ عَلَى عَرَبِيٍّ، وَلَا لِأَحْمَرَ عَلَى أَسْوَدَ، وَلَا أَسْوَدَ عَلَى أَحْمَرَ، إِلَّا بِالتَّقْوَى

“No Arab has superiority over a non-Arab, nor a non-Arab over an Arab, nor white over black, nor black over white — except by *taqwa*.” (Musnad Ahmad (the Farewell Sermon))

→ The answer to **racism and ethnic hatred**.

✦ QURAN

﴿يَا أَيُّهَا النَّاسُ إِنَّا خَلَقْنَاكُمْ مِنْ ذَكَرٍ وَأُنْثَىٰ وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا إِنَّ أَكْرَمَكُمْ عِنْدَ اللَّهِ أَتَقَىٰكُمْ إِنَّ اللَّهَ عَلِيمٌ خَبِيرٌ﴾

“O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted.” (Al-Hujurat, Quran)

→ Nations and tribes exist **to know one another** — diversity is for cooperation.

(ii) Refugees and migration

The Muslims were refugees twice: to **Abyssinia**, where a Christian king protected them, and to **Madinah**, where the **Mu'akhat** made every refugee a brother with home and work — integration without camps.

✦ QURAN

﴿وَإِنْ أَحَدٌ مِنَ الْمُشْرِكِينَ اسْتَجَارَكَ فَأَجِرْهُ حَتَّىٰ يَسْمَعَ كَلِمَ اللَّهِ ثُمَّ ابْلِغْهُ مَا آمَنَ بِهِ ذَلِكَ بِأَنَّهُمْ قَوْمٌ لَا يَعْلَمُونَ﴾

“And if any one of the polytheists seeks your protection, then grant him protection so that he may hear the words of Allah. Then deliver him to his place of safety. That is because they are a people who do not know.” (At-Tawbah, Quran)

→ Whoever **seeks your protection**, protect him and take him to safety.

(iii) Minorities and pluralism

The **Charter of Madinah** ('to the Jews their religion') and the **Najran treaty** (churches and clergy protected) are models for the rights of minorities anywhere.

✦ HADITH

مَنْ قَتَلَ مُعَاهِدًا لَمْ يَرِحْ رَائِحَةَ الْجَنَّةِ

“Whoever kills a non-Muslim under covenant will not smell the fragrance of Paradise.” (Al-Bukhari)

→ The **strongest protection** for minorities.

(iv) International treaties and the rule of law

✦ QURAN

﴿... وَأَوْفُوا بِالْعَهْدِ إِنَّ الْعَهْدَ كَانَ مَسْئُولًا﴾

"And fulfil every commitment; indeed, the commitment will be questioned about." (Al-Isra, Quran)

→ 'Fulfil every commitment; it will be asked about.'

He kept Hudaibiyyah even when it meant returning Abu Jandal — the model for respecting international agreements.

(v) War, terrorism and civilians

✦ HADITH

فَنَهَى رَسُولُ اللَّهِ ﷺ عَنْ قَتْلِ النِّسَاءِ وَالصِّبْيَانِ

"He forbade the killing of women and children." (Al-Bukhari and Muslim)

→ The Prophetic law of war condemns **terrorism** and the bombing of civilians alike.

(vi) Diplomacy and dialogue

✦ QURAN

﴿قُلْ يَٰٓأَهْلَ ٱلْكِتَٰبِ تَعَالَوْا۟ إِلَىٰ كَلِمَةٍ سَوَآءٍ بَيْنَنَا وَبَيْنَكُمْ أَلَّا نَعْبُدَ إِلَّا ٱللَّهَ وَلَا نُشْرِكَ بِهِۦ شَيْئًا وَلَا يَتَّخِذَ بَعْضُنَا بَعْضًا أَرْبَابًا مِّن دُونِ ٱللَّهِ...﴾

"Say: O People of the Scripture, come to a word common between us and you: that we worship none but Allah, associate nothing with Him, and that none of us take others as lords besides Allah." (Aal-e-Imran, Quran)

→ 'Come to a word common between us and you.'

Letters to eight rulers, delegations received in the Mosque, envoys protected: 'were it not that envoys are not killed...' (Abu Dawud).

(vii) Economic justice and the environment

Zakat and the ban on hoarding answer global inequality; the order not to cut fruit trees even in war, and 'if the Hour comes and one of you has a sapling, let him plant it' (Ahmad), answer the climate crisis.

Transnational problem	The Prophetic model	Modern parallel
Racism	Farewell Sermon; Al-Hujurat 13	UN Convention on Racial Discrimination (1965)
Refugees	Abyssinia; Mu'akhat; At-Tawbah 6	Refugee Convention (1951)
Minorities	Charter of Madinah; Najran	Minority rights; Article 36 (Pakistan)
Treaties	Al-Isra 34; Hudaibiyyah kept	Vienna Convention on Treaties (1969)
War and terror	Buraydah hadith; no civilians	Geneva Conventions (1949)
Diplomacy	Letters; immunity of envoys	Vienna Convention (1961)
Dialogue	Aal-e-Imran 64; Najran debate	A Common Word (2007)
Poverty, climate	Zakat; trees protected	SDGs; Paris Agreement (2015)

(5) What the world has said

✦ SCHOLARLY VIEW

George Bernard Shaw · The Genuine Islam (1936)

Shaw wrote that if a man like Muhammad were to lead the modern world, he would solve its problems in a way that would bring it the peace and happiness it needs.

→ A Western writer's view of his **relevance today**.

(6) Conclusion

✦ QURAN

﴿يَا أَيُّهَا النَّاسُ إِنَّا خَلَقْنَاكُمْ مِنْ ذَكَرٍ وَأُنْثَىٰ وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا إِنَّ أَكْرَمَكُمْ عِنْدَ اللَّهِ أَتْقَاكُمْ إِنَّ اللَّهَ عَلِيمٌ خَبِيرٌ﴾

"O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted." (Al-Hujurat, Quran)

→ The most honoured of you in the sight of Allah is **the most righteous** — not the richest nation or the strongest race.

The transnational world has written laws for peace — the UN Charter, the Geneva and Vienna Conventions — but keeps breaking them. The Prophet ﷺ practised these principles fourteen centuries earlier and, more importantly, **joined them to character and accountability before Allah**. He is therefore not a figure of the past but a Prophet of peace for this age: for the refugee, the minority, the victim of racism and the civilian under bombardment.

Why this answer scores

- It gives the '**transnational**' limb its full weight — eight modern problems, each matched to a Prophetic model and a modern parallel.
- It first proves '**Prophet of peace**' from the Quran and Hadith, then brings it to today.
- The 'same theme' box turns it into a ready answer for **2018**.

Answer 6 · The Peace Agreements of the Prophetic Era: Contents and Parties (CSS 2025)

THE QUESTION · CSS 2025 · Q6 · 20 marks

Discuss the contents of the peace agreements made during the Prophet's era, identifying the parties to those agreements.

One heading per agreement: parties → contents → significance.

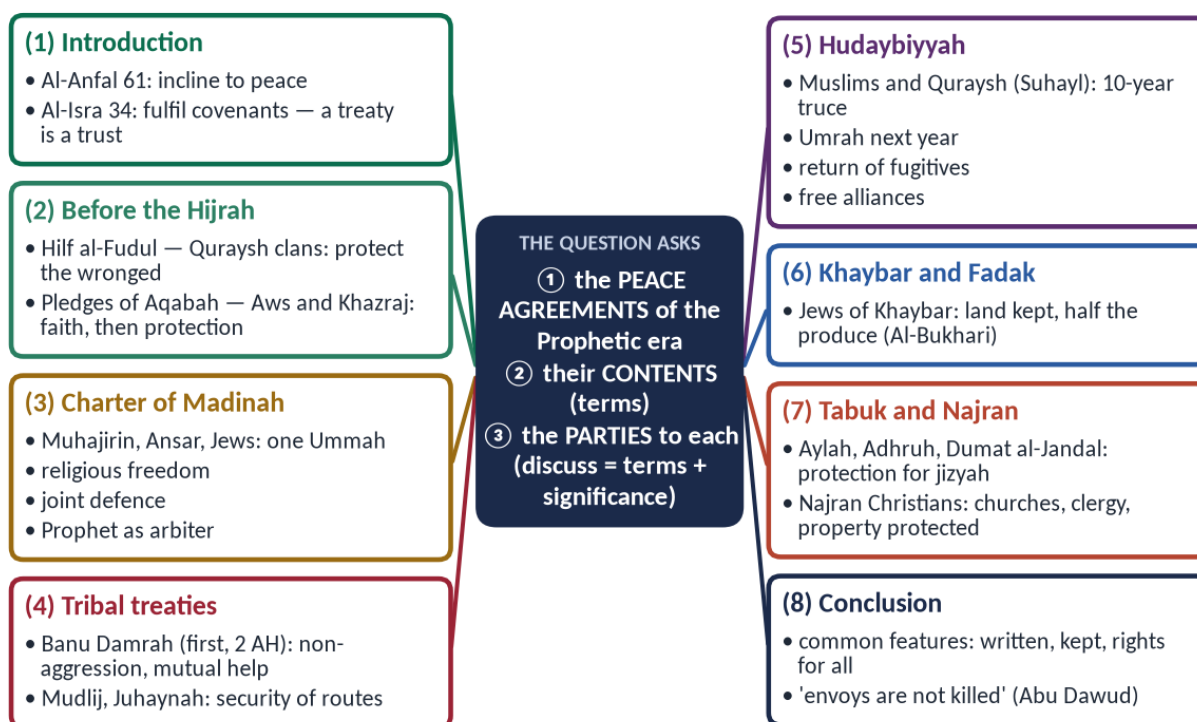

Figure 12 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'Contents' = the **terms** of each agreement — the core of the answer.
- 'Identifying the parties' = name **both sides** of every agreement clearly.
- 'Discuss' = add the significance and common features.
- Arrange **chronologically** and put a **summary table** at the end.

The model answer

(1) Introduction

✦ QURAN

﴿وَإِنْ جَنَحُوا لِلسَّلَامِ فَاجْنَحْ لَهَا وَتَوَكَّلْ عَلَى اللَّهِ إِنَّهُ هُوَ السَّمِيعُ الْعَلِيمُ﴾

"And if they incline to peace, then incline to it [also] and rely upon Allah. Indeed, it is He who is the Hearing, the Knowing." (Al-Anfal, Quran)

→ 'If they incline to peace, **incline to it.**'

✦ QURAN

﴿...وَأَوْفُوا بِالْعَهْدِ إِنَّ الْعَهْدَ كَانَ مَسْئُولًا﴾

"And fulfil every commitment; indeed, the commitment will be questioned about." (Al-Isra, Quran)

→ 'Fulfil every commitment; the commitment will be asked about.'

The Prophet ﷺ made more agreements than he fought battles. From a pact for justice as a young man to treaties with Christian rulers in his last years, he used agreements to protect the weak, secure the state and open the way for his message. Below, each agreement is given with its **parties** and **contents**.

(2) Hilf al-Fudul — the League of the Virtuous (c. 590)

- **Parties:** the clans of Quraysh — **Hashim, Muttalib, Zuhrah, Taym and Asad** — meeting in the house of **Abdullah ibn Jud'an**; the young Muhammad ﷺ was present.
- **Contents:** to stand with anyone **wronged in Makkah**, citizen or stranger, until his right is restored.

✦ FROM THE SIRAH

وَلَوْ أُدْعِيَ بِهِ فِي الْإِسْلَامِ لَأَجَبْتُ

"If I were invited to it in Islam, I would accept." (Al-Bayhaqi; Sirat Ibn Hisham)

→ He **approved it after Prophethood** — cooperation with others for justice.

(3) The Pledges of Aqabah (621 and 622)

- **Parties:** the Prophet ﷺ and men (and two women) of the **Aws and Khazraj** of Yathrib.
- **Contents:** **first pledge** (12 men) — not to associate partners with Allah, steal, commit adultery, kill children or slander; **second pledge** (73 men, 2 women) — to protect him as they protected their own families. It opened the way for the Hijrah.

(4) The Charter of Madinah (1 AH / 622)

- **Parties:** the **Muhajirin** of Quraysh, the **Ansar** (Aws and Khazraj clans), the **Jewish tribes** of Yathrib and their allies.
- **Contents:**
- (a) All parties form **one community** (Ummah) distinct from others.
- (b) **Religious freedom** — 'to the Jews their religion and to the Muslims theirs'.
- (c) Disputes referred to **Allah and Muhammad ﷺ**.
- (d) **Joint defence** of Madinah; each party bears its own costs; no protection for the Quraysh.
- (e) Yathrib a **sanctuary**; guilt is personal; blood-money paid by the clans.

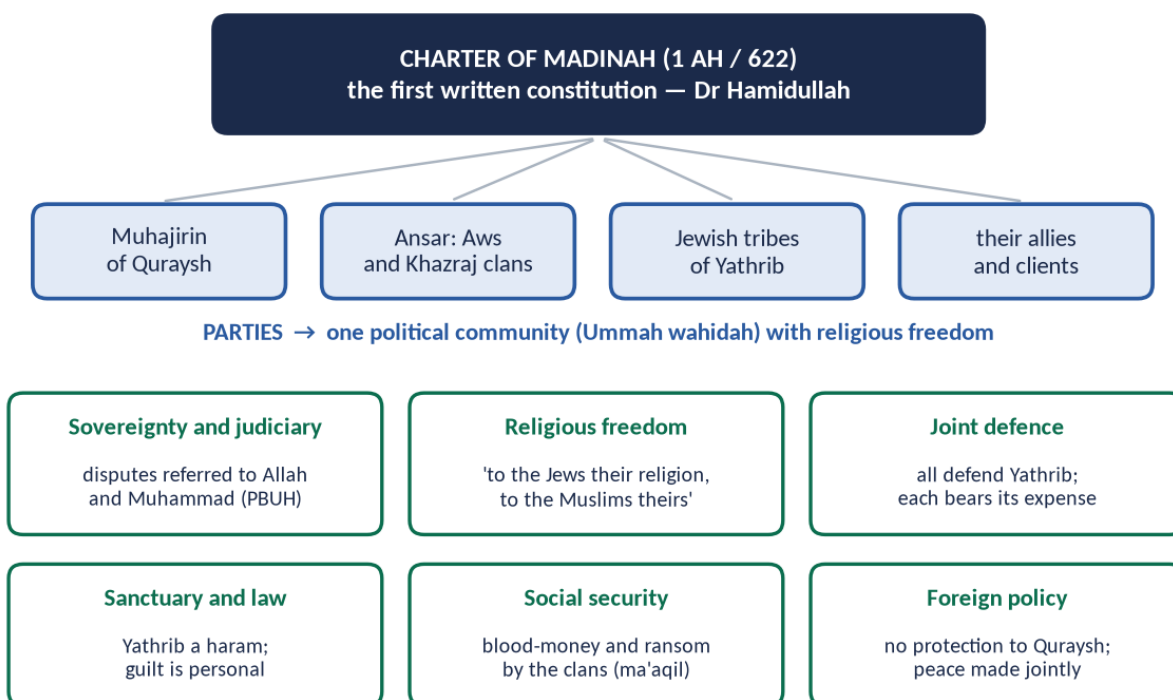

Figure 13 · The parties and provisions of the Charter of Madinah.

(5) Treaties with the tribes around Madinah (2 AH)

- **Banu Damrah** (with their chief **Makhshi ibn Amr**) — the **first treaty with a non-Muslim tribe**: neither side to attack the other; each to help the other when called; their lives and property safe.
- **Banu Mudlij** and **Juhaynah** — non-aggression on the coastal routes.

(6) The Treaty of Hudaibiyyah (6 AH / 628)

- **Parties**: the **Muslims** of Madinah, led by the Prophet ﷺ, and the **Quraysh** of Makkah, represented by **Suhayl ibn Amr**.
- **Contents**:

#	Term
1	No war for ten years ; people to be safe from each other.
2	Muslims return this year ; perform Umrah next year for three days , with sheathed swords.
3	A Makkan who goes to Madinah without his guardian's leave is returned ; a Muslim going to Makkah is not.
4	Tribes free to ally with either side — Khuza'ah with the Muslims, Banu Bakr with the Quraysh.

✦ QURAN

﴿إِنَّا فَتَحْنَا لَكَ فَتْحًا مُبِينًا﴾

“Indeed, We have given you, [O Muhammad], a clear conquest.” (Al-Fath, Quran)

→ 'A clear victory' — the Quran's verdict on this treaty.

(7) The agreement of Khaybar and Fadak (7 AH)

- **Parties**: the **Muslims** and the **Jews of Khaybar**; separately, the people of **Fadak**.
- **Contents**:

✦ HADITH

أَعْطَى رَسُولُ اللَّهِ ﷺ خَيْبَرَ الْيَهُودَ أَنْ يَعْمَلُوهَا وَيَزْرَعُوهَا، وَلَهُمْ شَطْرُ مَا يُخْرِجُ مِنْهَا

“The Messenger of Allah ﷺ gave Khaybar to the Jews to work and cultivate, and they would have half of what it produced.” (Al-Bukhari)

→ Land and livelihood **left with its people**; Fadak made peace on half its produce without fighting.

(8) The treaties of Tabuk (9 AH)

- **Parties:** the Muslims and **Yuhanna ibn Ru'bah**, Christian ruler of **Aylah**; the people of **Adhruh**, **Jarba** and **Maqna**; **Ukaydir** of **Dumat al-Jandal**.
- **Contents:** **protection of life, property, ships and caravans** by land and sea, and freedom of religion, in return for an annual **jizyah** — a tax in place of military service.

(9) The treaty of Najran (9–10 AH)

- **Parties:** the Prophet ﷺ and the **Christians of Najran**, whose delegation came to Madinah.
- **Contents:** **protection of their churches, clergy, religion and property**; no bishop or monk to be removed; no interference in their faith; in return **2,000 robes** a year (Abu Dawud).

✦ FROM THE SIRAH

وَلِنَجْرَانَ وَحَاشِيَتِهَا جِوَارُ اللَّهِ وَذِمَّةُ مُحَمَّدٍ النَّبِيِّ عَلَى أَمْوَالِهِمْ وَمِلَّتِهِمْ وَبَيْعِهِمْ

“For Najran and its people there is the protection of Allah and the guarantee of Muhammad the Prophet — for their property, their religion and their churches.” (Imam Abu Yusuf, *Kitab al-Kharaj*; Ibn Sa'd)

→ A written **guarantee of religious freedom**.

(10) The agreement with Thaqif (9 AH)

- **Parties:** the Prophet ﷺ and the **delegation of Thaqif** of Taif.
- **Contents:** the valley of Taif protected; the people accepted Islam; their idol (al-Lat) removed by others, not by their own hands — a sensitive term respected.

(11) Summary table

Agreement	Date	Parties	Core content
Hilf al-Fudul	c. 590	Quraysh clans	Protect the wronged
Aqabah I and II	621–622	The Prophet ﷺ; Aws, Khazraj	Faith; protection
Charter of Madinah	1 AH	Muhajirin, Ansar, Jews	One Ummah; freedom; defence
Banu Damrah	2 AH	Muslims; Banu Damrah	Non-aggression; help
Hudaybiyyah	6 AH	Muslims; Quraysh	Ten-year truce
Khaybar, Fadak	7 AH	Muslims; Jews of Khaybar	Half the produce
Tabuk treaties	9 AH	Aylah, Adhruh, Dumat al-Jandal	Protection for jizyah
Najran	9–10 AH	Christians of Najran	Churches protected
Thaqif	9 AH	Taif	Valley protected

(12) Common features of the agreements

- (a) **Written and witnessed** — a new practice in an oral culture.
- (b) **Kept faithfully** — Abu Jandal returned; no Muslim breach recorded.
- (c) **Rights for all parties** — religion, property and life guaranteed.
- (d) **Flexibility in form** — 'Bismika Allahumma' accepted at Hdaybiyyah.
- (e) **Peace as the goal** — every treaty replaced a possible war.

(13) Conclusion

★ HADITH

لَوْلَا أَنَّ الرُّسُلَ لَا تُقْتَلُ لَضَرَبْتُ أَعْنَاقَكُمْ

"Were it not that envoys are not killed, I would have struck your necks." (Abu Dawud)

→ Even envoys of an enemy were **protected by law**.

The peace agreements of the Prophetic era joined every community of his world — clans of Quraysh, Arab tribes, Jews and Christians — in written, faithfully kept covenants. They are the foundation of Islamic international law (**siyar**), as **Dr Muhammad Hamidullah** showed, and a model for a world that signs treaties but too often breaks them.

Why this answer scores

- Every agreement has **parties** and **contents** as separate labelled lines — the two demands of the question.
- **Chronological order** plus a **summary table** make the answer easy to mark.
- Common features and a conclusion add the **discussion**.

Answer 7 · Short Notes: Hudaybiyyah as a Pact of Peace; the Benefits of Khaybar (CSS 2021)

THE QUESTION · CSS 2021 · Q8 · 20 marks (10 + 10)

Write notes on the following: (a) Treaty of Hudaybiyya as a pact of peace; (b) Benefits acquired from the Battle of Khaybar.

Two short notes of equal length — each with a short background and the limb the question names.

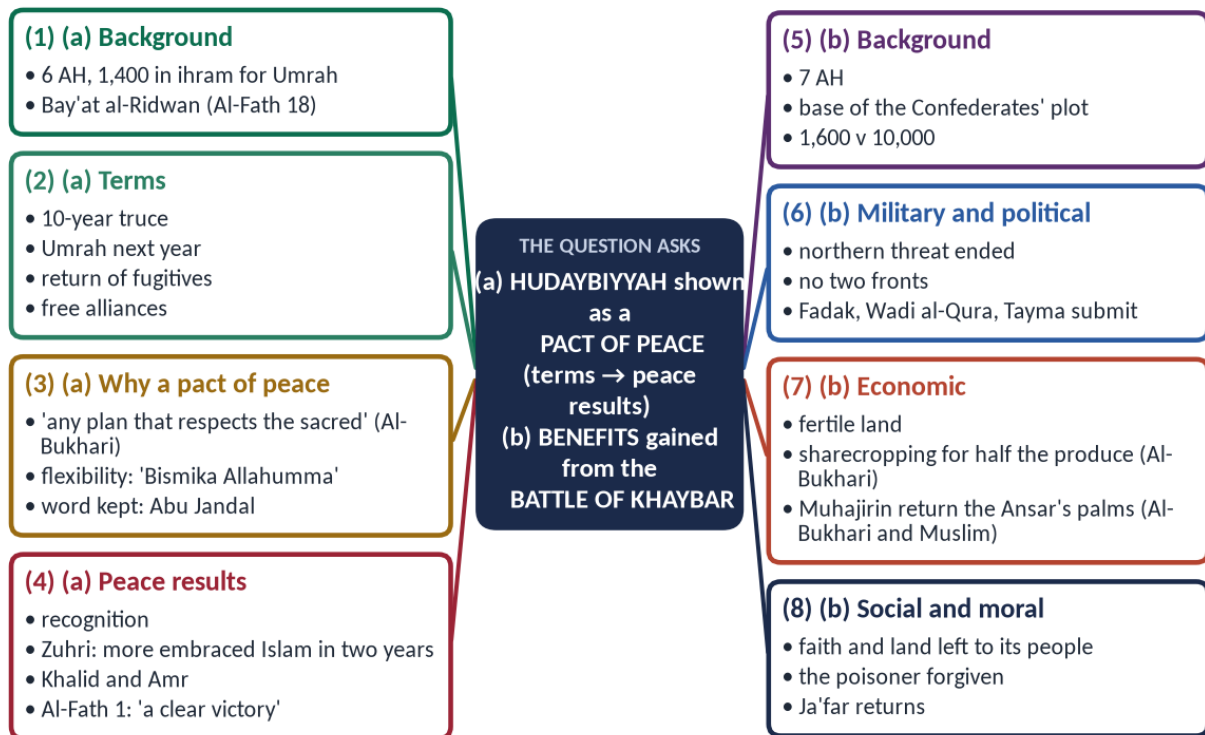

Figure 14 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- Two notes, **10 marks each** — give each about equal space.
- **(a) 'as a pact of peace'** — not a general account: show how its terms, spirit and results **made peace**.
- **(b) 'Benefits acquired'** — group the benefits (military, political, economic, social), not a battle narrative.

The model answer

(a) The Treaty of Hudaybiyyah as a pact of peace

(i) Background

In Dhul Qa'dah 6 AH (628) the Prophet ﷺ set out with about **1,400** Companions for **Umrah** — in ihram, with sacrificial animals, carrying only sheathed swords. The Quraysh stopped them at Hudaybiyyah. When a rumour said his envoy Uthman (RA) was killed, the Companions pledged to stand by him:

✦ QURAN

﴿لَقَدْ رَضِيَ اللَّهُ عَنِ الْمُؤْمِنِينَ إِذْ يُبَايِعُونَكَ تَحْتَ الشَّجَرَةِ فَعَلِمَ مَا فِي قُلُوبِهِمْ فَأَنْزَلَ السَّكِينَةَ عَلَيْهِمْ وَأَثَبَهُمْ فَتْحًا قَرِيبًا﴾

“Certainly was Allah pleased with the believers when they pledged allegiance to you, [O Muhammad], under the tree, and He knew what was in their hearts, so He sent down tranquillity upon them and rewarded them with an imminent conquest.” (Al-Fath, Quran)

→ Allah **was pleased with the believers** when they pledged allegiance under the tree.

(ii) The terms

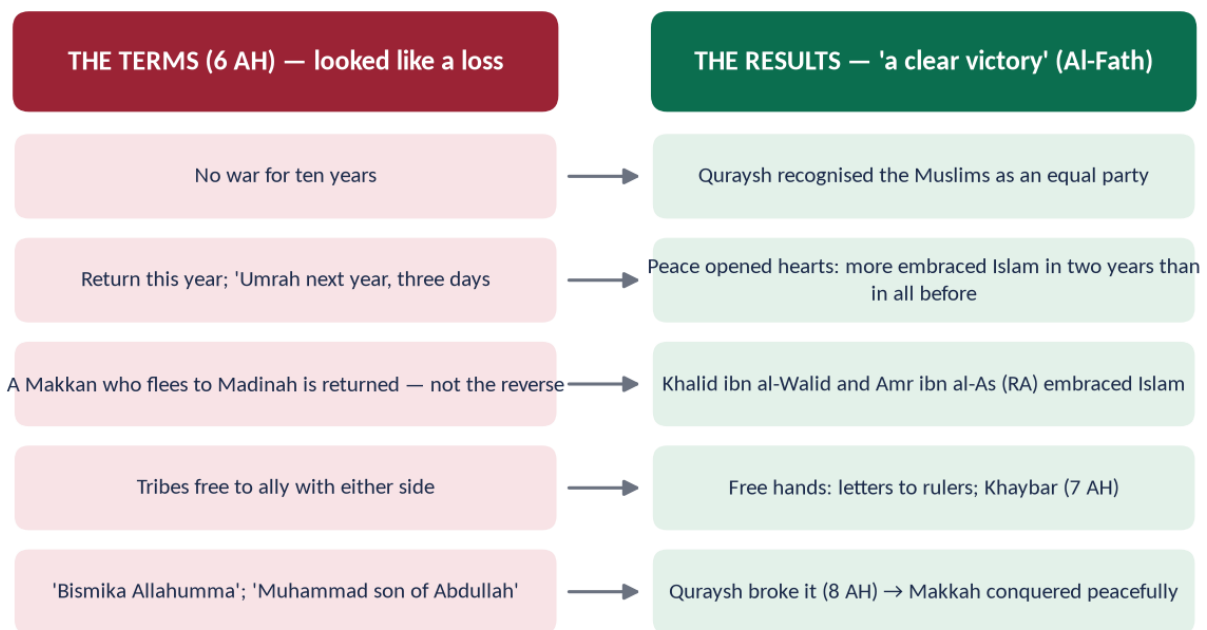

Figure 15 · The terms of Hudaibiyyah and what they produced.

(iii) Why it was a pact of peace

- **The intention was peace:** he came as a pilgrim, not a warrior.

✦ HADITH

وَالَّذِي نَفْسِي بِيَدِهِ لَا يَسْأَلُونِي خُطَّةً يُعْظَمُونَ فِيهَا حُرْمَاتِ اللَّهِ إِلَّا أَعْطَيْتَهُمْ إِيَّاهَا

“Whatever plan they propose that respects the sanctities of Allah, I will grant it.” (Al-Bukhari)

→ He declared himself ready for **any** honourable peace.

- **Flexibility for peace:** he accepted 'Bismika Allahumma' and 'Muhammad ibn Abdullah' in place of the Muslim wording.
- **The truce itself: ten years without war** — the first guaranteed peace between Makkah and Madinah.
- **The word kept: Abu Jandal (RA)** arrived in chains and was returned; the Muslims grieved, but the treaty held.

(iv) The peace it produced

✦ QURAN

﴿إِنَّا فَتَحْنَا لَكَ فَتْحًا مُبِينًا﴾

"Indeed, We have given you, [O Muhammad], a clear conquest." (Al-Fath, Quran)

→ 'Indeed, We have given you a clear victory' — revealed on the way home.

- **Recognition:** the Quraysh treated the Muslims as an equal party.
- **Dawah in peace:** Imam al-Zuhri said no victory was greater: when people met without war, more embraced Islam in two years than in all the years before — **1,400** at Hudaibiyyah, **10,000** at Makkah.
- **Khalid ibn al-Walid** and **Amr ibn al-As** accepted Islam.
- **Letters to the rulers** and a free hand in the north.
- When the Quraysh themselves broke it (8 AH), Makkah was taken **almost without bloodshed**.

In short: Hudaibiyyah looked like a loss and was a victory — because **peace**, not war, carried Islam across Arabia.

(b) The benefits acquired from the Battle of Khaybar**(i) Background**

Khaybar, a fortified oasis about 150 km north of Madinah, had become the base of the plots against Madinah: leaders of the exiled Banu Nadir had raised the **Confederates** of 5 AH and allied with **Ghatafan**. In **Muharram 7 AH** the Prophet ﷺ marched with about **1,600** men, cut Khaybar off from Ghatafan, and took its eight forts one by one; the flag of the final assault went to **Ali (RA)**.

(ii) Military and political benefits

- **The northern conspiracy ended** — Madinah was safe from the north.
- **No two-front war** — with Quraysh bound by Hudaibiyyah and Khaybar subdued, the state was secure.
- **Peaceful submission** of **Fadak**, **Wadi al-Qura** and **Tayma** without fighting.
- **A new balance** — the Muslims became the leading power of Arabia.

(iii) Economic benefits

✦ HADITH

أَعْطَى رَسُولُ اللَّهِ ﷺ خَيْرَ الْيَهُودِ أَنْ يَعْمَلُوهَا وَيَزْرَعُوهَا، وَلَهُمْ شَطْرُ مَا يَخْرُجُ مِنْهَا

"He gave Khaybar to the Jews to work and cultivate, for half of what it produced." (Al-Bukhari)

→ A lasting model of **sharecropping** (muzara'ah) and state revenue.

✦ HADITH

رَدَّ الْمُهَاجِرُونَ إِلَى الْأَنْصَارِ مَنَاخِمَهُمْ

"The Muhajirin returned to the Ansar the date palms they had been given." (Al-Bukhari and Muslim)

→ The refugees became **self-supporting**.

(iv) Social, moral and legal benefits

- **Tolerance in victory:** the people kept their homes, land and religion.
- **Forgiveness:** the woman who served him poisoned meat was pardoned for his own sake.
- **Law:** rules on booty, conquered land and sharecropping were settled.
- **Reunion:** Ja'far ibn Abi Talib (RA) and the emigrants of Abyssinia returned — 'I do not know which makes me happier: Khaybar or Ja'far' (Al-Hakim).

In short: Khaybar removed the last military threat to Madinah, gave the young state an economic base, and showed that even a victory in war was used to build peace and justice.

Why this answer scores

- **Equal space** for two 10-mark notes.
- Note (a) proves '**pact of peace**' — intention, flexibility, truce, word kept, results.
- Note (b) gives **benefits grouped by kind**, with two hadith from Al-Bukhari as proof.

Answer 8 · The Charter of Madinah as a Social Contract (CSS 2020 and 2023)

THE QUESTION · CSS 2020 · Q6 · 20 marks

Analyze the Madina Accord as a "Social Contract" in detail.

SAME QUESTION, OTHER YEAR · CSS 2023 · Q6

'Analyze the Charter of Madina as a social contract.' The same answer serves; 2020 adds 'in detail' — give the full provisions (heading 4) and the modern comparison (heading 7).

Analysis = theory + mapping + judgement, not a list of clauses.

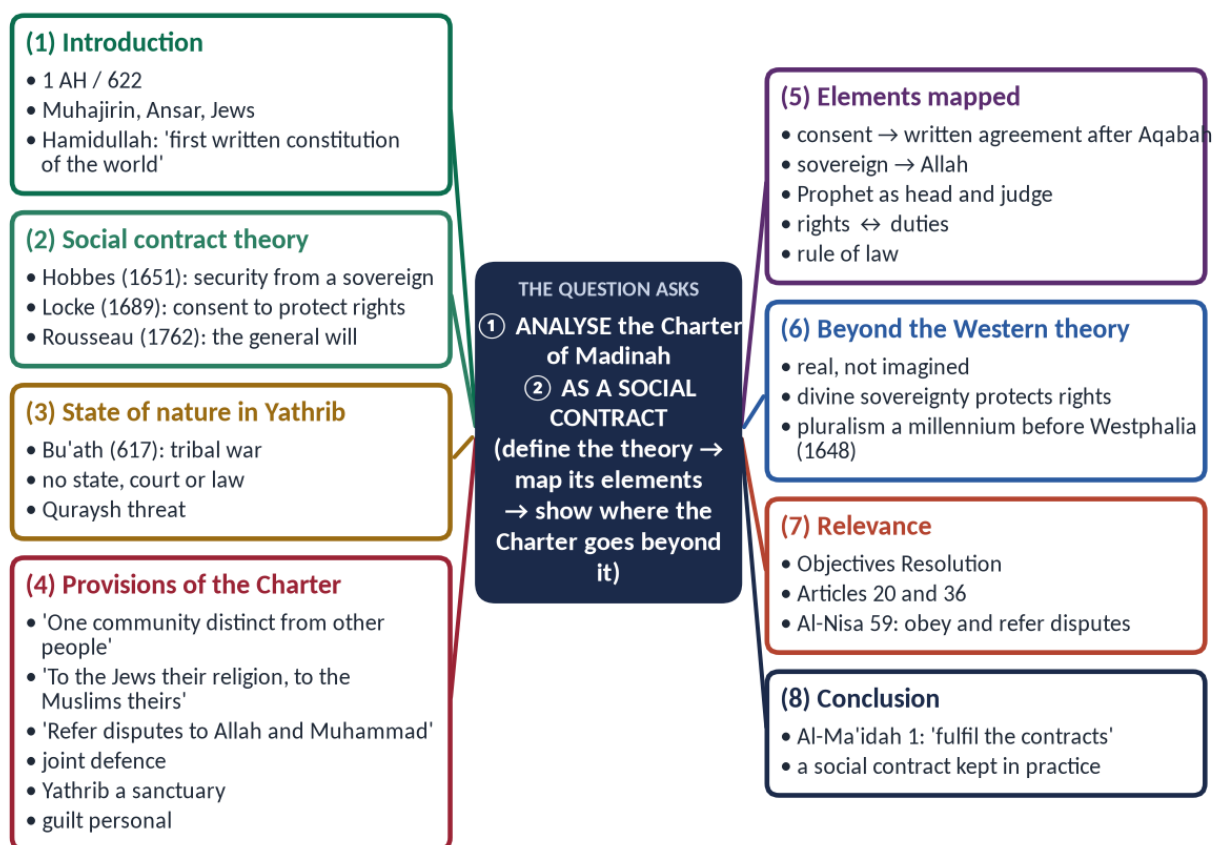

Figure 16 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'Analyze' = break into parts and **judge** — not just describe.
- 'As a social contract' = use the **theory** (Hobbes, Locke, Rousseau) as the measuring rod and test the Charter against each element.
- 'In detail' (2020) = full provisions and a modern comparison.

The model answer

(1) Introduction

The **Charter of Madinah** — **Mithaq al-Madinah** (مِيثَاقُ الْمَدِينَةِ) or **Sahifat al-Madinah** (صَحِيفَةُ الْمَدِينَةِ) — was drawn up by the Prophet ﷺ in **1 AH / 622**, soon after the Hijrah, among the **Muhajirin**, the **Ansar** and the **Jewish tribes** of Yathrib. It is preserved by **Ibn Ishaq** (in Ibn Hisham) and **Abu Ubayd** and has about fifty clauses (counted from 47 to 53).

✦ SCHOLARLY VIEW

Dr Muhammad Hamidullah · The First Written Constitution in the World

Hamidullah called it 'the first written constitution of the world', because it defined a state, its citizens, its authority and its law in writing — centuries before Magna Carta (1215).

→ The standard judgement.

This answer analyses the Charter as a **social contract**: it defines the theory, shows the 'state of nature' in Yathrib, sets out the Charter's terms, maps them onto the theory, and shows where the Charter goes beyond it.

(2) The theory of the social contract

A **social contract** is the agreement by which people leave a 'state of nature' without government and form a political society, accepting a common authority and law in exchange for security and rights.

Thinker	Work	Key idea
Thomas Hobbes	Leviathan (1651)	Life without a state is 'nasty, brutish and short'; people surrender power to a sovereign for security .
John Locke	Two Treatises of Government (1689)	People consent to government to protect life, liberty and property ; power is limited.
J. J. Rousseau	The Social Contract (1762)	People bind themselves to laws of the general will ; freedom through law.

(3) The 'state of nature' in Yathrib

- **War of all against all:** the Aws and Khazraj had fought for generations; the battle of **Bu'ath** (617) had exhausted both.
- **No common authority:** no ruler, no court, no written law — every clan was judge in its own case.
- **A divided population:** Arab clans, several Jewish tribes, and now the Muslim emigrants.
- **External danger:** the Quraysh threatened the Muslims.

This was precisely Hobbes' state of nature — and the people of Yathrib had invited the Prophet ﷺ at Aqabah to end it.

(4) The provisions of the Charter

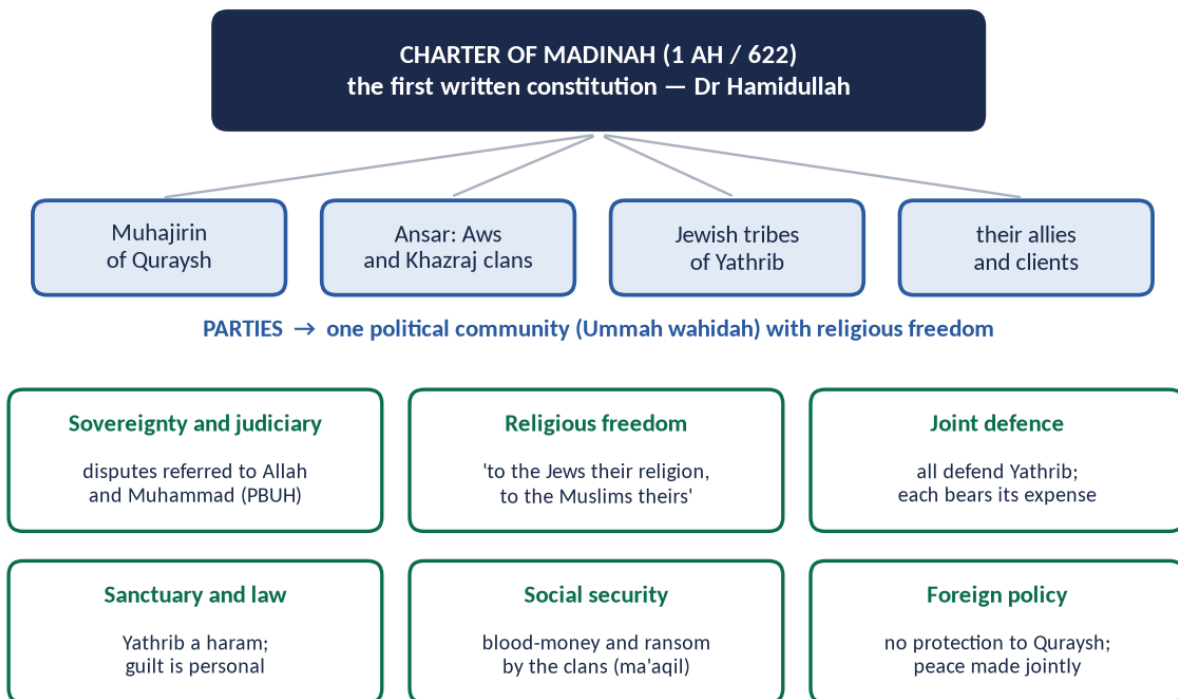

Figure 17 · The parties and main provisions of the Charter of Madinah.

(i) A new political community

✦ FROM THE SIRAH

إِنَّهُمْ أُمَّةٌ وَاحِدَةٌ مِنْ دُونِ النَّاسِ

"They are one community (Ummah) distinct from all other people." (Sirat Ibn Hisham (the Charter))

→ **Citizenship** above tribe.

(ii) Religious freedom within the community

✦ FROM THE SIRAH

وَإِنَّ يَهُودَ بَنِي عَوْفٍ أُمَّةٌ مَعَ الْمُؤْمِنِينَ، لِلْيَهُودِ دِينُهُمْ وَلِلْمُسْلِمِينَ دِينُهُمْ

"The Jews of Banu Awf are one community with the believers: to the Jews their religion, and to the Muslims theirs." (Sirat Ibn Hisham (the Charter))

→ Membership **without conversion**.

(iii) Sovereignty and judiciary

✦ FROM THE SIRAH

وَإِنْكُمْ مَهْمَا اخْتَلَفْتُمْ فِيهِ مِنْ شَيْءٍ فَإِنَّ مَرَدَّهُ إِلَى اللَّهِ وَإِلَى مُحَمَّدٍ

"Whatever you differ about is to be referred to Allah and to Muhammad." (Sirat Ibn Hisham (the Charter))

→ A **central authority** replaces tribal self-help.

(iv) Collective security

★ FROM THE SIRAH

وَإِنْ يَنْصُرُ عَلَى مَنْ حَارَبَ أَهْلَ هَذِهِ الصَّحِيفَةِ

“They shall help one another against whoever fights the people of this document.” (Sirat Ibn Hisham (the Charter))

→ Joint defence; each party bears its own expenses; no protection to the Quraysh.

(v) Sanctuary, law and welfare

- **Yathrib a sanctuary** (haram) for all parties.
- **Guilt is personal** — no collective punishment of a tribe.
- **Justice even against one's own:** all stand against the wrongdoer 'even if he is the son of one of them'.
- **Blood-money and ransom** paid by the clans — an early system of social security.

(5) The Charter measured against the social contract

Element of a social contract	In the Charter of Madinah
State of nature	Tribal war (Bu'ath); no court, no ruler
Consent	Negotiated after the pledges of Aqabah; written and accepted by every party
Common authority	Allah as sovereign; the Prophet ﷺ as head of state and final judge
Security (Hobbes)	Joint defence; Yathrib a sanctuary
Rights (Locke)	Life, property, religion, protection of clients and neighbours
General will (Rousseau)	One Ummah — a shared identity above clans
Duties	Defence, sharing costs, loyalty, no help to enemies
Rule of law	Guilt personal; justice even against one's son

Judgement: every essential element of the social contract is present — and in written, practical form.

(6) Where the Charter goes beyond the Western social contract

- **(a) Real, not hypothetical:** Hobbes, Locke and Rousseau imagined a contract to explain the state; the Charter **was actually made and signed** in 622.
- **(b) Divine sovereignty protects rights:** because the source of law is Allah, basic rights cannot be removed by a majority or a ruler.

★ QURAN

﴿... أَطِيعُوا اللَّهَ وَأَطِيعُوا الرَّسُولَ وَأُولِي الْأَمْرِ مِنْكُمْ فَإِنْ تَنَازَعْتُمْ فِي شَيْءٍ فَرُدُّوهُ إِلَى اللَّهِ وَالرَّسُولِ...﴾

“Obey Allah and obey the Messenger and those in authority among you; and if you disagree over anything, refer it to Allah and the Messenger.” (An-Nisa, Quran)

→ Obey Allah, the Messenger and those in authority; **refer disputes to Allah and the Messenger** — the constitutional principle of the Charter.

- **(c) Pluralism from the start:** it united people of different religions, while Europe fought wars of religion until the Peace of Westphalia (1648).

- **(d) Moral foundation:** loyalty rested on faith and justice, not on fear (Hobbes) or interest alone.
- **(e) Tested in practice:** when the tribes of **Qaynuqa**, **Nadir** and **Qurayzah** broke its terms, they were dealt with **under the contract**; those who kept it remained secure — a contract with real sanctions.

(7) Modern comparison and relevance

Principle	Charter of Madinah (622)	Modern constitution
Written constitution	About fifty clauses	Magna Carta 1215; US Constitution 1787
Citizenship	One Ummah above tribes	Equal citizenship
Freedom of religion	'To the Jews their religion'	Article 20, Constitution of Pakistan
Minorities	Protected clients and allies	Article 36, Constitution of Pakistan
Judiciary	Refer to Allah and Muhammad ﷺ	Supreme Court
Sovereignty	Allah	Objectives Resolution (1949)

(8) Conclusion

✦ QURAN

﴿يَا أَيُّهَا الَّذِينَ ءَامَنُوا أَوْفُوا بِالْعُقُودِ...﴾

"O you who have believed, fulfil the contracts." (Al-Ma'idah, Quran)

→ 'O you who believe, **fulfil the contracts.**'

Analysed against the theory, the Charter of Madinah is a **complete social contract**: it ended a state of nature, rested on the consent of all parties, created a common authority, balanced rights with duties and established the rule of law. It also goes beyond the Western theory — it was real, plural and morally grounded. For Pakistan, whose Objectives Resolution also places sovereignty with Allah, it remains the founding model of a just, plural Islamic state.

Why this answer scores

- It **analyses**: theory → state of nature → provisions → mapping table → judgement.
- The Charter is quoted in **its own Arabic words**, four times.
- The 'beyond the theory' section and modern table give the **critical depth** examiners reward.

Answer 9 · The Status and Grade of Tolerance and Forgiveness in the Life of the Prophet ﷺ (CSS 2020)

THE QUESTION · CSS 2020 · Q2 · 20 marks

Discuss the status and grade of "Tolerance and Forgiveness" in the life of the Holy Prophet (PBUH).

Status → grades (a ladder) → examples at each grade → tolerance with other faiths.

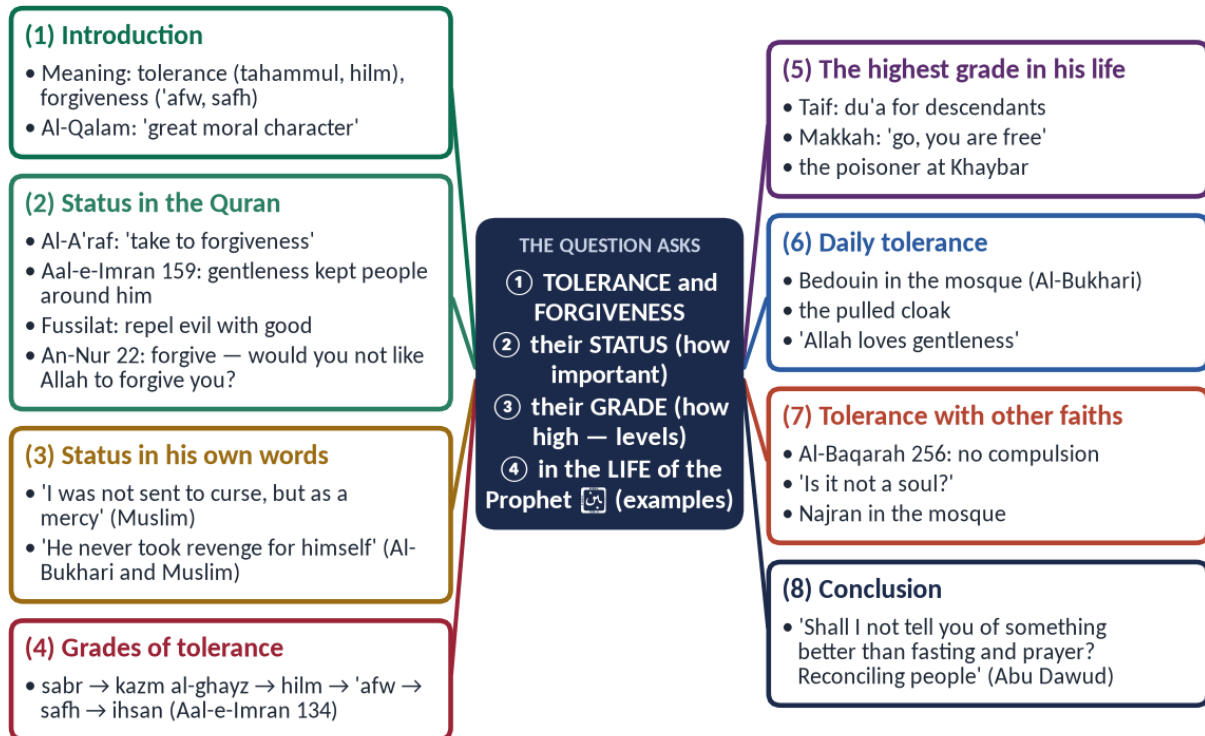

Figure 18 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- 'Status' = how important tolerance and forgiveness are — from the Quran and his own words.
- 'Grade' = levels — show that he reached the **highest** level. Most candidates miss this limb.
- 'In the life of the Holy Prophet' = real events, not general preaching.

The model answer

(1) Introduction

Tolerance — tahammul (تَحَمُّلٌ) and hilm (حِلْمٌ) — is bearing what one dislikes without reacting harshly. **Forgiveness** — 'afw (عَفْوٌ) and safh (صَفْحٌ) — is cancelling the punishment one has the right and power to take, and wiping the wrong from the heart.

✦ QURAN

﴿وَإِنَّكَ لَعَلَىٰ خُلُقٍ عَظِيمٍ﴾

“And indeed, you are of a great moral character.” (Al-Qalam, Quran)

→ 'You are of a **great moral character**.'

In the life of the Prophet ﷺ, tolerance and forgiveness were not occasional acts; they were the **ruling quality** of his character, shown most when he had the most power.

(2) The status of tolerance and forgiveness

(i) In the Quran — commands addressed to him

✦ QURAN

﴿خُذِ الْعَفْوَ وَأْمُرْ بِالْعُرْفِ وَأَعْرِضْ عَنِ الْجَاهِلِينَ﴾

“Take what is given freely, enjoin what is good, and turn away from the ignorant.” (Al-A'raf, Quran)

→ 'Take to **forgiveness**, enjoin what is good, and turn away from the ignorant.'

✦ QURAN

﴿فَبِمَا رَحْمَةٍ مِّنَ اللَّهِ لِنْتَ لَهُمْ وَلَوْ كُنْتَ فَظًّا غَلِيظَ الْقَلْبِ لَانْفَضُّوا مِنْ حَوْلِكَ...﴾

“So by mercy from Allah you were gentle with them; had you been harsh and hard-hearted, they would have scattered from around you.” (Aal-e-Imran, Quran)

→ By Allah's mercy **you were gentle** with them; had you been harsh, they would have scattered.

✦ QURAN

﴿وَلَا تَسْتَوِي الْحَسَنَةُ وَلَا السَّيِّئَةُ ادْفَعْ بِالَّتِي هِيَ أَحْسَنُ فَإِذَا الَّذِي بَيْنَكَ وَبَيْنَهُ عَدَاوَةٌ كَأَنَّهُ وَلِيٌّ حَمِيمٌ﴾

“And not equal are the good deed and the bad. Repel [evil] by that [deed] which is better; and thereupon the one whom between you and him is enmity [will become] as though he was a devoted friend.” (Fussilat, Quran)

→ 'Repel evil with what is better' — and the enemy becomes a close friend.

✦ QURAN

﴿... وَلْيَعْفُوا وَلْيَصْفَحُوا أَلَا تُحِبُّونَ أَنْ يَغْفِرَ اللَّهُ لَكُمْ...﴾

“Let them pardon and overlook. Would you not like Allah to forgive you?” (An-Nur, Quran)

→ 'Let them **pardon and overlook**. Would you not like Allah to forgive you?'

(ii) In his own words and life

★ HADITH

إِنِّي لَمْ أُبْعَثْ لَعَنًا، وَإِنَّمَا بُعِثْتُ رَحْمَةً

"I was not sent as one who curses; I was sent only as a mercy." (Muslim)

→ Refusing to curse the idolaters.

★ HADITH

مَا اتَّخَذَ لِنَفْسِهِ فِي شَيْءٍ قَطُّ، إِلَّا أَنْ تُنْتَهَكَ حُرْمَةُ اللَّهِ

"He never took revenge for himself in anything, unless Allah's sanctity was violated." (Al-Bukhari and Muslim)

→ Hazrat Aishah (RA) — personal wrongs forgiven; only Allah's law enforced.

(3) The grades of tolerance and forgiveness

★ QURAN

﴿الَّذِينَ يُنْفِقُونَ فِي السَّرَّاءِ وَالضَّرَّاءِ وَالْكُظُمِينَ الْغَيْظِ وَالْعَافِينَ عَنِ النَّاسِ وَاللَّهُ يُحِبُّ الْمُحْسِنِينَ﴾

"Who spend [in the cause of Allah] during ease and hardship and who restrain anger and who pardon the people - and Allah loves the doers of good." (Aal-e-Imran, Quran)

→ Those who **restrain anger and pardon people** — and Allah loves the doers of good: three rising grades in one verse.

Grade	Arabic	In his life
1. Sabr — patience	صَبْرٌ	Thirteen years of persecution in Makkah without retaliation.
2. Kazm al-ghayz — restraining anger	كَظْمُ الْغَيْظِ	The Bedouin who pulled his cloak until it marked his neck.
3. Hilm — forbearance with power	حِلْمٌ	The Bedouin in the mosque; the Companions stopped.
4. 'Afw — pardon	عَفْوٌ	The woman who poisoned him at Khaybar.
5. Safh — wiping it from the heart	صَفْحٌ	Wahshi, Hind, Ikrimah and Habbar received as Muslims.
6. Ihsan — returning good for evil	إِحْسَانٌ	Du'a for the people of Taif; his shirt for Ibn Ubayy's shroud.

He did not stop at the lower grades: at every test he rose to **'afw, safh and ihsan** — the highest grades.

(4) The highest grade in the great tests

(i) Taif — ihsan in humiliation

✦ HADITH

بَلْ أَرْجُو أَنْ يُخْرِجَ اللَّهُ مِنْ أَصْلَابِهِمْ مَنْ يَعْبُدُ اللَّهَ وَحْدَهُ لَا يُشْرِكُ بِهِ شَيْئًا

"Rather, I hope that Allah will bring from their descendants people who worship Allah alone." (Al-Bukhari and Muslim)

→ Stoned and bleeding, he refused the angel's offer to destroy them.

(ii) The Conquest of Makkah — forgiveness in total victory

✦ QURAN

﴿قَالَ لَا تَثْرِيبَ عَلَيْكُمُ الْيَوْمَ يَغْفِرُ اللَّهُ لَكُمْ وَهُوَ أَرْحَمُ الرَّاحِمِينَ﴾

"He said, 'No blame will there be upon you today. Allah will forgive you; and He is the most merciful of the merciful.'" (Yusuf, Quran)

→ 'No blame upon you today; Allah will forgive you.'

✦ FROM THE SIRAH

اذهبوا فأنتم الطلقاء

"Go, you are all free." (Sirat Ibn Hisham)

→ A general amnesty for twenty years of persecution.

He forgave **Hind**, who had mutilated his uncle Hamzah; **Wahshi**, who had killed Hamzah; **Ikrimah**, son of Abu Jahl; and **Habbar**, whose attack had led to the death of his daughter Zaynab.

(iii) Khaybar — pardon of an attempted murder

A woman served him poisoned meat; asked 'Shall we kill her?', he said 'No' (Al-Bukhari and Muslim).

(iv) Abdullah ibn Ubayy — good for the worst enemy within

The leader of the hypocrites who slandered his wife was given the Prophet's ﷺ shirt for his shroud and his funeral prayer (Al-Bukhari).

(5) Tolerance in daily life

✦ HADITH

دَعُوهُ ... فَإِنَّمَا بَعَثْتُمْ مُيسِّرِينَ، وَلَمْ تَبْعَثُوا مُعَسِّرِينَ

"Leave him ... you were sent to make things easy, not hard." (Al-Bukhari)

→ The Bedouin who urinated in the mosque was taught gently.

✦ HADITH

مَهْلًا يَا عَائِشَةُ، إِنَّ اللَّهَ يُحِبُّ الرِّفْقَ فِي الْأَمْرِ كُلِّهِ

"Gently, O Aishah; Allah loves gentleness in every matter." (Al-Bukhari and Muslim)

→ His answer to men who greeted him with 'death be upon you'.

Anas (RA) served him for ten years and said he never once said 'uff' to him or asked 'why did you do this?' (Al-Bukhari and Muslim).

(6) Religious tolerance

✦ QURAN

﴿لَا إِكْرَاهَ فِي الدِّينِ قَدْ تَبَيَّنَ الرُّشْدُ مِنَ الْغَيِّ...﴾

"There is no compulsion in religion; the right course has become clear from the wrong." (Al-Baqarah, Quran)

→ No compulsion in religion.

✦ HADITH

أَلَيْسَتْ نَفْسًا

"Is it not a soul?" (Al-Bukhari and Muslim)

→ He stood for a Jewish funeral.

The Christians of Najran prayed in his Mosque; the Charter of Madinah guaranteed 'to the Jews their religion'.

Tolerance and forgiveness in his life — the names only		
Status	Grades	Examples
Al-A'raf: take to forgiveness	sabr	Taif
'not sent to curse'	kazm al-ghayz	Makkah amnesty
never revenge for himself	hilm	the poisoner
	'afw	Ibn Ubayy
	safh	the Bedouin
	ihsan	the cloak
		Anas — never 'uff'

Figure 19 · At a glance — tolerance and forgiveness in his life — the names only. The detail is in the sections above.

(7) The limit — forgiveness is not weakness

He forgave **personal** wrongs, not crimes against others or against Allah's law: when a noblewoman of Makhzum stole, he refused intercession — 'if Fatimah daughter of Muhammad stole, I would cut her hand' (Al-Bukhari and Muslim). Forgiveness was **his right to give**; justice was **others' right to receive**.

(8) Conclusion

✦ HADITH

أَلَا أُخْبِرُكُمْ بِأَفْضَلِ مِنْ دَرَجَةِ الصَّيَّامِ وَالصَّلَاةِ وَالصَّدَقَةِ؟ ... صَلَاحُ ذَاتِ الْبَيْنِ

“Shall I not tell you of something higher in rank than fasting, prayer and charity? ... Reconciling between people.” (Abu Dawud and Al-Tirmidhi)

→ He ranked **reconciliation** above voluntary worship.

In the life of the Prophet ﷺ, tolerance and forgiveness hold the **highest status** — commanded by the Quran, declared by himself as the purpose of his mercy — and reach the **highest grade**: not only patience and restraint, but pardon, overlooking and returning good for evil, shown when he had full power to punish. For a society like ours, torn by anger and revenge, this is the most needed part of his Sunnah.

Why this answer scores

- It answers **both 'status' and 'grade'** — the grade limb, with a six-level ladder, is what most candidates miss.
- Each grade has **an event from his life**.
- The **limit** (forgiveness is not injustice) shows balanced understanding.

Answer 10 · Makarim al-Akhlaq and Social Peace; How the Prophet ﷺ Completed the Morals (CSS 2025)

THE QUESTION · CSS 2025 · Q2 · 20 marks

What is the importance of Makarim Akhlaq (noble morals) in establishing social peace? In this background, how did the Messenger of Allah complete these morals?

Two limbs: (1) morals → social peace; (2) the six ways he completed them.

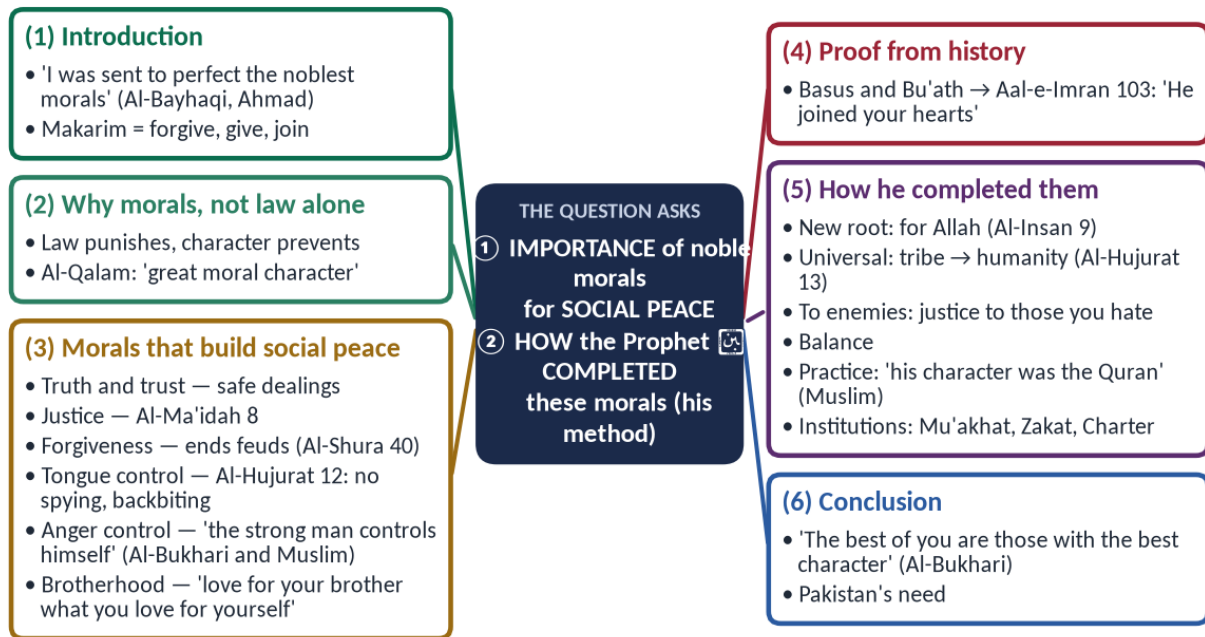

Figure 20 · The answer map: every branch is one numbered heading of the model answer below.

Decoding the question

- **Limb 1 — 'importance ... in establishing social peace':** show **how** each noble moral produces peace in society.
- **Limb 2 — 'how did the Messenger complete these morals':** this refers to the hadith 'I was sent to perfect noble morals'. Show his **method** of completing them — not just a list of his virtues.
- 'In this background' links the two: his completion of morals is **why** his society became peaceful.

The model answer

(1) Introduction

★ HADITH

إِنَّمَا بُعِثْتُ لِأَتَمِّمَ مَكَارِمَ الْأَخْلَاقِ

"I was sent only to perfect the noblest morals." (Al-Bayhaqi and Ahmad)

→ The purpose of his mission, in his own words.

Makarim al-Akhlaq (مَكَارِمُ الْأَخْلَاقِ) are the noblest morals — the level above ordinary decency: to forgive one who wrongs you, give to one who refuses you and keep ties with one who cuts you off. A society can live without much wealth, but not without these morals; where they are lost, no police force can keep the peace.

(2) Why social peace needs morals, not law alone

- Law punishes crime after it happens; character prevents it.
- Law reaches the visible act; morals reach the intention — envy, hatred, greed — from which conflict begins.
- Law needs enforcers; morals make every person his own guard (taqwa).

✦ HADITH

مَا مِنْ شَيْءٍ أَثْقَلُ فِي الْمِيزَانِ مِنْ حُسْنِ الْخُلُقِ

“Nothing is heavier in the Scale than good character.” (Abu Dawud and Al-Tirmidhi)

→ Islam gives character the **highest weight**.

(3) The importance of noble morals in establishing social peace

(i) Truthfulness and trustworthiness — safe dealings

Trust in markets, courts and offices removes the fraud and suspicion from which disputes arise. The Prophet ﷺ was **Al-Sadiq, Al-Amin** even to his enemies.

(ii) Justice — no grievance, no revenge

✦ QURAN

﴿... وَلَا يَجْرِمَنَّكُمْ شَنَاٰنُ قَوْمٍ عَلَىٰ أَلَّا تَعْدِلُوا أَعْدِلُوا هُوَ أَقْرَبُ لِلتَّقْوَىٰ...﴾

“Do not let the hatred of a people lead you to be unjust. Be just; that is nearer to righteousness.” (Al-Ma'idah, Quran)

→ Do not let hatred of a people lead you to injustice — **be just; that is nearer to taqwa**.

(iii) Forgiveness — ending the cycle of revenge

✦ QURAN

﴿وَجَزَاءُ سَيِّئَةٍ سَيِّئَةً مِّثْلُهَا فَمَنْ عَفَا وَأَصْلَحَ فَأَجْرُهُ عَلَى اللَّهِ إِنَّهُ لَا يُحِبُّ الظَّالِمِينَ﴾

“And the retribution for an evil act is an evil one like it, but whoever pardons and makes reconciliation - his reward is [due] from Allah. Indeed, He does not like wrongdoers.” (Ash-Shura, Quran)

→ The recompense of evil is its like, **but whoever pardons and makes peace, his reward is with Allah**.

(iv) Control of the tongue — no slander, suspicion or rumour

✦ QURAN

﴿... أَجْتَنِبُوا كَثِيرًا مِّنَ الظَّنِّ إِنَّ بَعْضَ الظَّنِّ إِثْمٌ وَلَا تَجَسَّسُوا وَلَا يَغْتَبَ بَعْضُكُم بَعْضًا ...﴾

“Avoid much suspicion; indeed, some suspicion is sin. And do not spy, and do not backbite one another.” (Al-Hujurat, Quran)

→ Avoid suspicion; **do not spy or backbite** — the Quran removes the everyday causes of quarrel.

(v) Control of anger — no violence

✦ HADITH

لَيْسَ الشَّدِيدُ بِالصُّرَعَةِ، إِنَّمَا الشَّدِيدُ الَّذِي يَمْلِكُ نَفْسَهُ عِنْدَ الْغَضَبِ

“The strong man is not the wrestler; the strong man controls himself when angry.” (Al-Bukhari and Muslim)

→ Most social violence begins in **one moment of anger**.

(vi) Brotherhood and empathy — no class hatred

✦ HADITH

لَا يُؤْمِنُ أَحَدُكُمْ حَتَّى يُحِبَّ لِأَخِيهِ مَا يُحِبُّ لِنَفْسِهِ

“None of you truly believes until he loves for his brother what he loves for himself.” (Al-Bukhari and Muslim)

→ The **golden rule** of social peace.

(vii) Peace-making as a virtue

✦ HADITH

أَلَا أُخْبِرُكُمْ بِأَفْضَلِ مِنْ دَرَجَةِ الصِّيَامِ وَالصَّلَاةِ وَالصَّدَقَةِ؟ ... صَلَاحُ ذَاتِ الْبَيْنِ

“Shall I not tell you of something better than fasting, prayer and charity? ... Reconciling between people.” (Abu Dawud and Al-Tirmidhi)

→ Making peace is ranked **above voluntary worship**.

(viii) The proof from history

Pre-Islamic Arabia lived in blood feuds — the war of **Basus** lasted about forty years; **Bu'ath** (617) had just exhausted Yathrib. Within a generation the same people were brothers:

✦ QURAN

﴿وَأَعْتَصِمُوا بِحَبْلِ اللَّهِ جَمِيعًا وَلَا تَفَرَّقُوا وَاذْكُرُوا نِعْمَتَ اللَّهِ عَلَيْكُمْ إِذْ كُنْتُمْ أَعْدَاءً فَأَلَّفَ بَيْنَ قُلُوبِكُمْ فَأَصْبَحْتُمْ بِنِعْمَتِهِ إِخْوًا...﴾

“And hold firmly to the rope of Allah all together and do not become divided. Remember Allah's favour upon you: you were enemies, and He brought your hearts together, and by His favour you became brothers.” (Aal-e-Imran, Quran)

→ 'You were enemies and He joined your hearts, and you became brothers.'

(4) How the Messenger of Allah ﷺ completed the morals

The Arabs already valued generosity, courage, hospitality and loyalty. He did not destroy these; he **completed** them in six ways.

(i) He gave them a new root — Allah and the Hereafter

Arab virtue sought fame and tribal honour. He made it **for Allah**, answerable on the Day of Judgement:

✦ QURAN

﴿إِنَّمَا نُطْعِمُكُمْ لَوَجْهِ اللَّهِ لَا نُرِيدُ مِنْكُمْ جَزَاءً وَلَا شُكُورًا﴾

“[Saying], “We feed you only for the countenance of Allah. We wish not from you reward or gratitude.” (Al-Insan, Quran)

→ 'We feed you **only for the sake of Allah**; we want no reward or thanks from you.'

(ii) He universalised them — from the tribe to humanity

Tribal loyalty said, 'Help your brother, right or wrong.' He kept the words and changed the meaning: help the oppressor by **stopping his oppression** (Al-Bukhari).

✦ QURAN

﴿يَا أَيُّهَا النَّاسُ إِنَّا خَلَقْنَاكُمْ مِنْ ذَكَرٍ وَأُنْثَىٰ وَجَعَلْنَاكُمْ شُعُوبًا وَقَبَائِلَ لِتَعَارَفُوا إِنَّ أَكْرَمَكُمْ عِنْدَ اللَّهِ أَتَقَىٰكُمْ إِنَّ اللَّهَ عَلِيمٌ خَبِيرٌ﴾

“O mankind, indeed We have created you from male and female and made you peoples and tribes that you may know one another. Indeed, the most noble of you in the sight of Allah is the most righteous of you. Indeed, Allah is Knowing and Acquainted.” (Al-Hujurat, Quran)

→ The most honoured is **the most righteous**, not the noblest tribe.

✦ FROM THE SIRAH

لَا فَضْلَ لِعَرَبِيٍّ عَلَىٰ عَجَمِيٍّ ... إِلَّا بِالتَّقْوَىٰ

“No Arab has superiority over a non-Arab ... except by taqwa.” (Musnad Ahmad (the Farewell Sermon))

→ Morals made **universal**.

(iii) He extended them to enemies

Justice, mercy and forgiveness were owed even to enemies — Taif, the Makkah amnesty, the poisoner forgiven.

(iv) He balanced them

Courage without cruelty, generosity without waste, humility without weakness, mercy without injustice — the **middle way** (Al-Baqarah: 'a middle nation').

(v) He practised them first

✦ HADITH

كَانَ خُلُقُهُ الْقُرْآنَ

"His character was the Quran." (Muslim)

→ He lived every moral he taught — the Quran **in practice**.

(vi) He built them into institutions

- **Mu'akhat** — brotherhood made a social system.
- **Zakat** — generosity made a right of the poor.
- **The Charter of Madinah** — justice and tolerance made constitutional law.
- **The Farewell Sermon** — the sanctity of life, property and honour declared for all.

Noble morals and social peace — the names only

Morals → social peace	How he completed them
truth and trust	new root: for Allah
justice	universal: tribe → humanity
forgiveness	to enemies
tongue control	balanced
anger control	practised first
brotherhood	institutionalised
peace-making	

Figure 21 · At a glance — noble morals and social peace — the names only. The detail is in the sections above.

(5) Conclusion and Pakistan

✦ HADITH

إِنَّ مِنْ خَيْرِكُمْ أَحْسَنَكُمْ أَخْلَاقًا

"The best of you are those with the best character." (Al-Bukhari)

→ The measure of a person — and of a nation.

Noble morals are the foundation of social peace because they remove the **causes** of conflict that law can only punish. The Prophet ﷺ completed these morals by rooting them in faith, extending them to all humanity and to enemies, balancing them, living them, and building them into institutions — and the result was the most peaceful society Arabia had known. Pakistan's problems of intolerance, corruption

and street violence are, at root, **moral problems**; the cure is the one he gave: character before law, and law built on character.

Why this answer scores

- **Both limbs** have their own headings, in the question's order.
- Limb 2 explains the **method of completion** (six ways) — the real demand of 'how did he complete'.
- Every moral is tied to **social peace** with a verse or hadith; the Pakistan conclusion is honest and relevant.
